Women Epic And Transition In British Romanticism

Wendy S. Williams

Women Epic And Transition In British Romanticism:

Women, Epic, and Transition in British Romanticism Elisa Beshero-Bondar, 2011-05-31 *Women Epic and Transition in British Romanticism* argues that early nineteenth century women poets contributed some of the most daring work in modernizing the epic genre. The book examines several long poems to provide perspective on women poets working with and against men in related efforts contributing together to a Romantic movement of large scale genre revision. Women poets challenged longstanding categorical approaches to gender and nation in the epic tradition and they raised politically charged questions about women's importance in moments of historical crisis. While Romantic epics did not all engage in radical questioning or undermining of authority, this study calls attention to some of the more provocative poems in their approach to gender, culture, and history. This study prioritizes long poems written by and about women during the Romantic era and does so in context with influential epics by male contemporaries. The book takes its cue from a dramatic increase in the publication of epics in the early nineteenth century. At their most innovative, Romantic epics provoked questions about the construction of ideological meaning and historical memory and they centralized women's experiences in entirely new ways to reflect on defeat, loss, and inevitable transition. For the first time, the epic became an attractive genre for ambitious women poets. The book offers a timely response to recent groundbreaking scholarship on nineteenth century epic by Herbert Tucker and Simon Dentith and should be of interest to Romanticists and scholars of 18th and 19th century literature and history, gender, and genre, and women's studies. Published by University of Delaware Press. Distributed worldwide by Rutgers University Press.

Handbook of British Romanticism Ralf Haekel, 2017-09-11 *The Handbook of British Romanticism* is a state of the art investigation of Romantic literature and theory, a field that probably changed more quickly and more fundamentally than any other traditional era in literary studies. Since the early 1980s, Romantic studies has widened its scope significantly. The canon has been expanded; hitherto ignored genres have been investigated and new topics of research explored. After these profound changes, intensified by the general crisis of literary theory since the turn of the millennium, traditional concepts such as subjectivity, imagination, and the creative genius have lost their status as paradigms defining Romanticism. The handbook will feature discussions of key concepts such as history, class, gender, science, and the use of media, as well as a thorough account of the most central literary genres around the turn of the 19th century. The focus of the book, however, will lie on a discussion of key literary texts in the light of the most recent theoretical developments. Thus, the *Handbook of British Romanticism* will provide students with an introduction to Romantic literature in general and literary scholars with a discussion of innovative and groundbreaking theoretical developments. **Romantic Epics and the Mission of Empire** Matthew

Leporati, 2023-11-16 A lively account of the Romantic era revival of epic literature set against the background of British imperialism's evangelical turn.

The Routledge Companion to Romantic Women Writers Ann R. Hawkins, Catherine S. Blackwell, E. Leigh Bonds, 2022-12-30 *The Routledge Companion to Romantic Women Writers* overviews critical reception for

Romantic women writers from their earliest periodical reviews through the most current scholarship and directs users to avenues of future research It is divided into two parts The first section offers topical discussions on the status of provincial poets on women's engagement in children's literature the relation of women writers to their religious backgrounds the historical backgrounds to women's orientalism and their engagement in debates on slavery and abolition The second part surveys the life and careers of individual women some 47 in all with sections for biography biographical resources works modern editions archival holdings critical reception and avenues for further research The final sections of each essay offer further guidance for researchers including Signatures under which the author published and a List of Works accompanied whenever possible with contemporary prices and publishing formats To facilitate research a robust Works Cited includes all texts mentioned or quoted in the essay

Women's Literary Networks and Romanticism Andrew O. Winckles, Angela Rehbein, 2017-12-12 The eighteenth century witnessed the rapid expansion of literary networks in Britain yet we still lack a complex understanding of how these networks functioned particularly for women This volume addresses this gap arguing that networks not only provided women with access to the literary marketplace but altered their relations to each other their literary production and the broader social sphere

