When the Holy Ghost Is Come Samuel Brengle, Revival Press, 2017-06-13

IT is no small pleasure to me to commend this book to all who love God and in particular to those who are labouring to serve Him in the ranks of The Salvation Army I believe that it will prove useful in the most important way in its bearing that is upon many of the practical difficulties and problems of daily life The writer Colonel Brengle gives us not only of the fruit of an orderly and well stored mind on the great subject before us but and this is the more important he tells us of the actual work of the Holy Spirit in the lives of ordinary men and women as he has witnessed the results of that work amidst his many labours for the salvation and holiness of the people It is for them he writes It is to them living the common life bound to others by the obligations of ordinary social intercourse toiling at their secular occupations and rubbing shoulders with the multitude in the market place that his message comes I venture to hope that his words will make it plain to some of them that the highest intercourse with the divine is their privilege that the special province of the Holy Ghost is to lead men into the truest devotion to God and to the advancement of His kingdom on earth even while they are carrying on the common avocations associated with earning their daily bread The only purpose of God having a practical bearing on our lives is His purpose to save men from sin and its awful consequences and make them conform to His will in this world as in the next The work of the Holy Spirit is to help us to achieve that purpose Without His help we are unable to overcome the difficulties that are in the way whether we consider them from the standpoint of the world or of the individual If anyone could have looked at the state of the world at the time of our Lord s death he would surely have regarded the work which the apostles were commissioned to attempt as the most utterly wild and impracticable enterprise that the human mind could conceive And it was so but for one fact That fact was the promise of the Comforter the Holy Spirit to be the great Helper in the undertaking And equally in the work of uniting the individual soul with God s purpose that Spirit is our Helper In the work of righteousness He is a Partner with us In the life of faith and prayer He is our unwavering Prompter and Guide In the submission of our wills to God and the chastening of our spirits He is the great Coworker with us In the bearing of burdens and the enduring of trial and sorrow He joins hands with us to lead us on In the purifying of every power from the taint of sin He is our Sanctifier All this is practical It has to do with today with every bit of today In fact so far from the sphere of the Holy Spirit being limited to the pulpit or the platform or to the inward experiences of the religious life He is just as truly and

properly concerned with the affairs of the shop and the street the nursery and the kitchen the chamber of suffering and the home of penury as with preaching the gospel or healing the sick Now it is to lead its readers to a personal experience of all this that this book has been written No mere intellectual assent to the truth it sets forth can satisfy its author any more than it can benefit his readers What he seeks and what I join him in devoutly asking of God is that you dear friend who may take this little volume into your hands may see what an infinite privilege is yours and may begin to act with God the Holy Ghost and to open your whole being to Him that He may work with you

Samuel Logan Brengle When the Holy Ghost is Come Samuel Logan Brengle, 2019-05-06 If you ask how the Holy Spirit can dwell within us and work through us without destroying our personality I cannot tell How can electric impulses fill and transform a dead wire into a live one which you dare not touch How can a magnetic current fill a piece of steel and transform it into a mighty force which by its touch can raise tons of iron

as a child would lift a feather How can fire dwell in a piece of iron until its very appearance is that of fire and it becomes a firebrand I cannot tell Now what fire and electricity and magnetism do in iron and steel the Holy Spirit does in the spirits of men who believe on Jesus follow Him wholly and trust Him intelligently He dwells in them and inspires them till they are all alive with the very life of God The transformation wrought in men by the baptism with the Holy Ghost and the power that fills them are amazing beyond measure Samuel Logan Brengle Heart Talks on Holiness Samuel Logan Brengle,2015-12-05
