Working With Offenders A Guide To Concepts And Practices:

Working with Offenders Robert Douglas White, Hannah Graham, 2010 This book provides a theoretically informed guide to the practice of working with offenders in different settings and for different purposes It deals with topics such as offender rehabilitation case management worker offender relationships working with difficult clients and situations collaboration addressing complex needs and processes of integration The book offers a unique perspective on working with offenders in that it incorporates three key elements As part of the latter it provides different types of data including descriptions of programs and selected statistics from each jurisdiction and presents this information in easy to read formats The chapters are structured around a dual focus of workers and their environments on the one hand and the nature of the offenders with whom they work on the other The condition and situation of workers is thus considered in the context of the condition and situation of offenders and the relationship between the two The book is intended to be relevant and familiar to those already working in the field as well as to introduce contemporary principles and practices to those wishing to do so in the future Each chapter concludes with two key features The first Further Reading is oriented toward concepts and the why questions of practice The second Key Resources alerts readers to appropriate manuals and handbooks and the how questions of practice This includes reference to evidence based examples of good practice and specific intervention models

The Routledge Companion to Rehabilitative Work in Criminal Justice Pamela Ugwu-dike, Hannah Graham, Fergus McNeill, Peter Raynor, Faye S. Taxman, Chris Trotter, 2019-09-12 All the world's criminal justice systems need to undertake direct work with people who have come into their care or are under their supervision as a result of criminal offences Typically this is organized in penal and correctional services in custody in prisons or in the community supervised by services such as probation Bringing together international experts this book is the go to source for students researchers and practitioners in criminal justice looking for a comprehensive and authoritative summary of available knowledge in the field Covering a variety of contexts settings needs and approaches and drawing on theory and practice this Companion brings together over 90 entries offering readers concise and definitive overviews of a range of key contemporary issues on working with offenders The book is split into thematic sections and includes coverage of Theories and models for working with offenders Policy contexts of offender supervision and rehabilitation Direct work with offenders Control surveillance and practice Resettlement Application to specific groups including female offenders young offenders families and ethnic minorities Application to specific needs and contexts such as substance misuse mental health violence and risk assessment Practitioner and offender perspectives The development of an evidence base This book is an essential and flexible resource for researchers and practitioners alike and is an authoritative guide for students taking courses on working with offenders criminal justice policy probation prisons penology and community corrections

Foundations for Offender Management Anne Robinson, 2011-07-13 This title provides a comprehensive account of the contexts and challenges of working with

people convicted of criminal offences Foundations for Youth Justice Anne Robinson, 2014-02-01 How can youth justice refocus its attention on the rights and perspectives of young people in transition Foundations for Youth Justice outlines youth justice practices in their current state of flux in the United Kingdom as New Labour policies receive direction under the vastly different Coalition Government Anne Robinson explores opportunities for a fresh orientation that places young people at the center She outlines the risks and problems that modern society creates for them and asks when and how society should respond to youth behaviors that cause harm to others The result is a bold and realistic remodelling of youth justice practices Handbook of Issues in Criminal Justice Reform in the United States Elizabeth Jeglic, Cynthia Calkins, 2021-12-04 This handbook provides a holistic and comprehensive examination of issues related to criminal justice reform in the United States from a multidisciplinary perspective Divided into five key domains of reform in the criminal justice system it analyzes Policing Policy and sentencing Reentry Treatment Alternatives to incarceration Each section provides a history and overview of the domain within the criminal justice system followed by chapters discussing issues integral to reform The volume emphasizes decreasing incarceration and minimizing racial ethnic and economic inequalities Each section ends with tangible recommendations based on evidence based approaches for reform Of interest to researchers scholars activists and policy makers this unique volume offers a pathway for the future of criminal justice reform in the United States Rehabilitation Work Hannah Graham, 2016-05-26 Conversations about rehabilitation and how to address the drugs crime nexus have been dominated by academics and policymakers without due recognition of the experience and knowledge of practitioners Not enough is known about the cultures and conditions in which rehabilitation occurs Why is it that significant numbers of practitioners are leaving the alcohol and other drugs field while disproportionate numbers of criminal justice practitioners are on leave Rehabilitation Work provides a unique insight into what happens behind the closed doors of prisons probation and parole offices drug rehabs and recovery support services drawing on research from Australia This book is among the first to provide a dedicated empirical examination of the interface between the concurrent processes of desistance from crime and recovery from substance misuse and the implications for rehabilitation work Hannah Graham uses practitioner interviews workforce data and researcher observations to reveal compelling differences between official accounts of rehabilitation work and what practitioners actually do in practice Practitioners express a desire to be the change rather than being subject to change actively co producing progressive reforms instead of passively coping with funding cutbacks and interagency politics Applied examples of how practitioners collaborate lead and innovate in the midst of challenging work are complemented with evocative illustrations of insider humour and professional resilience This book is a key resource for students academics and practitioners across fields including criminology and criminal justice social work psychology counselling and addiction treatment Innovative Justice Hannah Graham, Rob White, 2014-07-17 This book showcases innovative justice initiatives from around the world which engage offenders practitioners and communities to reduce reoffending and support desistance

and positive change It is groundbreaking in bringing together inspiring ideas and pioneering practices to analyse how justice done differently is making a difference The voices and experiences of the people at the forefront of these innovative initiatives are presented throughout the book including offenders corrections staff and directors the judiciary scientists and academics volunteers and community organisations Strengths based research methods are used to investigate and celebrate best practices and good news stories from the field The authors raise critical questions about what is considered innovative and effective for whom and in what context presenting their own conceptual approach for analysing innovation With initiatives drawn from diverse jurisdictions and cultures including the UK Europe Australia Asia the US and South America this book showcases original ideas and refreshing developments that have the potential to transform rehabilitation and reintegration practices The book s substance and style will resonate with practitioners students and academics across the interdisciplinary fields of criminology and criminal justice

Community Justice in Australia Brian Stout, 2020-07-16 An effective interweaving of complex theory with mainstream concepts Overall an excellent book for use in Australian universities teaching criminology social work Dr Jane Bolitho Lecturer Criminology and Social Sciences UNSW The concept of community justice of engaging with offenders within the community offers an important new approach to the prevention of crime and the rehabilitation of offenders Community Justice in Australia is the first text to consider how this concept can be successfully applied within Australia by social workers criminologists parole officers police and anyone working with both adult and youth offenders Brian Stout begins by defining community justice and outlining its successes in the United Kingdom and the United States He then explains theories of offending behaviour considers relevant Australian legislation policy and common intervention strategies and considers the implications of community justice approaches for both adult and juvenile offenders Restorative justice is also examined and contrasted The book s second half details practice issues including working in community justice organisations the use of technology and the need for community justice workers to co create long term change with their clients The importance of risk management and protection of the public is explored together with a comprehensive guide to practice skills and working with involuntary clients Each chapter also contains a detailed analysis of the implications and potential benefits of a community justice approach for culturally diverse groups and Indigenous people