Eighteenth-century Women's Writing and the Methodist Media Revolution Andrew O. Winckles, 2019 This book traces specific cases of how evangelical and Methodist discourse practices interacted with major cultural and literary events during the long eighteenth century from the rise of the novel to the Revolution controversy of the 1790s to the shifting ground for women writers leading up to the Reform era in the 1830s

The Routledge Anthology of British Women Playwrights, 1777-1843 Thomas C. Crochunis, Michael E. Sinatra, 2019-06-10 The Routledge Anthology of British Women Playwrights 1777 1843 brings together ten eclectic plays by female dramatists and writers to stimulate a rich discussion of women writing and theatre history Ranging through tragedy comedy musical theatre and mixed genre texts this volume celebrates the breadth and experimental spirit of women's eighteenth and nineteenth century dramatic writing Each play is accompanied by an introductory essay that addresses its sociopolitical and theatrical contexts and outlines its performance and reception history The selections included here invite teachers and their students to study particular works by authors of note but also to consider the differences between works written for page and stage While many of the plays are recognizable as published dramas they have been placed alongside textual artifacts that suggest plays or theatrical events of which no definitive record exists as well as supplementary materials that invite teachers to engage their students in exploring women's dramatic writing in this era Organized in chronological order The Routledge Anthology of British Women Playwrights 1777 1843 traces a history of women's writing across genres and styles offering an invaluable resource to students and teachers alike

The Encyclopedia of Romantic Literature, 3 Volume Set Frederick Burwick, Nancy Moore Goslee, Diane Long Hoeveler, 2012-01-30 The Encyclopedia of Romantic Literature is an authoritative three volume reference work that covers British artistic literary and intellectual movements between 1780 and 1830 within

the context of European transatlantic and colonial historical and cultural interaction Comprises over 275 entries ranging from 1 000 to 6 500 words arranged in A Z format across three fully cross referenced volumes Written by an international cast of leading and emerging scholars Entries explore genre development in prose poetry and drama of the Romantic period key authors and their works and key themes Also available online as part of the Wiley Blackwell Encyclopedia of Literature providing 24 7 access and powerful searching browsing and cross referencing capabilities George Eliot, Poetess Wendy S. Williams, 2016-04-22 The position of George Eliot's poetry within Victorian poetry and within her own canon is crucial for an accurate picture of the writer as Wendy S Williams shows in her in depth examination of Eliot's poetry and her role as poetess Williams argues that even more clearly than her fiction Eliot's poetry reveals the development of her belief in sympathy as a replacement for orthodox religious views With knowledge of the Bible and a firm understanding of society's expectations for female authorship Eliot consciously participated in a tradition of women poets who relied on feminine piety and poetry to help refine society through compassion and fellow feeling Williams examines Eliot's poetry in relationship to her gender and sexual politics and her shifting religious beliefs showing that Eliot's views on gender and religion informed her adoption of the poetess persona By taking into account Eliot's poetess treatment of community and motherhood Williams suggests readers come to view her not only as a writer of fiction an intellectual and a social commentator but also as a woman who longed to nurture participate in and foster human relationships Feminist Histories and Digital Media Paula Hamilton, Mary Spongberg, 2020-06-09 Addressing current trends in feminist historical and literary scholarship in relation to digital media this book looks at how the field has developed since the first feminist archival research projects were initiated over twenty years ago The contributions to the book explore three key concerns projects which document the history of women's political activism the digitising of primary document archives by women and the impact of digitisation on historical research about women In addition the book sheds light on the way in which historians and literary scholars fuse digital sources with traditional forms such as books and journal articles to imagine different and ground breaking histories of women's experience With the field of feminist history and its relationship to the digital world in a dynamic position the contributions to this volume can be read as signposts for future research in the field posing questions for scholars and readers to explore in more detail This book was originally published as a special issue of Women's History Review

When somebody should go to the book stores, search initiation by shop, shelf by shelf, it is truly problematic. This is why we present the books compilations in this website. It will definitely ease you to see guide **Women Epic And Transition In British Romanticism** as you such as.
