Worker In The Cane A Puerto Rican Life History:

Worker in the Cane Sidney Wilfred Mintz, 1974 *Worker in the Cane* is both a profound social document and a moving spiritual testimony Don Taso portrays his harsh childhood his courtship and early marriage his grim struggle to provide for his family He tells of his radical political beliefs and union activity during the Depression and describes his hardships when he was blacklisted because of his outspoken convictions Embittered by his continuing poverty and by a serious illness he undergoes a dramatic cure and becomes converted to a Protestant revivalist sect In the concluding chapters the author interprets Don Taso's experience in the light of the changing patterns of life in rural Puerto Rico This is the absorbing story of Don Taso a Puerto Rican sugar cane worker and of his family and the village in which he lives Told largely in his own words it is a vivid account of the drastic changes taking place in Puerto Rico as he sees them Worker in the Cane Sidney W. Howard, 2015-06-15 Early in the twentieth century the Cuban sugarcane industry faced a labor crisis when Cuban and European workers balked at the inhumane conditions they endured in the cane fields Rather than reforming their practices sugar companies gained permission from the Cuban government to import thousands of black workers from other Caribbean colonies primarily Haiti and Jamaica Black Labor White Sugar illuminates the story of these immigrants their exploitation by the sugarcane companies and the strategies they used to fight back Philip A Howard traces the socioeconomic and political circumstances

in Haiti and Jamaica that led men to leave their homelands to cut load and haul sugarcane in Cuba Once there the field workers or braceros were subject to marginalization and even violence from the sugar companies which used structures of race ethnicity color and class to subjugate these laborers Howard argues that braceros drew on their cultural identities from concepts of home and family to spiritual worldviews to interpret and contest their experiences in Cuba They also fought against their exploitation in more overt ways As labor conditions worsened in response to falling sugar prices the principles of anarcho syndicalism converged with the Pan African philosophy of Marcus Garvey to foster the evolution of a protest culture among black Caribbean laborers By the mid 1920s this identity encouraged many braceros to participate in strikes that sought to improve wages as well as living and working conditions The first full length exploration of Haitian and Jamaican workers in the Cuban sugarcane industry Black Labor White Sugar examines the industry s abuse of thousands of black Caribbean immigrants and the braceros answering struggle for power and self definition *Islanders in the Empire* JoAnna Poblete, 2014-06-30 In the early 1900s workers from new U S colonies in the Philippines and Puerto Rico held unusual legal status Denied citizenship they nonetheless had the right to move freely in and out of U S jurisdiction As a result Filipinos and Puerto Ricans could seek jobs in the United States and its territories despite the anti immigration policies in place at the time JoAnna Poblete s *Islanders in the Empire* Filipino and Puerto Rican Laborers in Hawai i takes an in depth look at how the two groups fared in a third new colony Hawai i Using plantation documents missionary records government documents and oral histories Poblete analyzes how the workers interacted with Hawaiian government structures and businesses how U S policies for colonial workers differed from those for citizens or foreigners and how policies aided corporate and imperial interests A rare tandem study of two groups at work on foreign soil *Islanders in the Empire* offers a new perspective on American imperialism and labor issues of the era
