Work A Kingdom Perspective On Labor:

Work Ben Witherington, 2011-02-01 Most Christians spend most of their waking hours working yet many regard work as at best a necessary evil just one more unfortunate by product of humanity's fall from grace Not so says Ben Witherington III and in *Work A Kingdom Perspective on Labor* he considers work as neither the curse nor the cure of human life but rather as something good that God has given us to do In this brief primer on the biblical theology and ethics of work Witherington carefully unpacks the concept of work considering its relationship to rest play worship the normal cycle of human life and the coming Kingdom of God Work as calling work as ministry work as a way to make a living and the notably unbiblical notion of retirement Witherington's *Work* engages these subjects and more combining scholarly acumen with good humor common sense cultural awareness and biblically based insights from Genesis to Revelation Ben Witherington has given the whole people of God something desperately needed to make sense of Monday to Friday a theology of work that breaks down the heretical sacred secular distinction Offers a work view and life view that if embraced would revitalize the mission of God's people in the world It's that good R Paul Stevens author of *The Other Six Days* and *Taking Your Soul to Work* Conducting a critical dialogue with the theological voices of our day drawing upon the wisdom of the Christian tradition and offering a sensitive reading of New Testament parables Witherington delivers sound counsel on the Kingdom meaning of work and its implications for our lives today Lee Hardy author of *The Fabric of This World*

The Rest of Life Ben Witherington III, Ben Witherington, 2012-11-16 When was the last time you heard a sermon on the theological importance of play What do rest eating studying and sex have to do with the Kingdom of God Strangely although these activities together take up much of our time they seldom receive much discussion from a biblical point of view In *The Rest of Life* Ben Witherington explores these subjects in the light of biblical teaching about the Kingdom of God and the Christian hope for the future He shows why and how all the normal activities of life should be done to the glory of God and for the edification of others Focusing as it does on practical everyday matters in an accessible style this topical study is ideal for both individual reading and small group discussion

Work Worth Doing Tom Heetderks, 2020-04-07 Find More Than Just a Job Are you in college just starting in the workforce or simply trying to figure out what to do with your life Keep reading We all need to pay bills and keep a roof over our head but real satisfaction comes when we pursue careers filled with meaning and purpose according to God's plan for our lives No matter where you're at now you can find that kind of fulfillment in a career This book will show you how Here's a hint It's less about the kind of work you do but how you do it and whom you're doing it for Once you understand the why behind work you'll be able to move forward in a career with confidence be prepared to embrace change and be equipped to approach your job with a whole heart one that is fully submitted to God and ready for what He's called you to do That is truly work worth doing

Work Matters R. Paul Stevens, 2012-05-31 Marketplace theology expert R Paul Stevens revisits more than twenty biblical accounts from Genesis to Revelation exploring through them the theological meaning of every sort

of work manual or intellectual domestic or commercial from publisher description The Kingdom of God in Working Clothes R. Paul Stevens, 2022-08-05 Work occupies most of our waking time whether it is in a factory office school or at home But unfortunately most people of faith separate their working life from their worshipping life Dualism is a pernicious heresy that has infected believers worldwide namely that church work and missionary service are holy and our everyday work is secular In this timely volume Stevens explores the connection of the kingdom of God the master thought of Jesus with the marketplace Traditionally people have either related the kingdom of God God's new world coming either exclusively for the present or only for the distant future But it is both now and coming This gives meaning hope and endurance to our work in the world So daily labor in the marketplace gets reoriented through salty values and ingrained virtues We become double agent spies exploring the new world coming in everyday life We can also grapple helpfully with the resistance we face daily in the workplace There are many books on the kingdom of God and many on work Few have brought these two vital arenas of everyday service together It is indeed part of the good news Working Blessedly Forever, Volume 1 R. Paul Stevens, 2024-02-20 Work whether from home in cyberspace or in a factory or office occupies a major chunk of our time energy and soul This book seeks to make sense of our work in the world through adapting the pithy statement of the Puritan William Perkins to define marketplace theology as the science of working blessedly forever It is a science involving investigation but not just with the head thought but also with heart prayer and hand practice But it is a science of working So the book investigates a theology of work undertaken in the light of God's blessing and purpose And our work is not just for this life but forever since some of it could last into the new heaven and new earth where guess what Scripture says we will work as fully human and resurrected beings Stevens gathers his lifetime of research and teaching into this book showing through biblical research and contemporary analysis the meaning of work and human enterprise It could change your lifestyle your work style and your soul *Workplace Discipleship 101* David Gill, 2021-10-05 Workplace Discipleship 101 contains encouragement and practical advice for Christians who are serious about living out their faith in their daily work lives This book is packed with simple practical suggestions organized in an intuitive format with straightforward language Answering questions such as How can I serve Jesus while I'm at work and What does it look like to follow Jesus in my field of work this book provides Christians with practical insight and biblical inspiration no matter where they work The book is split into three main sections Preparation how to get ready Presence what we do at work and Post Workplace beyond the workplace Key points and features Biblically and theologically based Presents information in an easy understandable way Discusses the importance of work and discipleship Offers insightful questions for application Fills a hole in the growing faith at work genre of literature Few people I know have thought more deeply and practically about the integration of the Christian faith in the workplace than David Gill In Workplace Discipleship 101 David Gill's keen intellect ethical clarity and encouraging heart frame a persuasive and practical guide for all apprentices of Jesus who long to embrace an integral faith

