The Crown of Sanctity Daniel O'Connor, 2019-03-04 2 000 years ago the Son of God prayed to His Father Thy Will be done on Earth as it is in Heaven This prayer the greatest ever uttered by the lips of man will not go unanswered Jesus has revealed to an Italian mystic named Luisa that the time has now at last arrived for its fulfillment that is for the restoration of what was destroyed by Adam 6 000 years ago in the Fall of Man In brief the entire world is about to be radically transformed like never before in its history This is probably something you should know about This book has been written to inform you about the transformation and to enable you to take part in it and hasten it But this transformation will not be achieved through human effort It will be given directly from Heaven by way of God's greatest Gift the Gift of Living in the Divine Will which is the Crown of Sanctity and which even now we must all strive to receive In this sanctity is found The Culmination of Deification the Fruitfulness of Mystical Marriage the Aspiration of the Unification of Wills and the Essence of Marian Consecration This is none other than the Triumph of the Immaculate Heart of Mary promised at Fatima It is the coming of the Kingdom of God This is a long book but its length should turn away no one as a thorough and detailed table of contents is given so that each reader can easily select only those sections in which he is interested for his perusal And any reader is sure to find much that interests him Within these pages is a treasury of resources not only concerning Luisa's revelations directly but also on new arguments for God's existence and the truth of Christianity extensive Catechesis on Private Revelation in general and on the spiritual life in general including overviews of the greatest teachings on spirituality in the history of the Church and details on the Era of Peace as revealed to Luisa and many other mystics visionaries and seers Fatima Medjugorje Venerable Conchita Fr Gobbi and dozens more You will not regret reading this book This is our great hope and our petition Your Kingdom come a kingdom of peace justice and serenity that will re-establish the original harmony of creation Pope St John Paul II

Peace on Earth Edwin Jones, 2016-05-27 This book posits that it is not possible for a civilization to maintain a human and humane culture without the assistance of religion Religion can be misused or abused into having a negative effect but an authentic religion when properly managed is the only effective source of durable common and humane values throughout society Religion's assertion of the existence of God who alone provides the transcendent power is the only logical basis for asserting and maintaining common values for all people going far above and beyond the indiscriminate and multifarious opinions of diverse and imperfect human beings Some people can maintain certain values

derived from their own consciences but human history and psychoanalysis shows that the majority of people cannot sustain a whole culture or civilization from a purely utilitarian and materialistic basis Human nature is imperfect and needs the help of a transcendent power to support its spiritual needs in a humane society and to create a culture or civilization that lasts
