

Women have absolute power within themselves to heal—the premise of this book is simple yet profound. A living testament to the healing efficacy of her teachings, Maya Tiwari freed herself from “terminal” ovarian cancer at the age of 23. More than 25 years later—having been recognized by the Parliament of the World’s Religions for her outstanding contribution to humanity—she shares the healing wisdom that literally saved her life. This power-packed guide, enlivened by inspiring stories gleaned from Maya Tiwari’s work around the world, teaches women how to renew their health, reconnect with their feminine natures, and ultimately, reclaim their own innate power. Those in need will

learn natural, time-tested Ayurvedic remedies for: menstruation problems, menopause and osteoporosis, miscarriage and fertility issues, sexual diseases, HIV/AIDS, and more. All women will benefit from practical guidelines for maintaining optimal health through food choices, herbal baths, compresses, internal cleansing, aligning with the cycles of the moon, and spiritual practices. With gentle candor and an open heart, Maya Tiwari provides a modern look at centuries-old wisdom, gleaned timeless knowledge to empower modern women of all ages.
