Thornton Wilder And The Puritan Narrative Tradition:

Thornton Wilder and the Puritan Narrative Tradition Lincoln Konkle, 2006 Fresh examination of the works of Thornton Wilder emphasizing continuities in American literature from the seventeenth through twentieth centuries Sees Wilder as a literary descendant of Edward Taylor who drew from the Puritan worldview and tradition Includes indepth readings of *Shadow of a Doubt* *The Trumpet Shall Sound* and others Provided by publisher Thornton Wilder in Collaboration Jackson R. Bryer, Judith P. Hallett, Edyta K. Oczkiewicz, 2018-12-17 The essays in this volume evolved from papers presented at the Second International Thornton Wilder Conference held at Salve Regina University in Newport Rhode Island in June 2015 They examine Wilder s work as both playwright and novelist focusing upon how he drew on the collaborative mode of creativity required in the theatre when writing both drama and fiction The book s authors use the term collaboration in its broadest sense at times in response to Wilder s critics who faulted him for borrowing from other earlier literary works rather than recognizing these borrowings as central to the artistic process of collaboration In exploring Wilder s collaborative efforts of different kinds the essays not only consider how Wilder worked with and revised earlier literary texts and the ideas central to those texts but also analyze how Wilder worked with and inspired other creative individuals and how recent productions of Wilder s plays both in the US and abroad have been the products of unique forms of collaboration *The Thornton Wilder Encyclopedia* Thomas S. Hischak, 2022-03-15 Thornton Wilder is one of America s greatest writers and the only author to win Pulitzer Prizes in both fiction and drama Equally well known for his plays and novels his unique and diverse body of work also includes essays journals lectures and film and television scripts In *The Thornton Wilder Encyclopedia* Thomas S Hischak exhaustively covers Wilder s life and extensive career Entries not only contain every one of his novels plays and scripts but also his letters journals and all other existing works by Wilder published or unpublished In addition this valuable reference features entries on the individuals who worked with Wilder and friends and family members who were a great influence on him With a biography of Wilder to introduce the work and a chronology and selected bibliography to augment the entries *The Thornton Wilder Encyclopedia* is the most comprehensive reference available on one of America s greatest playwrights and finest novelists *Entanglements, Narratives, and the Environment* Nicole Haring, Roberta Maierhofer, Eva Bauer, 2024-11-19 *Entanglements Narratives and the Environment* Inter American Perspectives provides an interdisciplinary ecocritical reading of narratives and environmental entanglements from an Inter American perspective predominantly providing literary film and cultural analysis of texts from the Americas In light of Amitav Ghosh s 2016 exploration of a crisis of the imagination in the face of climate change and environmental degradation this book addresses the potential of literature history and politics in comprehending the profound dimensions and violence of these challenges The chapters show among others that the Anthropocene demands fresh narratives and theoretical perspectives particularly within the framework of Inter American Studies which can offer a new venue to discuss pressing issues and to

provide intersectional and inter regional considerations Thus drawing on Inter American perspective with its hemispheric perspectives opens the possibilities for an ecocritical reading of the complexities and relationalities of the climate crisis in the humanities as well as the social sciences As a result the book includes historical and political analysis as well as literary cultural and film analysis of texts from the Americas The chapters engage in deconstructing popular myths de centering Western approaches and eventually show through these critical engagements how the climate crisis demands multi dimensional readings

Theaters of the Everyday Jacob Gallagher-Ross,2018-04-15 Theaters of the Everyday Aesthetic Democracy on the American Stage reveals a

vital but little recognized current in American theatrical history the dramatic representation of the quotidian and mundane Jacob Gallagher Ross shows how twentieth century American theater became a space for negotiating the demands of innovative form and democratic availability Offering both fresh reappraisals of canonical figures and movements and new examinations of theatrical innovators *Theaters of the Everyday* reveals surprising affinities between artists often considered poles apart such as John Cage and Lee Strasberg and Thornton Wilder and the New York experimentalist Nature Theater of Oklahoma Gallagher Ross persuasively shows how these creators eschew conventional definitions of dramatic action and focus attention on smaller but no less profound dramas of perception consciousness and day to day life Gallagher Ross traces some of the intellectual roots of the theater of the everyday to American transcendentalism with its pragmatic process philosophy as well as its sense of ordinary experience as the wellspring of aesthetic awareness
