

A black and white photograph of two Chinese men in an agricultural setting. The man in the foreground is seated on a large sack, wearing a light-colored traditional Chinese jacket with frog buttons, light trousers, and a dark hat. He is barefoot. The man in the background is standing, wearing a dark jacket, light trousers, and a wide-brimmed straw hat, also barefoot. They are surrounded by large sacks and a metal container.

This Bittersweet Soil The Chinese In California Agriculture 1860 1910:

This Bittersweet Soil Sucheng Chan,1986 The role of the Chinese in California agriculture during the later decades of the 19th century and early part of the 20th century was an integral aspect of the agricultural history of the western United States Although the number of Chinese involved in agricultural occupations at one time never exceeded 6000 to 7000 workers their lack of numbers does not diminish their impact Author Chan of Chinese origin has made extensive use of census records and county archival sources to produce the first full history of the Chinese in California agriculture **The Anti-Chinese Movement in California** Elmer Clarence Sandmeyer,1991 Originally published in 1939 this book was the first objective study of the anti Chinese movement in the Far West a subject that is as much a part of the history of California as the mission period or the gold rush Some historians of the Asian American experience consider it to be more than half a century later the most satisfactory work on the subject For this reissue Roger Daniels has updated the bibliography to 1991

Foreign Fruit Katie Goh,2025-05-06 A sharp sweet memoir of change identity and hybridity I loved it Katherine May author of Wintering Per person oranges are the most consumed fruit in the world Across the world no matter how remote or cold or incongruous a climate is oranges will be there What stories could I unravel from the orange s long ribboning peel What new meanings could I find in its variousness as it moves from east to west and from familiar to foreign What begins as a curiosity into the origins of the orange soon becomes a far reaching odyssey of citrus for Katie Goh Katie follows the complicated history of the orange from east to west and west to east from a luxury item of European kings and Chinese emperors to a modest fruit people take for granted This investigation parallels Katie s powerful search into her own heritage Growing up queer in a Chinese Malaysian Irish household in the north of Ireland Katie felt herself at odds with the culture and politics around her As a teenager Katie visits her ancestral home in Longyan China with her family to better understand her roots but doesn t find the easy digestible answers she hoped for In her mid twenties when her grandmother falls ill she ventures again to the land of her ancestors Malaysia where more questions of self and belonging are raised In her travels and reflections she navigates histories that she wants to understand but has never truly felt a part of Like the story of the orange Katie finds that simple and extractable explanations even about a seemingly simple fruit are impossible The story that unfolds is Katie s incredible endeavor to flesh out these contradictions to unpeel the layers of personhood a reflection on identity through the cipher of the orange Along the way the orange becomes so much more than just a fruit it emerges as a symbol a metaphor and a guide Foreign Fruit A Personal History of the Orange is a searching wide ranging seamless weaving of storytelling with research and a meditative deeply moving encounter with the orange and the self **Chinese Market Gardening in Australia and New Zealand** Joanna Boileau,2017-07-27 This book offers a fresh perspective on the Chinese diaspora It is about the mobilisation of knowledge across time and space exploring the history of Chinese market gardening in Australia and New Zealand It enlarges our understanding of processes of technological change and human mobility

highlighting the mobility of migrants as an essential element in the mobility and adaptation of technologies Truly multidisciplinary Chinese Market Gardening in Australia and New Zealand incorporates elements of economic agricultural social cultural and environmental history along with archaeology to document how Chinese market gardeners from subtropical southern China adapted their horticultural techniques and technologies to novel environments and the demands of European consumers It shows that they made a significant contribution to the economies of Australia and New Zealand developing flexible strategies to cope with the vagaries of climate and changing business and social environments which were often hostile towards Asian immigrants Chinese Market Gardening in Australia and New Zealand will appeal to students and scholars in the fields of the Chinese diaspora in particular the history of the Chinese in Australasia the history of technology horticultural and garden history and environmental history as well as Asian studies more generally Chinatown Film Culture Kim K. Fahlstedt, 2020-08-14 Chinatown Film Culture provides the first comprehensive account of the emergence of film and moviegoing in the transpacific hub of San Francisco in the early twentieth century Working with materials previously left in the margins of grand narratives of history Kim K Fahlstedt uncovers the complexity of a local entertainment culture that offered spaces where marginalized Chinese Americans experienced and participated in local iterations of modernity At the same time this space also fostered a powerful Orientalist aesthetic that would eventually be exported to Hollywood by San Francisco showmen such as Sid Grauman Instead of primarily focusing on the screen spectator relationship Fahlstedt suggests that immigrant audiences role in the proliferation of cinema as public entertainment in the United States saturated the whole moviegoing experience from outside on the street to inside the movie theater By highlighting San Francisco and Chinatown as featured participants rather than bit players Chinatown Film Culture provides an historical account from the margins alternative to the more dominant narratives of U S film history The Columbia Guide to Asian American History Gary Y. Okihiro, 2001 Offering a rich and insightful road map of Asian American history as it has evolved over more than 200 years this book marks the first systematic attempt to take stock of this field of study It examines comments and questions the changing assumptions and contexts underlying the experiences and contributions of an incredibly diverse population of Americans Arriving and settling in this nation as early as the 1790s with American born generations stretching back more than a century Asian Americans have become an integral part of the American experience this cleverly organized book marks the trajectory of that journey offering researchers invaluable information and interpretation Part 1 offers a synoptic narrative history a chronology and a set of periodizations that reflect different ways of constructing the Asian American past Part 2 presents lucid discussions of historical debates such as interpreting the anti Chinese movement of the late 1800s and the underlying causes of Japanese American internment during World War II and such emerging themes as transnationalism and women and gender issues Part 3 contains a historiographical essay and a wide ranging compilation of book film and electronic resources for further study of core themes and groups including

