MY OWN STORY - The Emmeline Pankhurst Story Emmeline Pankhurst, 2018-11-15

The closing paragraphs of this book were written in the late summer of 1914 when the armies of every great power in Europe called upon their citizens and the citizens of their colonies to mobilise for savage unsparing barbarous warfare against one another against small and unaggressive nations against helpless women and children and against civilisation itself How mild by comparison with the despatches in the daily newspapers will seem this chronicle of women's militant struggle against political and social injustice in one small corner of Europe Yet let it stand as it was written with peace so called and civilisation and orderly government as the background for heroism such as the world has seldom witnessed The militancy of men through all the centuries has drenched the world with blood and for these deeds of horror and destruction men have been rewarded with monuments with great songs and epics Yet the militancy of women has harmed no human life save the lives of those who fought the battle of righteousness Time alone has revealed what reward has been allotted to the women In the black hour that struck in Europe the men indeed Governments turned to their women and called on them to take up the work of keeping civilisation alive Through all the harvest fields in orchards and vineyards women garnered food to send to the front as well as for the children left fatherless by war In the cities the women kept open the shops drove trucks and trams and operated machines in the factories which made clothing and the munitions for the impending battle ahead and altogether attended to a multitude of tasks to keep the wheels of commerce turning At the first alarm of war the militants proclaimed a truce which was answered half heartedly by Reginald McKenna the Home Secretary's announcement that all suffrage prisoners would be released who gave an undertaking not to commit further crimes or outrages A few days later no doubt influenced by representations made to the Government by men and women of every political persuasion Mr McKenna announced in the House of Commons that it was the intention of the Government to release unconditionally all suffrage prisoners So ended for a short time the war of women against men until the clash of arms ceases Then once more women will

take up the arms they so generously laid down There can be no real peace in the world until woman the mother half of the human family are given liberty in the councils of the world Emmeline Pankhurst YESTERDAY S BOOKS FOR TODAY S CHARITIES 10% of the profit from the sale of this book will be donated to charity KEYWORDS TAGS My Own Story Emmeline Pankhurst 1914 Act of Parliament agitate Annie arrest authorities Bill Cabinet case Christabel Pankhurst committee Conciliation court daughter declare demands deputation doctor education Edward election England facilities Fight franchise freedom friends girls Gladstone Government Great War Hall Herbert Asquith Holloway House of Commons hundred hunger imprisonment justice King law Lawrence leaders letters Liberal life long Lloyd George London Lord magistrate majority Manchester meetings members men militancy Minister movement Parliament party Pethick petition place pledge police policy political power Prime Minister prison prisoners property protest public punishment question refuse release school Secretary sentence session Social Movement speech Street suffrage Suffragettes suffragists trial Union vote Winston Churchill woman women Women s rights world World War One WWI [A Suffragette in America](#) Estelle Sylvia Pankhurst,Katherine Connelly,2019 The story of one of Britain s most famous radicals visiting the Land of the Free

Suffragette: My Own Story Emmeline Pankhurst,2015-04-01 The gripping memoir of the leader of the British suffragette movement who was named by Time as one of the 100 Most Important People of the 20th Century With insight and great wit Emmeline s autobiography chronicles the beginnings of her interest in feminism through to her militant and controversial fight for women s right to vote While Emmeline received a good education attending an all girls school and being expected to conform to social norms she rebelled against conventional women s roles At the age of 14 a meeting of women s rights activists sparked a lifelong passion in her to fight for women s freedom and she would later claim that it was on that day she became a suffragist As one after another of the proposed feminist bills were defeated in parliament Pankhurst was inspired to turn to extreme actions While she was the figurehead of the suffragette movement it advocated some controversial tactics such as arson violent protest and hunger strikes Even today there is still debate about the effectiveness of her extreme strategies but her work is recognized as a crucial element in achieving women s suffrage in Britain Her mantle was taken up by her daughters and granddaughter with her legacy still very much alive today
