second volume of M Zola's trilogy Lourdes Rome Paris I have no prefatory remarks to offer on behalf of the author whose views on Rome its past present and future will be found fully expounded in the following pages That a book of this character will like its forerunner Lourdes provoke considerable controversy is certain but comment or rejoinder may well be postponed until that controversy has arisen At present then I only desire to say that in spite of the great labour which I have bestowed on this translation I am sensible of its shortcomings and in a work of such length such intricacy and such a wide range of subject it will not be surprising if some slips are discovered Any errors which may be pointed out to me however shall be rectified in subsequent editions I have given I think the whole essence of M Zola's text but he himself has admitted to me that he has now and again allowed his pen to run away with him and thus whilst sacrificing nothing of his sense I have at times abbreviated his phraseology so as slightly to condense the book I may add that there are no chapter headings in the original and that the circumstances under which the translation was made did not permit me to supply any whilst it was passing through the press however as some indication of the contents of the book which treats of many more things than are usually found in novels may be a convenience to the reader I have prepared a table briefly epitomising the chief features of each successive chapter E A V The Three Cities Trilogy: Rome, Complete Эмиль Золя, 2021-12-02 **The Three Cities**

Trilogy Emile Emile Zola, 2018-05-08 It so happened that the letter which Pierre had received from Viscount Philibert de la Choue was a long cry of spite and despair in connection with the great international pilgrimage of the Peter's Pence Fund The Viscount wrote from his bed to which he was confined by a very severe attack of gout and his grief at being unable to come to Rome was the greater as the President of the Committee who would naturally present the pilgrims to the Pope

happened to be Baron de Fouras one of his most bitter adversaries of the old conservative Catholic party M de la Choue felt certain that the Baron would profit by his opportunity to win the Pope over to the theory of free corporations whereas he the Viscount believed that the salvation of Catholicism and the world could only be worked by a system in which the corporations should be closed and obligatory
