Word Biblical Commentary Vol 33b Matthew 14 28:

Matthew 14-28, Volume 33B Donald A. Hagner, 2018-04-24 The Word Biblical Commentary delivers the best in biblical scholarship from the leading scholars of our day who share a commitment to Scripture as divine revelation This series emphasizes a thorough analysis of textual linguistic structural and theological evidence The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor the seminary or university student the working minister and everyone concerned with building theological understanding from a solid base of biblical scholarship Overview of Commentary Organization Introduction covers issues pertaining to the whole book including context date authorship composition interpretive issues purpose and theology Each section of the commentary includes Pericope Bibliography a helpful resource containing the most important works that pertain to each particular pericope Translation the author's own translation of the biblical text reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words phrases and tenses yet in reasonably good English Notes the author's notes to the translation that address any textual variants grammatical forms syntactical constructions basic meanings of words and problems of translation Form Structure Setting a discussion of redaction genre sources and tradition as they concern the origin of the pericope its canonical form and its relation to the biblical and extra biblical contexts in order to illuminate the structure and character of the pericope Rhetorical or compositional features important to understanding the passage are also introduced here Comment verse by verse interpretation of the text and dialogue with other interpreters engaging with current opinion and scholarly research Explanation brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels 1 within the context of the book itself 2 its meaning in the OT or NT 3 its place in the entire canon 4 theological relevance to broader OT or NT issues General Bibliography occurring at the end of each volume this extensive bibliography contains all sources used anywhere in the commentary *Matthew: Matthew 14-28* Donald Alfred Hagner, 1995

Angels Knofel Staton, Leonard Thompson, 2005 [The \(Im\)possibility of Forgiveness](#) Dion Forster, 2019-09-10 The findings from this study go beyond biblical theological scholarship on forgiveness Dion Forster boldly succeeds in showing that creating conditions for deeper human connection transforms impossibility into possibility and shines a light on the face of the Other who can now be forgiven Pumla Gobodo Madikizela Professor and Research Chair of Historical Trauma and Transformation Stellenbosch University Dion Forster refuses to accept the conclusion that understandings of forgiveness may be so different and complex across social racial and cultural groups in South Africa that actual forgiveness may be impossible Using Matthew 18 15 35 as a meeting ground he gathers ordinary Methodist Christians for cross cultural intergroup Bible reading He draws upon the philosophical integral theory of Ken Wilber the insights of intergroup contact theory and the methods of critical biblical exegesis to organize analyse and understand this encounter What emerges is a hopeful conclusion

that differing conceptions of forgiveness its challenges and possibilities can be understood shared and perhaps actualized across social racial and cultural barriers Bruce C Birch Dean and Professor of Biblical Theology Wesley Theological Seminary Reading Dion Forster on the impossibility of forgiveness I was once again struck by our desperate need to learn more about ourselves and one another but also about the meaning of forgiveness in our respective communities This is an excellent example of the potential of Intercultural Bible Reading Forster not only makes an outstanding academic contribution with implications for New Testament studies Systematic and Public Theology but also for flesh and blood communities wrestling with the possibilities and perils of forgiveness Juliana Claassens Professor of Old Testament Studies and Head of Department Chair of the Gender Unit Stellenbosch University This book deals with contested and topical matters Biblical hermeneutics has always been contested how to read and understand Biblical passages Things become even more contested when such passages are read inter culturally they become even more contested when the words are about contested personal and social issues like Jesus words on forgiveness in Matthew 18 Empirical studies like this show how deeply contested such readings truly are in the context of South African churches with their painful histories of division and conflict Future academic work will therefore benefit from the creative and careful methodological approach developed in this study However this book offers much more than academic promise precisely because of the theme so topical today and without doubt topical for a long time to come and in many other places in our contemporary world as well Forster offers resources for reading and conversation for everyone concerned with public life today This is public theology in action showing how faith matters without prescribing answers but rather by invitation to join an informed discussion Dirk J Smit The Rimmer and Ruth deVries Professor of Reformed Theology and Public Life Princeton Theological Seminary *Rapture or Tribulation* Richard W. Tow, 2022-04-04 We find ourselves in an hour that requires great spiritual preparation for the unique dynamics that are still ahead for the church Israel and the world as it is and will be I am thankful for any and every resource that gives courage to godly men and women to see where the world is going and embrace the unique role that the church serves this generation Therefore I am thankful for Richard Tow and his timely service to the body of Christ in laboring to produce this important book A generation of believers young and old are searching for biblical truth with depth on the subject of the return of Jesus because of the recent escalation of trouble and darkness I highly recommend that Richard's book be a priority for any searching for a clearer sense of the why behind the what of the timing of the Tribulation that precedes the Lord's return David Sliker President International House of Prayer University My friend and fellow minister for many years Richard Tow has written a must read book if you are interested in eschatology His comprehensive scholarly non dogmatic research of Scripture and the positions held on the Tribulation and the Rapture of the church leave it up to the individual reader to decide for him or herself which view to espouse Rapture or Tribulation is the kindest most thorough book I have read on the topic Dr Loren Houlberg Professor Author and Regional Pastor for the Foursquare Church **The Time Is Near** Ian Foley,

