

Working In Health And Social Care Working In Health And Social Care

Paul Mackreth, Bryony Walker

Working In Health And Social Care Working In Health And Social Care:

A Handbook for Support Workers in Health and Social Care Paul Mackreth, Bryony Walker, 2020-12-30 Support workers are key deliverers of care in the UK often hugely valued by those people they provide care for Their roles and responsibilities are increasing in the midst of ever changing health and social care systems A Handbook for Support Workers in Health and Social Care recognises the contribution of support workers and provides an introduction to the core knowledge legislation and models of practice required to work across health and social care settings Covering core person centred skills that a support worker needs to develop this textbook looks at knowing and managing yourself before moving on to understanding your role in the organisation and teamwork It outlines the relevant legislation and policies from the Care Act 2014 to confidentiality Communication both written and in person is a central theme and key values such as compassion and dignity are explored in relation to this There is a thought provoking discussion of working with people covering topics including respecting choices thinking about risk and safeguarding The book ends by looking at what it means to be a competent practitioner and the importance of continual professional development The first textbook introducing the core theory and practice knowledge necessary to work as a support worker in health and social care it includes case studies tasks and exercises to help the reader apply their learning The authors share more than 20 years of experience in the design and delivery of support worker courses in higher education They deliver continuing professional development bespoke training and consultation to the health and social care workforce

Contemporary Issues in Health and Social Care Policy and Practice Julia Morgan, Vincent La Placa, 2025-02-07 This accessible text presents a comparative analysis of health and social care policy and practice from around the world with learning points drawn out for the UK It supports readers to improve practice by reflecting on differences and similarities in the policies of other OECD countries Divided into two parts the book opens with a focus on core concepts in health and social care policy and practice such as service user involvement the promotion of wellbeing health inequalities funding and integrated care The differing philosophical socio political and historical perspectives that underpin these key areas in different countries are explored in order to develop a greater understanding of the UK system The second part of the book takes a close look at a range of specific contemporary issues such as end of life care long term conditions homelessness refugee and migrant health disability domestic abuse substance use and women in prison These in depth case study chapters enable readers to identify best practices and challenges in relation to specific areas of health and social care policy and practice Ideal for undergraduate students studying health and social care policy from a range of disciplinary backgrounds this practical text provides a deeper understanding of complex health and social care issues and supports the development of a global and comparative skill set

Health and Social Care for Advanced GNVQ Liam Clarke, Bruce Sachs, Sue Sumner, 2000 This workbook provides full coverage of the GNVQ mandatory units at the advanced level The text emphasises the development of skills necessary for further studies and

prepares the student for a career in the care sector

Multidisciplinary Working in Forensic Mental Health Care

Stuart Wix, Martin S. Humphreys, 2005-01-01 This book provides a practical guide to the establishment of effective multidisciplinary working methods in the care of mentally disordered offenders and others It examines the theoretical basis of multidisciplinary working in a mental health context provides a practical guide to establishing multidisciplinary working considers training needs team building risk assessment and gives an overview of research in the field Ed *Level 2 Health and Social Care: Core (for Wales)* Anne-Marie Furse, Vicky Tibbott, Maria Ferreiro Peteiro, 2021-10-08 Support your teaching of the Level 2 Health and Social Care Core Qualifications Wales with this brand new textbook developed in partnership with City Guilds and WJEC Be guided by our experts Anne Marie Furse Maria Ferreiro Peteiro and Vicky Tibbott to ensure your students have a solid foundation of knowledge and skills necessary to be successful This accessible and course specific textbook will cover the qualification s seven core units and will also prepare students for the externally marked MCQ exam and the internally marked scenario based assessments Begin each unit with an explanation of Learning Outcomes and Assessment Criteria linked to the specification to guarantee the required course content is delivered Introduce each topic in an accessible way with the short activities and topics for discussion Invite students to reflect on their own experiences and to do further research to develop their understanding and skills Contextualise their learning with case studies that explore real life scenarios they may face an utilise the subsequent questions to promote independent thinking Check their understanding with short questions at the end of topics and encourage further reading a research with links to useful websites *Health and Social Care Bill* ,

Continuing Professional Development in Social Care Lynne Rutter, 2012-11-09 There has been a recent focus on how practitioners can engage with continuing professional learning and development This book is written to support and help busy social workers in front line practice as well as those in leadership and management roles to achieve the key aims of continuing professional development CPD in a post qualifying social work context There are sections on how to engage with CPD at an appropriate level understanding complex thinking and practices and developing professional reasoning and judgement that can be appropriately recognised and evaluated **Interprofessional Ethics Across the Life**

Course in Health and Social Care Ann Gallagher, Nigel Davies, Nicky Mathastein-Bowen, Sherwyn Sicat, 2025-11-25 Interprofessional teams of health and social care professionals encounter and respond to significant ethical challenges and complexity in their everyday work This scenario based book explores how to enact ethical values and virtues while working across the four pillars of professional activity practice education leadership and research Effective responses to care needs and everyday complexity require teamwork and a holistic approach to individual family and community needs They require health and social care professionals having an in depth appreciation of their own professional roles responsibilities and contributions as well as those of other professions This book enables readers to engage with and reflect on a range of ethical decision making situations that can occur across the lifecourse and impact interprofessional teams Each chapter is based

around particular authentic scenarios derived from the experiences of care recipients and family members involved in the co production of the book and taking place in a range of care contexts from maternity care to community from hospital to residential care and from accident and emergency areas to hospice Introducing and discussing interprofessional issues from an ethical stance this is an essential text for health and social care students and practitioners and a resource for interprofessional IPE facilitators with a commitment to ethics in health and social care practice research education and leadership

OECD Health Policy Studies Who Cares? Attracting and Retaining Care Workers for the Elderly
OECD,2020-06-22 This report presents the most up to date and comprehensive cross country assessment of long term care LTC workers the tasks they perform and the policies to address shortages in OECD countries It highlights the importance of improving working conditions in the sector and making care work more attractive and shows that there is space to increase productivity by enhancing the use of technology providing a better use of skills and investing in prevention

Professional Accountability in Social Care and Health Roger Kline,Michael Preston-Shoot,2012-04-24 Many social workers health care staff and teachers maintain high standards of professionalism often in stressful and challenging circumstances However research also reveals instances where individual practitioners and managers or whole organisations fail to act lawfully ethically and or carefully This book addresses just those instances by providing guidance on how to maintain accountable professionalism in tricky what if situations Dilemmas are explored using case studies and the mosaic of legal rules and regulatory body requirements for accountable professionalism are also laid out The book will appeal to students and newly qualified practitioners in teaching health and social work and their managers
