Votes For Women The Struggle For Suffrage Revisited Viewpoints On American Culture:

Votes for Women Jean Harvey Baker, 2023 *Votes For Women* contains 11 original essays about the struggle for suffrage which allows readers the opportunity to revisit an important American political and social movement *Votes for Women* Jean H. Baker, 2002-03-14 In *Votes For Women* Jean H Baker has assembled an impressive collection of new scholarship on the struggle of American women for the suffrage Each of the eleven essays illuminates some aspect of the long battle that lasted from the 1850s to the passage of the suffrage amendment in 1920 From the movement's antecedents in the minds of women like Mary Wollstonecraft and Frances Wright to the historic gathering at Seneca Falls in 1848 to the civil disobedience during World War I orchestrated by the National Woman's Party the essential elements of this tumultuous story emerge in these finely tuned chapters So too do the themes and historical controversies about suffrage and its leaders including Susan B Anthony Elizabeth Cady Stanton Sojourner Truth and Alice Paul Contributors focus on how the suffrage battle was interwoven with constitutional issues at the federal and state level and how the suffrage struggle played out in different regions especially the West and the South as well as the activities of opponents to women's voting Baker's introductory essay sets the stage for revisiting suffrage by making explicit the similarities and differences in interpretations of suffrage and shows how the movement intersected with other events in American history and cannot be studied in isolation from them This volume is essential reading for those interested in American politics and women's formal participation in it

Artifacts from Modern America Helen Sheumaker, 2017-11-03 This intriguing book examines how material objects of the 20th century ranging from articles of clothing to tools and weapons communication devices and toys and games reflect dominant ideas and testify to the ways social change happens Objects of everyday life tell stories about the ways everyday Americans lived Some are private or personal things such as Maidenform brassiere or a pair of patched blue jeans Some are public by definition such as the bus Rosa Parks boarded and refused to move back for a white passenger Some material things or inventions reflect the ways public policy affected the lives of Americans such as the Enovid birth control pill An invention like the electric wheelchair benefited both the private and public spheres it eased the lives of physically disabled individuals and it played a role in assisting those with disabilities to campaign successfully for broader civil rights *Artifacts from Modern America* demonstrates how dozens of the material objects items technologies or inventions of the 20th century serve as a window into a period of history After an introductory discussion of how to approach material culture the world of things to better understand the American past essays describe objects from the previous century that made a wide ranging or long lasting impact The chapters reflect the ways that communication devices objects of religious life household appliances vehicles and tools and weapons changed the lives of everyday Americans Readers will learn how to use material culture in their own research through the book's detailed examples of how interpreting the historical cultural and social context of objects can provide a better understanding of the 20th century experience [Ladies' Day at the Capitol](#)

Lauren Kozakiewicz,2022-11-01 Ladies Day at the Capitol integrates for the first time the history of New York s women lawmakers with the larger story of New York State politics Through extensive research and interviews Lauren Kozakiewicz documents New York women s actions as elected officials between 1919 and 1992 and explores how gendered ideas affected their careers and ability to represent women s voices in government Ladies Day at the Capitol offers a general framework for understanding the women s legislative careers over time while also providing a deeper look at key lawmakers specific histories The study broadens out to include chapters on creating representative organizations of women legislators and women s efforts to champion specific issues It builds off earlier studies of state legislators that treated women in the aggregate It complements other more recent work that takes a state centered approach to the history of the woman politician It is unique in the degree to which chapters on New York s political history and women s efforts to win the vote in New York give the reader essential context for the historical analysis [Latina Legacies](#) Vicki L. Ruiz,Virginia Sánchez Korrol,2005-03-10 Spanning two centuries this collection documents the lives of fifteen remarkable Latinas who witnessed defined defied and wrote about the forces that shaped their lives As entrepreneurs community activists mystics educators feminists labor organizers artists and entertainers Latinas used the power of the pen to traverse and transgress cultural conventions *The Oxford Handbook of American Political History* Paula Baker,Donald T. Critchlow,2020 This collection of essays by twenty nine distinguished scholars provides readers with a complete overview of American politics and policy that can be found in any single volume These essays reveal that American politics historically is volatile not given easily to civility and polarizing at the same time they explore important political developments in addressing real issues confronting the nation and the world [America, History and Life](#) ,2004 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide **Program of the ... Annual Meeting** Organization of American Historians. Meeting,2002 **American Public Life and the Historical Imagination** Wendy Gamber,2003 By applying various critical historical strategies and methodologies to the study of 19th and 20th century American public life this volume unearths fascinating chronicles in American history such as the alliance of the Anti Saloon League and the Klu Klux Klan **Current Geographical Publications** University of Wisconsin--Milwaukee. Library,2002 Current Geographical Publications CGP is a non profit service to the scholarly community initiated in 1938 by the American Geographical Society of New York Beginning in 2006 the format changed to include the tables of contents of current geographical journals The journal titles listed link to web pages or PDF scans of the current issue s contents *A History of Women in the United States* Doris Weatherford,2004 This four volume reference is intended for high school students and above as well as the general public The first volume opens with introductory essays on the history of feminism on women in various eras from early America through World War II and postwar eras and on women s history in terms of political participation and social activism race and ethnicity and cultural representation These essays are signed and include

references Following are alphabetically arranged state articles each opening with a literary quote by a woman and comprising a narrative history supplemented with boxed features spotlighting events people and trends a timeline a biographical section on prominent women a description of relevant sites resources a state map primary document excerpts and a chart of key statistical information Appendices include a chronology primary documents statistical tables and an extensive general bibliography Numerous scholars contributed working under the editorial leadership of Weatherford U of South Florida Annotation 2004 Book News Inc Portland OR booknews com **American Book Publishing Record**, 2002

The Wayward Woman Barbara Antoniazzi, 2014-06-18 The Wayward Woman takes a fresh look at the Progressive Era recasting the turn of the century debate on gender roles and prostitution Recapitulating and transcending extant studies of female delinquency prostitution literature and Progressive womanhood this work understands female waywardness as the critical intersection between the rise of female emancipation and the panic inspired by the period's obsession with sexual enslavement Concurrently it explores the Progressive ambivalence about compassion and control which unfolded alongside a war on prostitution that traversed the realms of law medicine literature and politics Drawing on theories of performativity the author develops the wayward woman as a capacious analytical category that encompasses all women who countering the residual injunction of domesticity brought new forms of femininity into the light of the public sphere the activist the professional and the divorcee but also the female breadwinner the charity girl and the urban woman of color among many others The book investigates the continuum of waywardness that stretches from the high minded New Woman to the ever victimized white slave as a cultural battlefield where numerous women stepped across the boundaries of class race and respectability to claim new public personas At the same time it reads the preoccupation with white slavery both as a symptom of and an antidote to this wave of change Through an innovating collection of sources which brings together sociological writings novels plays movies and legal documents the book rearticulates the tensions of the Progressive Era between gender roles blackness and whiteness reformers and reformed the citizens and the state The Wayward Woman will be of much interest to students and scholars in the fields of American studies women studies and performance studies

Current Publications in Legal and Related Fields, 2002 **Program of the ... Annual Meeting** American Historical Association.
