

The background of the cover is a painting of a desert landscape. In the foreground, a woman in a black dress is kneeling on the ground, her arms raised in a gesture of prayer or despair. Next to her, a small child in a white tunic is also kneeling. The landscape is rocky and arid, with a large rock formation in the middle ground and a bird flying in the sky. The overall tone is somber and evocative.

Women Ideology And Violence Women Ideology And Violence:

Women, Ideology and Violence Cheryl Anderson, 2006-01-01 Cheryl Anderson examines the laws relating to women that are found in the Book of the Covenant and the Deuteronomic law. She argues that the laws can be divided into those that treat women similarly to men defined as inclusive laws and those that treat women differently exclusive laws. She then suggests that the exclusive laws which construct gender as male dominance female subordination do not just describe violence against women but are inherently violent toward women. As a non historical critique of ideology critical theory is used to offer analytical insights that have significant implications for understanding gender constructions in both ancient and contemporary settings.

Towards an Asian American Biblical Hermeneutics Gale A. Yee, 2021-07-28 Asian Americans are the fastest growing racial ethnic population in the United States. Especially since the 1990s readings by Asian American biblical scholars have been increasing to meet the particular theological and pastoral concerns of their Christian racial ethnic seminarians, clergy and churches. Gale A. Yee is one of their major interpreters, becoming the first Asian American and first woman of color president of the oldest professional guild devoted to the critical study of the Bible, the Society of Biblical Literature. This book is an anthology of her major ground breaking essays on Asian American theorizing and analysis of the biblical text. It is a retrospective of her growth of over almost three decades in wrestling with questions like: What is Asian American biblical hermeneutics and how does one undertake it.

Women, Ideology, and Violence Cheryl B. Anderson, 2000 **The Hebrew Bible** Gale A. Yee, 2018-04-01 This volume provides an introduction and essays on the four key sections of the Hebrew Scriptures from the perspective of top female biblical scholars: Part One Torah/Pentateuch, Part Two Deuteronomistic History (Joshua, 2 Kings), Part Three Prophets and Prophecy, and Part Four Writings and the Book of Daniel. This volume highlights key issues in the Hebrew Scriptures from the perspective of top female biblical scholars. This includes historical critical and literary textual analysis and exegesis particularly as viewed through feminist and intersectional interpretive lenses. Intersectional lenses include the racial/ethnic/class, Global South/postcolonial and so forth, and their interconnections with gender. The introduction to the volume by the editor introduces feminist intersectional biblical scholarship, making the case that this scholarship addresses perspectives that are often missing from even very thorough survey texts, feminist and intersectional issues regarding the

women characters sexual assumptions sexual and domestic violence symbolization of women class and race relations and so forth The essays have been created for students who may be encountering feminist biblical and intersectional scholarship for the first time Other contributors to this volume include Carolyn J Sharp Vanessa Lynn Lovelace Corrine L Carvalho Melody Knowles and Judy Fentriss Williams Ancient Laws and Contemporary Controversies Cheryl Anderson, 2009-11-16 Many Christians ignore most Old Testament laws as obsolete or irrelevant Others claim to honor them but in fact pick and choose among them very selectively in support of specific agendas like opposition to homosexual rights Yet it is a basic tenet of Christian doctrine that the faith is contained in both the Old and the New Testament If the law is ignored an important aspect of the faith tradition is denied In this book Cheryl Anderson tackles this problem head on attempting to answer the question whether the laws of the Old Testament are authoritative for Christians today This question is crucial because some Christians actually believe that the New Testament abolishes the law or that the major Protestant reformers Luther Calvin Wesley rejected the law Apropos of Ideology Maria Calzada-Pérez, 2014-04-08 Today's worldwide ideological tensions have captured the interest of such varied disciplines as political science anthropology sociology cultural studies and linguistics There are two primary reasons why translation studies cannot ignore the ideological debate Historically translation has always been a site for ideological clashes In addition globalization is now setting off translational mechanisms even within monolingual artifacts and this calls for the expertise of translation scholars Apropos of Ideology aims to contribute to the broader discussion of ideology by providing a forum for debating ideological issues in translation as well as by bringing together within the pages of a single volume different types of translation research informed by very different research ideologies Adopting a wide definition of ideology as a set of ideas beliefs and codes of behaviour that govern a community by virtue of being regarded as the norm a number of translation scholars look into ideological phenomena as they impinge on the process of translation They consider questions of politics but also reflect upon gender sexuality religion secularity technology and even the very discipline of translation studies At the same time the volume displays the kaleidoscopic complexity of the discipline while providing a strong argument that such diversity of perspectives is highly desirable Contributors include Maria Tymoczko Rosemary Arrojo Christiane Nord Keith Harvey Peter Fawcett Ma Carmen Africa Vidal Christina Sch ffner David Katan Francesco Straniero Sergio and Sehnaz Tahir *Sex Working and the Bible* Aaren Ipsen, 2014-12-18 The Bible contains many stories of prostitution Feminist and liberation readings of these biblical narratives have often made sex workers invisible *Sex Working and the Bible* examines stories of biblical prostitution through the experiences and understanding of sex workers today The Bible narratives ranging across Rahab in the Book of Joshua the story of Solomon and the two prostitutes the anointing women traditions and the apocalyptic vision of the whore of Babylon in Revelation are set within both a practical and theoretical framework This radical book offers a new more inclusive way of approaching issues of gender sexuality and prostitution in the Bible **Handbook of Feminist Family Studies** Sally A.

Lloyd, April L. Few, Katherine R. Allen, 2009-04-14 The Handbook of Feminist Family Studies presents the important theories methodologies and practices in feminist family studies The editors showcase feminist family scholarship providing both a retrospective and a prospective overview of the field and creating a scholarly forum for interpretation and dissemination of feminist work
