Working with Youth Violence Tamara Blakemore, Louise Rak, Chris Krogh, Shaun McCarthy, Graeme Stuart, 2023-12-01 Relevant for experienced and emerging social work and human service practitioners alike, this book explores the uniquely challenging yet seemingly ubiquitous issue of youth violence. It provides an authentic and accessible discussion of the theories and evidence that inform practice with youth violence alongside the voices of practitioners and the young people they work with. These voices are drawn from work with the Name Narrate Navigate (NNN) program for youth violence. NNN provides a trauma-informed, culturally safe preventive intervention for young people who use and experience violence and specialist training for the workers who support them. The program embraces creative methods as a bridge between contemporary evidence on trauma and violence and Aboriginal healing practice. The dual focus of the program is informed and interconnected by action research involving Aboriginal Elders and community members, practitioners and key service stakeholders including young people with a lived experience of violence. This book is ideal for use in professional cross-disciplinary programs such as criminology, sociology, social work and psychology across post-secondary, vocational and university sectors.