Themelios, Volume 36, Issue 3 D. A. Carson, 2015-01-27 Themelios is an international evangelical peer reviewed theological journal that expounds and defends the historic Christian faith Themelios is published three times a year online at The Gospel Coalition <http://thegospelcoalition.org/themelios> and in print by Wipf and Stock Its primary audience is theological students and pastors though scholars read it as well Themelios began in 1975 and was operated by RTSF UCCF in the UK and it became a digital journal operated by The Gospel Coalition in 2008 The editorial team draws participants from across the globe as editors essayists and reviewers General Editor D A Carson Trinity Evangelical Divinity School Managing Editor Brian Tabb Bethlehem College and Seminary Consulting Editor Michael J Ovey Oak Hill Theological College Administrator Andrew David Naselli Bethlehem College and Seminary Book Review Editors Jerry Hwang Singapore Bible College Alan Thompson Sydney Missionary Nathan A Finn Southeastern Baptist Theological Seminary Hans Madueme Covenant College Dane Ortlund Crossway Jason Sexton Golden Gate Baptist Seminary Editorial Board Gerald Bray Beeson Divinity School Lee Gatiss Wales Evangelical School of Theology Paul Helseth University of Northwestern St Paul Paul House Beeson Divinity School Ken Magnuson The Southern Baptist Theological Seminary Jonathan Pennington The Southern Baptist Theological Seminary James Robson Wycliffe Hall Mark D Thompson Moore Theological College Paul Williamson Moore Theological College Stephen Witmer Pepperell Christian Fellowship Robert Yarbrough Covenant Seminary **Public Faith in Action** Miroslav Volf, Ryan McAnnally-Linz, 2017-09-19 Celebrated Theologian Offers Wisdom for Civic Engagement Christian citizens have a responsibility to make political and ethical judgments in light of their faith and to participate in the public lives of their communities from their local neighborhoods to the national scene But it can be difficult to discern who to vote for which policies to support and how to respond to the social and cultural trends of our time This nonpartisan handbook offers Christians practical guidance for thinking through complicated public issues and faithfully following Jesus as citizens of their countries The book focuses on enduring Christian commitments that should guide readers in their judgments and encourages legitimate debate among Christians over how to live out core values The book also includes lists of resources for further reflection in each chapter and room for debate questions to consider *Worth Doing* W. David Buschart, Ryan Tafilowski, 2025-11-25 Reimagine Your Theology of Faith and Work Conversations about faith and work often miss an important truth limitations are not a problem they re a key part of what it means to be human Work has always been part of humanity s purpose but we re no longer in the perfect Garden of Eden nor are we in the future new heavens and new earth To truly address the challenges of work we need a new theological perspective In *Worth Doing* David Buschart and Ryan Tafilowski embrace the realities of limitations challenging the myths of You are what you do and Do what you love Instead they propose a theology of work that affirms the goodness of human limits while addressing the realities of fallenness

offering hope for those who may not find deep fulfillment in their daily jobs Buschart and Tafilowski outline a new vision of work that resonates with all workers recognizing that every job has value even when it doesn't align with idealized notions of purpose or calling By embracing this perspective people can find new ways to approach daily labor even when it doesn't feel deeply fulfilling In *Worth Doing* readers will Gain a theology of work that moves beyond only ideas of productivity or calling Learn how to embrace human limitations as part of God's good design Reflect on the ways work connects to broader questions of purpose and human flourishing *Worth Doing* invites readers to consider their limitations as valuable aspects of their vocational journey offering a thoughtful framework for addressing the complexities of work This book is particularly relevant for theologians examining the intersections of work faith and rest Christian educators and leaders in the faith and work space By moving beyond conventional theological approaches to faith and work *Worth Doing* presents a hopeful and theologically rich perspective on vocation that acknowledges and embraces human limitations