understanding between the United States and China has been a long and complex process The period from the mid nineteenth century to the early twentieth century is not only a critical era in modern Chinese history but also the peak time of illustrated news reporting in the United States Besides images from newspapers and journals this collection also contains pictures about China and the Chinese published in books brochures commercial advertisements campaign posters postcards etc Together they have documented colourful portrayals of the Chinese and their culture by the U S print media and their evolution from ethnic curiosity stereotyping and racial prejudice to social awareness reluctant understanding and eventual acceptance Since these publications represent different positions in American politics they can help contemporary readers develop a more comprehensive understanding of major events in modern American and Chinese histories such as the cause and effect of the Chinese Exclusion Act and the power struggles behind the development of the Open Door Policy at the turn of the twentieth century This collection of images has essentially formed a rich visual resource that is both diverse and intriguing and as primary source documents they carry significant historical and cultural values that could stimulate further academic research Chinese in Napa Valley: The Forgotten Community That Built Wine Country John McCormick , 2023

Unearth the origins of Napa Valley s prosperity Chinese laborers were once the backbone of Napa Valley Throughout the late 1800s they toiled in the grape fields mines hop farms leather tanneries and laundries and carved out neighborhoods in towns throughout the Valley These contributions did little to deter discrimination and Anti Chinese Leagues sprang up to harass and intimidate immigrants like Chan Wah Jack who ran the successful Sang Lung store in Napa s Chinatown In 1882 the Chinese Exclusion Act hastened the decline of local Chinatowns and these once vibrant communities disappeared while the industries they helped to foster flourished Join author John McCormick as he uncovers the forgotten contributions of the Chinese people in California s most famous wine region Sui Sin Far/Edith Maude Eaton Annette White Parks, 1995 This first full length biography of the first published Asian North American fiction writer portrays both the woman and her times The eldest daughter of a Chinese mother and British father Edith Maude Eaton was born in England in 1865 Her family moved to Quebec where she was removed from school at age ten to help support her parents and twelve siblings In the 1880s and 1890s she worked as a stenographer journalist and fiction writer in Montreal often writing under the name Sui Sin Far Water Lily She lived briefly in Jamaica and then from 1898 to 1912 in the United States Her one book Mrs Spring Fragrance has been out of print since 1914 Today Sui Sin Far is being rediscovered as part of American literature and history She presented portraits of turn of the century Chinatowns not in the mode of the yellow peril literature in vogue at the time but with an insider s sympathy She gave voice to Chinese American women and children and she responded to the social divisions and discrimination that confronted her by experimenting with trickster characters and tools of irony sharing the

coping mechanisms used by other writers who struggled to overcome the marginalization to which their race class or gender consigned them in that era Superbly researched thoughtfully reasoned and beautifully written Will be the foundation for all future work on Sui Sin Far Elizabeth Ammons author of *Conflicting Stories American Women Writers at the Turn into the Twentieth Century* **In Search of Equality** Charles J. McClain, 1994-05-03 Charles McClain s illuminating new study probes Chinese efforts to battle manifold discrimination in housing employment and education in nineteenth century America Challenging the stereotypical image of a passive insular group McClain reveals a politically savvy population capable of mobilizing to fight mistreatment He draws on English and Chinese language documents and rarely studied sources to chronicle the ways the Chinese sought redress and change in American courts McClain focuses on the San Francisco Bay Area the home of almost one fifth of the fifty thousand Chinese working in California in 1870 He cites cases in which Chinese laundrymen challenged the city of San Francisco s discriminatory building restrictions and lawsuits brought by parents to protest the exclusion of Chinese children from public schools While vindication in the courtroom did not always bring immediate change Chinese schoolchildren in San Francisco continued to be segregated well into the twentieth century the Chinese community s efforts were instrumental in establishing several legal landmarks In their battles for justice the Chinese community helped to clarify many judicial issues including the parameters of the Fourteenth Amendment and the legal meanings of nondiscrimination and equality Discussing a wide range of court cases and gleaning their larger constitutional significance *In Search of Equality* brings to light an important chapter of American cultural and ethnic history It should attract attention from American and legal historians ethnic studies scholars and students of California culture
