WOMEN, GENDER, and TERRORISM

Women Gender And Terrorism Studies In Security And International Affairs

Nicole Detraz

Women Gender And Terrorism Studies In Security And International Affairs:

Women, Gender, and Terrorism Laura Sjoberg, Caron E. Gentry, 2011-12 In the last decade the world has witnessed a rise in women's participation in terrorism. *Women, Gender and Terrorism* explores women's relationship with terrorism with a keen eye on the political, gender, racial, and cultural dynamics of the contemporary world. Throughout most of the twentieth century it was rare to hear about women terrorists. In the new millennium, however, women have increasingly taken active roles in carrying out suicide bombings, hijacking airplanes, and taking hostages in such places as Palestine, Iraq, Afghanistan, Sri Lanka, Lebanon, and Chechnya. These women terrorists have been the subject of a substantial amount of media and scholarly attention, but the analysis of women, gender, and terrorism has been sparse and riddled with stereotypical thinking about women's capabilities and motivations. In the first section of this volume, contributors offer an overview of women's participation in and relationships with contemporary terrorism, and a historical chapter traces their involvement in the politics and conflicts of Islamic societies. The next section includes empirical and theoretical analysis of terrorist movements in Chechnya, Kashmir, Palestine, and Sri Lanka. The third section turns to women's involvement in al Qaeda and includes critical interrogations of the gendered media and the scholarly presentations of those women. The conclusion offers ways to further explore the subject of gender and terrorism based on the contributions made to the volume. Contributors to *Women, Gender and Terrorism* expand our understanding of terrorism, one of the most troubling and complicated facets of the modern world.

Women, Gender, and Terrorism Laura Sjoberg, Caron E. Gentry, 2011-12-01 In the last decade the world has witnessed a rise in women's participation in terrorism. *Women, Gender and Terrorism* explores women's relationship with terrorism with a keen eye on the political, gender, racial, and cultural dynamics of the contemporary world. Throughout most of the twentieth century it was rare to hear about women terrorists. In the new millennium, however, women have increasingly taken active roles in carrying out suicide bombings, hijacking airplanes, and taking hostages in such places as Palestine, Iraq, Afghanistan, Sri Lanka, Lebanon, and Chechnya. Contributors to *Women, Gender and Terrorism* expand our understanding of terrorism, one of the most troubling and complicated facets of the modern world.

Gender and the Governance of Terrorism and Violent Extremism Ann-Kathrin Rothermel, Laura J.

Shepherd,2023-05-22 This book brings together a variety of innovative perspectives on the inclusion of gender in the governance of counter terrorism and violent extremism Several global governance initiatives launched in recent years have explicitly sought to integrate concern for gender equality and gendered harms into efforts to counter terrorism and violent extremism CT CVE As a result commitments to gender sensitivity and gender equality in international and regional CT CVE initiatives in national action plans and at the level of civil society programming have become a common aspect of the multilevel governance of terrorism and violent extremism In light of these developments there is a need for more systematic analysis of how concerns about gender are being incorporated in the governance of counter terrorism and violent extremism and how it has affected gendered practices and power relations in counterterrorism policy making and implementation Ranging from the processes of global and regional integration of gender into the governance of terrorism via the impact of the shift on government responses to the return of foreign fighters to state and civil society led CVE programming and academic discussions the essays engage with the origins and dynamics behind recent shifts which bring gender to the forefront of the governance of terrorism This book will be of great value to researchers and scholars interested in gender governance and terrorism The chapters in this book were originally published in Critical Studies on Terrorism

International Security and Gender Nicole Detraz,2013-04-24 What does it mean to be secure In the global news we hear stories daily about the wars in Iraq and Afghanistan about domestic level conflicts around the world about the challenges of cybersecurity and social security This broad list highlights the fact that security is an idea with multiple meanings but do we all experience security issues in the same way In this book Nicole Detraz explores the broad terrain of security studies through a gender lens Assumptions about masculinity and femininity play important roles in how we understand and react to security threats By examining issues of militarization peacekeeping terrorism human security and environmental security the book considers how the gender security nexus pushes us to ask different questions and broaden our sphere of analysis Including gender in our analysis of security challenges the primacy of some traditional security concepts and shifts the focus to be more inclusive Without a full understanding of the vulnerabilities and threats associated with security we may miss opportunities to address pressing global problems Our society often expects men and women to play different roles and this is no less true in the realm of security This book demonstrates that security debates exhibit gendered understandings of key concepts and whilst these gendered assumptions may benefit specific people they are often detrimental to others particularly in the key realm of policy making *Countering Violent Extremism* Elizabeth

Pearson,Emily Winterbotham,Katherine E. Brown,2021-02-15 This book presents original research on gender and the power dynamics of diverse forms of violent extremism and efforts to counter them Based on focus group and interview research with some 250 participants in Canada France Germany the Netherlands and UK in 2015 and 2016 it offers insights from communities affected by radicalisation and violent extremism It introduces the concept of gendered radicalisation exploring

how the multiple factors of paths to violent extremist groups social local individual and global can differ for both men and women and why The book also offers a critical analysis of gender and terrorism a summary of current policy in the five countries of study and some of the core gendered assumptions prevalent in interventions to prevent violent extremism a comparison of Jihadi extremism and the far right and a chapter of recommendations This book is of use to academics policy makers students and the general reader interested in better understanding a phenomenon defining our times