PhD,2014-10-02 Evidence is accumulating that the current global civilization we enjoy is rapidly moving toward a crisis of expensive resources water security global warming and potential military conflict centred in the Middle East The Bible suggests that God anticipated the situation we see today as an inevitable outcome of our selfishness and greed In this first of two volumes author Ian Foley proposes the idea that the decline and collapse of this civilisation is part of the end time picture that the Bible gives The Old Testament book of Daniel lays out the first half of this picture starting from the Jewish exile to Babylon at the beginning of the sixth century BC and tracing the rise and fall of ancient empires It then introduces the founder of the final empire which will be completed when Jesus returns Through all this history Daniel depicts the tiny nation of Israel surviving exactly as the prophet Jeremiah predicted Like an unfolding detective story God s drama is revealed piece by piece so that we gradually come to understand up until the fall of the Roman Empire with the final exciting revelation in Daniel 11 12 completing the picture This study begins to reveal why there is so much confusion with our end time theologies and suggests a new revelation that is clearer and less ambiguous integrating the books of Daniel and Revelation into a single unambiguous message *The Tripersonal God* Gerald O'Collins,2014-05-14 Examines the Old Testament roots of trinitarian thought the historical developments that gave rise to the doctrine of the trinity and contemporary thinking about trinitarian issues Russel Botman Albert Grundlingh,Ruda Landman,Nico Koopman,2017-10-01 This celebratory volume tells the story of the late Russel Hayman Botman who died suddenly early in his second term as Rector and Vice Chancellor of Stellenbosch University Botman s story is told from his earliest childhood years until his last day as rector The nature of tributes and celebratory volumes is that it can never be exhaustive It tells a rich story from limited perspectives It however serves as invitation stimulus and inspiration to others connected to Botman to also tell their stories about his story **Serving a Crucified King** Jesse Steven Wheeler,2021-11-11 Serving a Crucified King speaks to a growing crisis within the contemporary church one of misplaced allegiance and misguided discipleship If Jesus Christ is who we claim him to be then we must ask ourselves Are we truly conducting our lives and constructing our communities in light of that astonishing reality But as long as the contemporary church continues to act in a manner so seemingly at odds with the mission and message of Jesus it remains in a state of emergency Albeit a serious charge solving this crisis is of the utmost importance if we are to live once again in faithful obedience to Jesus Christ as king The magnitude of the problem necessitates the establishment of a movement of kingdom citizens devoted to the cruciform reign of Christ and committed to a wholesale transformation in thinking and practice within the church To this end Serving a Crucified King is a clarion call back to the real work of being a disciple of Jesus in our society Expect to have your thinking challenged your heart moved and your action re oriented **The Man of Sin** Kim Riddlebarger,2006-06-01 The doctrine of the Antichrist is one of the most interesting doctrines found in Scripture says author Kim Riddlebarger Unfortunately it s also one which has been subject to far more speculation than sound biblical exegesis Until now Unlike other resources available on the

Antichrist The Man of Sin focuses on Scripture not contemporary events to uncover the truth about this mysterious entity. With skilled exegesis Riddlebarger asserts that contrary to popular speculation the Antichrist is not a singular individual but a series of beings that will arise to challenge Christ throughout the inter advental age before culminating in an end times Antichrist. Backing this claim first in Scripture Riddlebarger also draws from historical teachings including those of the church fathers the Reformation and historic Protestantism before contrasting this evidence to the sensational interpretations of many contemporary writers. Pastors teachers and study groups wanting to understand the doctrine of the Antichrist will find The Man of Sin to be a unique and comprehensive study.
