Lee, 2015-05-07 While Woody Allen is generally considered to be a master of the comic genre he created his serious films are very important in understanding his role as one of this generation's more influential filmmakers In this work such Allen films as *Annie Hall* 1977 *Broadway Danny Rose* 1984 *Crimes and Misdemeanors* 1989 and *Mighty Aphrodite* 1995 are analyzed for the common philosophical themes they share Gender issues Allen's love/hate relationship with God narcissism and moral relativism and the use of the so-called existential dilemma are among the topics discussed The extensive research is augmented with a rare interview with Allen *Referentiality and the Films of Woody Allen* D. E. Wynter, 2015-10-12 *Referentiality and the Films of Woody Allen* is a scholarly collection that provides expansive exploration of the auteur's use of intertextuality referentiality and fusion of media forms Its scope is framed by Allen's intermedial phase beginning in 1983 with *Zelig* and his most recent film

Sander H. Lee, 2015-10-02 This new textbook is an abridgment of the author's earlier *Woody Allen's Angst Philosophical Commentaries on His Serious Films* McFarland 1997 invaluable Choice Five main topics are explored the desire of many of his characters to ground their lives in traditional ethical values despite their realization that such values may no longer be certain the opposition between pessimism and optimism throughout his films gender issues relating to romantic love sexual desire and the ongoing changes in our cultural expectations of both men and women the idea that contemporary American society is rapidly descending into barbarism precisely because of societal failure to maintain a sense of individual moral responsibility and a critique of psychoanalysis as a method for understanding human behavior Instructors considering this book for use in a course may request an examination copy here **Woody Allen and Charlie Chaplin** Jill

Franks, 2019-06-19 The comic archetype of the Little Man a nobody who stands up to unfairness is central to the films of Woody Allen and Charlie Chaplin Portraying the alienation of life in an indifferent world with a mix of pathos irony and slapstick both adopted absurdist personas Chaplin's bumbling yet clever Tramp with his shabby clothes and Allen's fool with his metaphysical witticisms and proclivity to fall in love too quickly Both men were auteurs who managed to retain creative control of their work and achieve worldwide popularity Both suffered from scandals regarding their attraction to younger women Drawing on psychoanalysis and gender studies this book explores their films as barometers of their respective historical moments marking cultural shifts from modernism to postmodernism Reconstructing Woody Mary P.

Nichols, 1998 For too long the films of Woody Allen have been interpreted as expressions of deconstructionism nihilism and postmodern angst In this pathbreaking new book Mary P. Nichols challenges this arguing that Allen's work from *Play It Again Sam* to *Deconstructing Harry* is actually an attempt to explore and reconcile the tension between art and life As witty and complex as its subject *Reconstructing Woody* shows that Allen is immensely concerned with human ethics goodness and virtue *Historical Dictionary of Woody Allen* William Brigham, 2019-07-31 Woody Allen has accomplished that which no

Woody Allen and Philosophy Mark T. Conard, Aeon J. Skoble, 2011-04-15 Fifteen philosophers representing different schools of thought answer the question what is Woody Allen trying to say in his films And why should anyone care Focusing on different works and varied aspects of Allen s multifaceted output these essays explore the philosophical undertones of *Annie Hall* *Crimes and Misdemeanors* *Manhattan* *A Midsummer Night s Sex Comedy* and reminds us that just because the universe is meaningless and life is pointless is no reason to commit suicide

Woody Allen Kimball King, 2014-01-21 First Published in 2001 Woody Allen who first became famous as a stand up comedian and writer of comedy routines also has had a distinguished career as a playwright actor screenwriter and director While his celebrity status is attributed to some of his better known early films such as *Annie Hall* *Manhattan* *Hannah and her Sisters* he has produced more than ten new films in the past decade

Sweet and Lowdown Lloyd Michaels, 2017-03-07 Over a career that has spanned more than six decades Woody Allen has explored the emotion of regret as a response to the existentialist dilemma of not being someone else Tracing this recurrent theme from his stand up comedy routines and apprentice work through classics like *Annie Hall* *Manhattan* *The Purple Rose of Cairo* *Hannah and Her Sisters* and *Bullets Over Broadway* as well as less esteemed accomplishments *Another Woman* *Sweet and Lowdown* *Cassandra s Dream* this volume argues that it is ultimately the shallowness of his protagonists regret their lack of deeply felt sustained remorse that defines Allen s pervasive view of human experience Drawing on insights from philosophy theology psychology and literature the book discusses nearly every Woody Allen film with extended analyses of the relationship films including *Alice* and *Husbands and Wives* the murder tetralogy including *Match Point* and *Irrational Man* the self reflexive films including *Stardust Memories* and *Deconstructing Harry* and the movies about nostalgia including *Radio Days* and *Midnight in Paris* The book concludes by considering Allen s most affirmative resolution of regret *Broadway Danny Rose* and speculating about the relevance of this through line for understanding Allen s personal life and prospects as an octogenarian auteur

Hermeneutics of the Film World Alberto Baracco, 2017-10-09 This book identifies a new methodological strategy for the interpretation of film philosophizing Many

recent works in film philosophy adopting the approach identified with the term film as philosophy have considered film as capable of doing philosophy Focused on the basic relationship between film and filmgoer the proposed method is founded on the concept of the film world Combining Merleau Ponty s and Ric ur s philosophies and reconsidering Goodman s theory of worldmaking the film world becomes the hermeneutic horizon from which film philosophical thought can emerge The book shows how Ric urian methodology has the potential to provide a valuable resource for film studies by inviting scholars to consider film interpretation in terms of film world hermeneutics
