Grit Angela Duckworth, 2016-05-03 In this instant New York Times bestseller Angela Duckworth shows anyone striving to succeed that the secret to outstanding achievement is not talent but a special blend of passion and persistence she calls grit Inspiration for non geniuses everywhere People The daughter of a scientist who frequently noted her lack of genius Angela Duckworth is now a celebrated researcher and professor It was her early eye opening stints in teaching business consulting and neuroscience that led to her hypothesis about what really

drives success not genius but a unique combination of passion and long term perseverance In Grit she takes us into the field to visit cadets struggling through their first days at West Point teachers working in some of the toughest schools and young finalists in the National Spelling Bee She also mines fascinating insights from history and shows what can be gleaned from modern experiments in peak performance Finally she shares what she s learned from interviewing dozens of high achievers from JP Morgan CEO Jamie Dimon to New Yorker cartoon editor Bob Mankoff to Seattle Seahawks Coach Pete Carroll Duckworth s ideas about the cultivation of tenacity have clearly changed some lives for the better The New York Times Book Review Among Grit s most valuable insights any effort you make ultimately counts twice toward your goal grit can be learned regardless of IQ or circumstances when it comes to child rearing neither a warm embrace nor high standards will work by themselves how to trigger lifelong interest the magic of the Hard Thing Rule and so much more Winningly personal insightful and even life changing Grit is a book about what goes through your head when you fall down and how that not talent or luck makes all the difference This is a fascinating tour of the psychological research on success The Wall Street Journal *High Impact Fee Negotiation and Management for Professionals* Ori Wiener,2017-02-03 The pressure on professional service firms and their professionals has never been higher If you want to be able to charge the fees you know reflect the value you bring you need the high impact practical guidance that High Impact Fee Negotiation and Management for Professionals offers Learn how to apply a powerful consistent approach to make sure the golden triangle of setting the price getting the price and keeping the price works in your favour Develop a strategy to enhance the profitability of your engagements through pricing fee structuring scoping and negotiating Understand the key steps management need to take to embed supporting processes and the appropriate culture Expert negotiator PSF consultant and trainer Ori Wiener s invaluable guide gives you the skills tips and techniques that have been proven to deliver results **Indigenous Elites in Africa** Serah Shani,2021-11-29 This book investigates the formation configuration and consolidation of elites amongst Kenya s Maasai The Maasai ethnic group is one of the world s most anthropologized populations but research tends to focus on what appears to be their dismal situation analysing how their culture hinders or challenges modern ideas of economic and political development This book instead focuses on the Maasai men and women who rise to the position of elites overcoming the odds to take on positions as politicians professors CEOs and high end administrators The twenty first century has seen new opportunities for progression beyond the social reproduction of family wealth with NGOs missionaries tourists and researchers providing new sources of global capital flows The author who is Maasai herself demonstrates the diverse local national and global resources and opportunities which lead to social mobility and elite formation The book also shows how female elites have been able to navigate a patriarchal society in their journey to attaining and maintaining elite status This book will be of interest to researchers across the fields of anthropology political science international development sociology and African studies

The Language of Managerialism Thomas Klikauer,2023-01-24 This book explains how management became

Managerialism and how the language of managerialism was developed Providing a comprehensive discussion of the managerialism language interface the book argues that firstly managerialism itself has developed its distinctive language and secondly the two concepts of managerialism and language mutually depend upon each other Written from the critical media studies perspective of the Frankfurt School of Critical Theory the book reaches beyond simple business communication illustrating how the language of managerialism is colonising the non corporate lifeworld The book concludes by offering fresh ideas on how to move beyond the language of managerialism
