A Woman's Way P. Ranft,2016-04-30 Given the significance of spiritual direction in modern Christianity surprisingly little attention has been given to the tradition upon which today's spiritual direction is built This book delineates the history of spiritual direction for women and by women within the larger context of the history of Christian spirituality and its understanding of human perfectibility By examining the ways in which women practiced spiritual direction this study reveals the degree to which women influenced society by using an avenue of influence previously overlooked by scholars **In The Beginning Was The End** Pat Atkinson,2020-04-06 When God created man and put us on earth he had big plans for the creation that was made in his image But Satan had his own plans for humanity and unfortunately we decided to go with Satan's plans instead of God's At the point when Eve made the choice to disobey God in favor of something more the fate of humanity was sealed forever Life ended for us before it began and sin took over the perfect world that God created and life would never be the same To know paradise again we have to wait for the next life to begin *The Musings of Grandfather Clock* Michael D. Carothers,2018-05-11 Grandfather Clock's Purpose These poems are not to evangelize but to show that there is God He wants us to be his freely and without reservation But that takes time and experience Not by my experience but yours The human experience will draw us closer or away from the possibility that there is God Paul of Tarsus states in the book of Romans For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men who suppress the truth For since the creation of the world His invisible attributes His eternal power and divine nature have been

clearly seen being understood through what has been made so they are without excuse What is it that there is no understanding of his existence for many It is not nature but man s preference God has principle His principle is that we don t want and ignore He rubs us the wrong way There is a summary on Principle or Preference at the beginning of the book to consider There is a war The war has manifested itself with man warring against man There is also a war of man against God We want to go our own way free of God Our world is chaotic and disturbed for countless reasons What has happened to the song in our heart free of worry and anxiety Relationship is the key A relationship between you and God and not between you someone else and God Oh To sing and whistle again It can happen through peace with God The Musings of Grandfather Clock show God is love and not religious Man is religious We place him in our realm of purpose enslaving the hearts and minds of men God is love but on his terms These poems are meant to trigger poetic statements of God social issues and humor
