Excerpt from The Works of Leonard Woods D D Vol 1 of 5 Lately Professor of Christian Theology in the Theological Seminary Andover While I have been employed in revising these Lectures my thoughts have frequently been directed to that pleasant room where I met you in successive classes from day to day for a long series of years and where the most momentous of all subjects engaged our united attention As we proceeded in our investigations we came to the pleasing conclusion that although our faculties are circumscribed we may within our proper limits attain to a far more complete knowledge than is commonly apprehended and also that in examining the various doctrines of theology we should hold fast that which is clear and certain and leave that which is obscure and doubtful to those who delight in it From

the Lecture room my thoughts have passed with lively emotions to the Wednesday Evening Conference to our Chapel services on the Sabbath to our days of fasting and prayer and to our private intercourse About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **That Human Being, Leonard Wood (Classic Reprint)** Hermann Hagedorn,2015-07-13 Excerpt from That Human Being Leonard Wood About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
