

A brass astrolabe, a model of objects in the sky, is shown floating over a dark, textured surface that resembles water or a celestial map. The astrolabe is made of polished brass and has a circular frame with a grid of lines. It is tilted slightly, and its reflection is visible on the surface below. The background is dark and textured, with some lighter areas that suggest a map or a celestial chart. The overall mood is mysterious and ancient.

Three Views On The Millennium And Beyond:

Three Views on the Millennium and Beyond Craig A. Blaising, Kenneth L. Gentry, Robert B. Strimple, 1999 This is a presentation of and interaction among the three main views on the end times held by evangelicals Premillennial postmillennial and amillennial *Three Views on the Millennium and Beyond* Zondervan, 2010-08-10 Is there biblical evidence for a thousand year earthly kingdom the Millennium ruled by Christ before the fulfillment of the new heaven and new earth Revelation chapter 20 seems to suggest so but few books of the Bible are so difficult to interpret And a discussion of the Millennium branches out into many other theological questions about the end times eschatology Are these the last days What must happen before Jesus returns What part does the church play This Counterpoints volume compares three views of the Millennium Premillennial Christ will come again before this kingdom is established Postmillennial our present age represents that kingdom and that the church is and must move toward the fulfillment of this kingdom Amillennial a future Millennium is not a literal kingdom and when Christ returns he will usher in an immediate new heaven and new earth Robert B Strimple Kenneth L Gentry Jr and Craig A Blaising offer their perspectives giving their exegetical reasoning Each of them then responds to the views held by their peers in a respectful and informative setting making it easy for you to compare their beliefs and gain a better understanding of how this aspect of Christianity's great hope the return of Jesus is understood by the church The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion [Finding the End of the World](#) Ron Braley, 2011-03-18 Learn tools and techniques you can use in any Biblical study and then explore the History of Israel Use what you learn to analyze Old Testament prophecies and apocalyptic writings all in preparation for comparing accounts of what Jesus told His disciples on the Mount of Olives and for analyzing the Revelation given to John Round out your experience with in depth studies of end times players such as the Antichrist and the 144 000 redeemed from the earth Finally explore in great detail the major rapture positions and challenges presented by each Ron Braley's book Finding the End of the World is a great resource for any serious student of God's Word However it will frustrate those who look to it for easy answers to questions surrounding the books of Daniel and Revelation events of the End Times and eschatological controversies Instead the author gives the reader and student the tools to delve into the Scriptures and discover the answers Caution This may lead the reader to question and even jettison some previously held views of the End of Times While offering historical and theological background materials to consider I believe the greatest value of this book is the study tools guides and exercises it offers each student The result is creating students of the Bible who know how to read and study for themselves Ron Almborg Jr B A Th B M Div Ron Braley lives in Texas with Joanne his wife of 27 years They have 4 grown children and 2 grandchildren Passion for spreading the Gospel and helping others to build their faith has led to the

The Source of Hope John S. Hammett, 2025-08-01 In *The Source of Hope* John Hammett crafts a detailed and accessible introduction to the discipline of eschatology

Four Views on Moving Beyond the Bible to Theology Gary T. Meadors, 2009 *Four Views on Moving Beyond the Bible to Theology* evaluates interpretive models of applying biblical texts and provides perspectives on questions of moving from Scripture to theology

Four Views on Christian Spirituality Bruce A. Demarest, 2012-05-08 How do Christians cultivate a vibrant and Christ centered spirituality that is rooted in biblical clarity Spiritual formation the cultivation of a relationship with God lies at the heart of what it means to be a Christian in the body of Christ But with the rise of diverse spiritual practices from Zen meditation to out of body experiences the idea of spirituality has become watered down by postmodern culture Christian spirituality on the other hand embraces devotion to the triune God abiding in Christ the pursuit of holiness and the cultivation of virtues But what exactly falls within the scope Christian spirituality This volume of the Counterpoints series focuses on the Church's search for spiritual identity meaning and significance as interpreted by four of the major Christian traditions Eastern Orthodoxy represented by Bradley Nassif Roman Catholic represented by Scott Hahn Progressive Protestant represented by Joseph Driskill Evangelical represented by Evan Howard The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

The Bible Made Impossible Christian Smith, 2012-08-01 Biblicism an approach to the Bible common among some American evangelicals emphasizes together the Bible's exclusive authority infallibility clarity self sufficiency internal consistency self evident meaning and universal applicability Acclaimed sociologist Christian Smith argues that this approach is misguided and unable to live up to its own claims If evangelical biblicism worked as its proponents say it should there would not be the vast variety of interpretive differences that biblicists themselves reach when they actually read and interpret the Bible Far from challenging the inspiration and authority of Scripture Smith critiques a particular rendering of it encouraging evangelicals to seek a more responsible coherent and defensible approach to biblical authority This important book has generated lively discussion and debate The paperback edition adds a new chapter responding to the conversation that the cloth edition has sparked

Interpreter: A Journal of Mormon Scripture, Volume 3 (2013) The Interpreter Foundation, 2013-03-04 This is volume 3 2013 of *Interpreter: A Journal of Mormon Scripture* by the Interpreter Foundation It contains articles on diverse topics such as the relationship between faith and reason a book review of *Comparing and Evaluating the Scriptures A Timely Challenge for Jews Christians Muslims and Mormons* the biblical and non biblical quotes from Paul a book review of *Four Views on the Spectrum of Evangelicalism* an analysis of the parallel narratives of Ammon1 and Ammon2 a book review of *Forgery and Counterforgery The Use of Literary*

Deceit in Early Christian Polemics an analysis of directions in the Book of Mormon Nephite insights into Israelite worship a book review of Brigham Young Pioneer Prophet and a possible explanation for one day to a cubit as found in facsimile 2 of the Book of Abraham **Exploring Christian Theology : Volume 3** Nathan D. Holsteen,Michael J. Svingel,2014-01-21

Dallas Seminary Professors Make Basic Theology Accessible for All Theology doesn't have to be complicated In this book trusted Dallas Seminary professors present a concise systematic theology that distills the essential spiritual truths in a way that makes sense to readers students lay people and pastors Here are introductions overviews and reviews of key tenets of orthodox protestant evangelical doctrines The book also includes an annotated list of key applicable Bible texts a quick paced story of doctrine throughout church history heresies or distortions to be aware of and more Exploring Christian Theology is useful for discipleship catechism membership training preview or review of doctrine or quick personal reference It can also be used by ministry training programs Bible colleges or seminaries as an introductory primer to orient students in

preparation for a more in depth study of theology **Second Thoughts about the Second Coming** Ronald J. Allen,Robert D. Cornwall,2023-02-28 Various ideas float around about the subject of last things leading many Christians to conclude that they don't know what to think about the subject Yet at the core of the Christian doctrine of last things lies two simple and complementary hopes that God ever and always offers hope for our individual futures and for the future of the whole world In this helpful book Allen and Cornwall explain how we don't have to subscribe to sensationalist theories or sketchy interpretations to believe in Christian hope They walk the reader through the central biblical teachings on last things and then show the ways the church has interpreted those teachings throughout the centuries In a respectful way the authors demonstrate that end time beliefs centered on the Rapture came into existence only recently and they then offer several more life affirming contemporary interpretations as alternatives The book includes a study guide and web based appendixes designed to help pastors develop both topical and lectionary based sermon series on Christian hope