Environmental Security and Gender Nicole Detraz, 2014-08-21 Over the past 20 years scholars policymakers and the media have increasingly recognized the links between both traditional and non traditional security issues and the changing condition of the global environment Concepts such as environmental security and resource conflict have been used to hint at these significant linkages While there has been a good deal of scholarly work conducted that seeks to identify the ways that actors link these concepts there has been little examination of the intersection between approaches to environmental security and gender This book explores this intersection to provide an insight into the gendered nature of both global environmental politics and security studies It examines how the issues of security and the environment are linked to theory and practice and the extent to which gender informs these discussions By adopting a feminist environmental security discourse this book provides crucial redefinitions of key concepts and offers new insights into the ways we understand security environment connections Case studies evaluate if and how environment and security discourses are being used to understand a range of environmental issues and how a feminist environmental security discourse contributes to our understanding of security environment connections This multidisciplinary volume draws on literature from the environmental sciences security studies and sociology to highlight the complex human insecurities that often accompany environmental change As conceptualizations of security continue to shift and broaden to include environmental issues and concerns it is imperative that gender informs the debate

Women and Militant Wars Swati Parashar, 2014-03-05 This book explores women s militant activities in insurgent wars and seeks to understand what women do in wars In International Relations inter state conflict anti state armed insurgency and armed militancy are essentially seen as wars where collective violence against civilians and security forces is used to achieve political objectives Extending the notion of war as politics of injury to the armed militancy in Indian administered Kashmir and the Tamil armed insurgency in Sri Lanka this book explores how women participate in militant wars and how that politics not only shapes the gendered understandings of women s identities and bodies but is in turn shaped by them The case studies discussed in the book offer new comparative insight into two different and most prevalent forms of insurgent wars today religio political and ethno nationalist Empirical analyses of women s roles in the Sri Lankan Tamil militant group the LTTE and the logistical ideological support women provide to militant groups active in Indian administered Kashmir suggest that these insurgent wars have their own gender dynamics in recruitment and operational strategies Thus Women and Militant Wars provides an excellent insight into the gender politics of these

insurgencies and women's roles and experiences within them This book will be of much interest to students and scholars of critical war and security studies feminist international relations gender studies terrorism and political violence South Asia studies and IR in general The Law of War and Peace Gina Heathcote, Sara Bertotti, Emily Jones, Sheri A.

Labenski, 2021-01-28 The Law of War and Peace offers a cutting edge analysis of the relationship between law armed conflict gender and peace This book which is the first of two volumes focuses on the interplay between international law and gendered experiences of armed conflict It provides an in depth analysis of the key debates on collective security unilateral force the laws governing conflict terrorism and international criminal law While much of the current scholarship has centered on the UN Security Council's Resolutions on Women Peace and Security this two volume work seeks to move understandings beyond the framework established by WPS It does this through providing a critical and intersectional approach to gender and conflict which is mindful of transnational feminist and queer perspectives Gender Mainstreaming

in Counter-Terrorism Policy Jessica White, 2022-11-24 This book analyzes policy and programming challenges for gender mainstreaming in counter terrorism with examples from comparative case studies of countering violent extremism programming Interest in the issue of gender in security policy and programming has grown over the past several years often with increasing pressure at the international and national levels to ensure commitment to inclusion of women or a gender lens This book provides in depth investigation of how gender can be effectively understood and included in the security process Firstly it adds a timely and effective contribution to the academic conversations around gender in security and how counter terrorism programming can be implemented with human security goals Secondly it offers recommendations for policy makers and practitioners seeking to improve the effectiveness of countering violent extremism program design implementation and evaluation A gender analysis framework is built across the chapters drawing from various feminist analytical perspectives used in International Relations theory The learning from this comparative gender analysis is encapsulated in the last chapter through some recommendations to help move counter terrorism policy toward more transformative gender mainstreaming strategies This book will be of much interest to students of counter terrorism studies countering violent extremism gender studies security studies and International Relations **The Oxford Handbook of Gender and Conflict** Fionnuala Ní Aoláin, Naomi R. Cahn, Dina Francesca Haynes, Nahla Valji, 2018 The authors focus on the multidimensionality of gender in conflict yet they also prioritise the experience of women given both the changing nature of war and the historical de emphasis on women's experiences

Women Gender And Terrorism Studies In Security And International Affairs Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The

advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Women Gender And Terrorism Studies In Security And International Affairs PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Women Gender And Terrorism Studies In Security And International Affairs PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Women Gender And Terrorism Studies In Security And International Affairs free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the

advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Women Gender And Terrorism Studies In Security And International Affairs Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Women Gender And Terrorism Studies In Security And International Affairs is one of the best book in our library for free trial. We provide copy of Women Gender And Terrorism Studies In Security And International Affairs in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Women Gender And Terrorism Studies In Security And International Affairs. Where to download Women Gender And Terrorism Studies In Security And International Affairs online for free? Are you looking for Women Gender And Terrorism Studies In Security And International Affairs PDF? This is definitely going to save you time and cash in something you should think about.
