Wanderers Knut Hamsun:

The Wanderer Knut Hamsun, Gunnvor Stallybrass, 2001-04-01 It has always been a pleasure to me to watch the flowers and insects in their struggle to keep alive When the sun was hot they would come to life again and give themselves up for an hour or so to the old delight the big strong flies were just as much alive as in midsummer There was a peculiar sort of earth bug here that I had not seen before little yellow things no bigger than a small type comma yet they could jump several thousand times their own length Think of the strength of such a body in proportion to its size There is a tiny spider here with its hinder part like a pale yellow pearl *Wanderers* Knut Hamsun, 2010-01 **Wanderers** Knut Hamsun, 2015-12-06 Knut Hamsun August 4 1859 February 19 1952 was a Norwegian author who was awarded the Nobel Prize in Literature in 1920 Hamsun s work spans more than 70 years and shows variation with regard to the subject perspective and environment He published more than 20 novels a collection of poetry some short stories and plays a travelogue and some essays **The Wanderer** Knut Hamsun, 1976 *The Wanderer* which consists of two closely related novels *Under the Autumn Star* and *On Muted Strings* has been acclaimed as one of Knut Hamsun s finest works The narrator Knut Pedersen Hamsun s real name is an unsimple character in search of the simple life which he hopes to attain by wandering round the Norwegian countryside doing such work as he can find His quest is continually frustrated not least by his susceptibility to the wives and daughters of successive employers **The Wanderer** Knut Hamsun, 1976-04 **A Wanderer Plays on Muted Strings** Knut Hamsun, 2018-06-30 *A Wanderer Plays on Muted Strings* Knut Hamsun Related to and sometimes paired with Hamsun s *Under the Autumn Stars* this beautifully lyric fiction picks up with the same characters as the other book but is set in time six years later The central character of the former novel Knut Pedersen Hamsun s real name is more an observer in this work His former friend Grindhusen has grown from stubborn independence to a shifty and vacillating man and his companion Lars Falkenberg has dwindled into a small land holder with a perpetually pregnant wife from whom he is deeply estranged These two comedians play out a tragi comedy that is painful through the very irony and humaneness with which Hamsun paints his figures We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience Wanderers Knut Hamsun, 1922 Series of musings by literary nature loving tramp Autobiographical **Wanderers** Knut Hamsun, 2019-11-25 In *Wanderers* Knut Hamsun explores the intricacies of the

human psyche through a series of contemplative vignettes intricately woven into a tapestry of existential inquiry. Written in Hamsun's signature stream of consciousness style, the narrative immerses the reader in the thoughts and emotions of its wanderers, characters caught in the throes of modern alienation and search for identity amidst the burgeoning modernity of late 19th century Europe. The book exists within the larger context of Hamsun's contribution to literary modernism, prefiguring themes of dislocation and introspection that would later flourish in the works of writers such as James Joyce and Virginia Woolf. Knut Hamsun, a Nobel laureate in literature, was deeply influenced by his own experiences of poverty, wanderlust, and social disenfranchisement, which often permeate his works. His commitment to uncovering the authentic human experience compelled him to challenge conventional narrative structures, reflecting his belief in the individual's struggle against societal norms. This personal and philosophical backdrop enriches *Wanderers*, making it a reflective and poignant commentary on the elusive nature of self.
