Lyn K. Slater, Kara R. Finck

Working With The Law:

Working with the Law Raymond N. Holliwell, 1992 **The Oxford Handbook of the Law of Work**, 2024-07-31 At the core of all societies and economies are human beings deploying their energies and talents in productive activities that is at work The law governing human productive activity is a large part of what determines outcomes in terms of social justice material wellbeing and the sustainability of both It is hardly surprising therefore that work is heavily regulated This Handbook examines the law of work a term that includes legislation setting employment standards collective labour law workplace discrimination law the law regulating the contract of employment and international labour law It covers the regulation of relations between employer and employee as well as labour unions but also discussions on the contested boundaries and efforts to expand the scope of some laws regulating work beyond the traditional boundaries Written by a team of experts in the field of labour law the Handbook offers a comprehensive review and analysis both theoretical and critical It includes 60 chapters divided into four parts Part A establishes the fundamentals including the historical development of the law of work why it is needed the conceptual building blocks and the unsettled boundaries Part B considers the core concerns of the law of work including the contract of employment doctrines main protections in employment legislation the regulation of collective relations discrimination and human rights Part C looks at the international and transnational dimension of the law of work The final Part examines overarching themes including discussion of recent developments such as gig work online work artificial intelligence at work sustainable development amongst others **Social Work and the Law** Chris Maylea, 2019-12-04 This exciting new textbook introduces students to the key aspects of the law and legal frameworks essential for social work practice in Australia Simple and easy to read it communicates the complex legal concepts in practice in ways students can easily understand With a focus on human rights and ethical conduct it is both concept based examining the ways of thinking and understanding law and social work interactions and topic based exploring the different specific areas of law which social workers are most likely to come into contact with This is essential reading for any student taking a unit in Social Work Law Specific to Australia it accounts for Australian jurisdictions and can be easily integrated into the classroom context with case studies questions for discussion and links to further resources including interactive resources and a website to support further learning and provide updates to changes in the law between editions **Maritime Work Law Fundamentals: Responsible Shipowners, Reliable Seafarers** Iliana Christodoulou-Varotsi, Dmitry A. Pentsov, 2007-10-31 The importance of international maritime labour law both as a component of international maritime law and in socio political and economic terms has been recognised by the IMO International Maritime Law Institute for a number of years Indeed the Institute has annually organised a course on maritime labour law with the participation of inter alia the International Maritime Organization the International Labour Organization the International Transport Workers Federation and the German Shipowners Association It was therefore a great pleasure

when the authors invited me to introduce their forthcoming monograph on Maritime Work Law Fundamentals Responsible S
 powners Reliable Seafarers As the title suggests a fundamental challenge of this branch of international maritime law is to
 achieve a balance between the interests of the two main stakeholders Institutionally the effort to achieve this balance dates
 back a number of decades with its genesis mainly found in the work of the International Labour Organization It has to be said
 that whilst this effort achieved great progress it has led to a haphazard plethora of legal instruments

Working with the Law Raymond Holliwell, 2022 **Working with the Law** Raymond Neff Holliwell, 1942 **Social Work Practice and the Law** Lyn K. Slater, Kara R. Finck, 2011-10-17 This is the first book to give social workers the tools to understand their clients
 legal needs and rights and to address them collaboratively and effectively Lyn Slater and Kara Finck ground their text in a
 comprehensive grasp of the legal system and the inequities of race class and gender that shape clients experiences Social
 Work Practice and the Law is a powerful call for social workers to be passionate and skillful advocates for their clients
 Essential reading for social workers and lawyers alike who serve low income people entangled in systems that so often fail
 them Dorothy Roberts JD Kirkland Ellis Professor Northwestern University School of Law Author Shattered Bonds The Color
 of Child Welfare Based on the author s innovative and nationally recognized prototype for inter professional work at Fordham
 University this is the only volume about social work and the legal system that is written from the social worker s perspective
 Devoid of legalese the book is designed to help social workers develop the ability to reappraise question and challenge the
 law to best serve their clients It aims to promote the development of a more strategic relationship with the legal system a
 partnership that can achieve more creative and just solutions to social problems Exhaustive in scope Social Work and the
 Law identifies current national and international trends and legal movements that support and invite inter professional
 critically competent social work participation The book also identifies and explains the essential knowledge skills values and
 attitudes necessary for the attainment of collaborative critical competence when interacting with the legal system Each
 chapter includes vivid case studies based on actual collaborations that illustrate the application of theory to practice
 Chapters also include legal social work and evidence based resources Key Features Promotes a proactive approach to the
 ways in which social workers can use law to promote clients best interests Addresses all domains of social work practice
 child welfare housing law educational access disability law benefits and more Offers abundant case studies taken from the
 authors real life work Devoid of legalese and written from a social worker s perspective

Social Work Law, Ethics & Social Policy Muna Sabbagh, Gillian Korgaonkar, 2021-12-15 Are you a social work student looking to understand how the
 law ethics and social policy interrelate in practice Then look no further Whether you a student or Newly Qualified Social
 Worker working with children and families or adults at risk of harm this practical guide will equip you with the knowledge
 and skills you need to fulfil your professional responsibilities and practice with confidence This book covers all the areas of
 law you need to know social work with children and families vulnerable adults and social issues such as welfare and

homelessness Each section concludes with a discussion of how social policy and ethics relate to each area of social work law This gives real world context to what you have learnt alongside thought boxes exercises and case studies in each chapter to further encourage reflection and put theory into practice

Making Law Work Mattias Burell, Marina Svensson, 2011-04-30 By studying law implementation in different areas and at different levels contributors from various disciplines give a nuanced picture of law implementation in China showing that it is rare to find examples of complete success or failure Instead making law work in actual practice and in any society is a matter of degree The study is multidisciplinary in character and builds on insights from both sociology of law and political science The World's Work, 1919 A history of our time

Working With The Law Introduction

In the digital age, access to information has become easier than ever before. The ability to download Working With The Law has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Working With The Law has opened up a world of possibilities. Downloading Working With The Law provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Working With The Law has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Working With The Law. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Working With The Law. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Working With The Law, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites.

they are downloading from. In conclusion, the ability to download Working With The Law has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
