Contributions to Periodicals January June *Routledge Handbook of the Global South in Sport for Development and Peace*
Billy Graeff,Simona Šafaříková,Lin Cherurbai Sambili-Gicheha,2024-07-18 This book explores the field of Sport for
Development and Peace SDP putting Global South voices and perspectives at the centre of the analysis Covering a wide
range of thematic and methodological areas that inform existing and emerging discourses in SDP it represents an
unparalleled resource for researchers and practitioners working in this area Arranged into geographical sections covering
Africa Asia South America North America and Oceania the book presents original research in Global South countries or by
Global South researchers and practitioners sometimes in collaboration with colleagues from the Global North It highlights
practices and theories created developed interpreted and reinterpreted by people who belong to the communities where
these sporting experiences have been taking place and whose critical reflections and experiences have yet to gain attention
in international academic and practitioner communities in the English language The book presents the views of diverse
stakeholders programme participants promoters coaching staff volunteers researchers teachers lecturers and other actors
that have been difficult to access for researchers who do not usually speak languages other than English A landmark
publication in the field of SDP this book is essential reading for any advanced student research practitioner or policy maker
with an interest in the value of sport in international development *Routledge Handbook of Sport Expertise* Joseph
Baker,Damian Farrow,2015-03-24 Understanding and developing expertise is an important concern for any researcher or
practitioner working in elite or high performance sport Whether it s identifying talented young athletes or developing
methods for integrating cutting edge sport science into daily coaching practice scientists coaches and researchers all need to
understand the skills characteristics and knowledge that distinguish the expert performer in sport The Routledge Handbook
of Sport Expertise is the first book to offer a comprehensive overview of current research and practice in the emerging field
of sports expertise Adopting a multi disciplinary multi faceted approach the book offers in depth discussion of methodological
and philosophical issues in sport expertise as well as the characteristics that describe sporting experts and how they can be
facilitated and developed Exploring research theory and practice the book also examines how scientists and practitioners can
work together to improve the delivery of applied sport science With contributions from many of the world s leading
researchers in expertise and skill acquisition in sport the Routledge Handbook of Sport Expertise is important reading for
any advanced student researcher coach or sport science support officer looking to better understand this cutting edge topic
