The Tending Instinct Women Men And The Biology Of Relationships:

The Tending Instinct Shelley E. Taylor, 2003-05 Ranging widely over biology evolutionary psychology physiology and neuroscience The Tending Instinct examines the biological imperative that drives women to seek each other's company and to tend to the young and the infirm bestowing great benefits to the group but often at great cost to themselves **The Emotional Dynamics of Law and Legal Discourse** Heather Conway, John Stannard, 2016-12-15 In his seminal work Emotional Intelligence Daniel Goleman suggests that the common view of human intelligence is far too narrow and that emotions play a much greater role in thought decision making and individual success than is commonly acknowledged The importance of emotion to human experience cannot be denied yet the relationship between law and emotion is one that has largely been ignored until recent years However the last two decades have seen a rapidly expanding interest among scholars of all disciplines into the way in which law and the emotions interact including the law's response to emotion and the extent to which emotions pervade the practice of the law In The Emotional Dynamics of Law and Legal Discourse a group of leading scholars from both sides of the Atlantic explore these issues across key areas of private law public law criminal justice and dispute resolution illustrating how emotion infuses all areas of legal thought The collection argues for a more positive view of the role of emotion in the context of legal discourse and demonstrates ways in which the law could in the words of Goleman become more emotionally intelligent **Moody Bitches** Julie Holland, 2015-03-03 A groundbreaking guide for women of all ages that shows their natural moodiness is a strength not a weakness As women we learn from an early age that our moods are a problem an annoyance to be stuffed away But our bodies are wiser than we imagine Moods are a finely tuned feedback system that allows us to be more empathic intuitive and aware of our own capabilities If we deny our emotionality we deny the breadth of our talents Yet millions of American women are medicating away their emotions with psychiatric drugs whose effects are more far reaching than most of us realize And even if we don't pop a pill women everywhere are numbing their emotions with food alcohol and a host of addictive behaviors that deny the wisdom of our bodies and keep us from addressing the real issues we face Psychiatrist Julie Holland knows there is a better way In Moody Bitches she shares insider information about the drugs we're being offered and the direct link between food and mood and she offers practical advice on sex exercise and sleep strategies as well as some surprisingly effective natural therapies In the tradition of Our Bodies Our Selves this groundbreaking guide will forge a much needed new path in women's health and offer women invaluable information on how to live better and be more balanced at every stage of life Gandhi On Personal Leadership Anand Kumarasamy, 2006-01-01 The process of personal growth and transformation seldom happens by accident it is the product of our conscious choices This book contains 39 powerful lessons of personal change gleaned from Gandhi's life It offers us invaluable advice on creating and leading an enlightened life a more meaningful purpose driven self aware and socially responsible life Drawing from a diverse range of fields such as psychology management leadership philosophy and

spirituality Anand Kumarasamy explains and illustrates each of these lessons in language that is simple vivid and highly interesting These lessons are based on timeless principles which if deeply reflected upon and integrated into our daily lives can powerfully transform us while positively impacting the world around us *Pregnancy, Childbirth, and the Newborn* Janet Walley, Penny Simkin, Ann Keppler, Janelle Durham, April Bolding, 2016-03-29 If you only buy one pregnancy book this should be the one It s the most complete It covers all aspects of childbearing from conception through early infancy and tells you what to expect It offers detailed information suggestions on decisions to make and advice on steps to take to have a safe and satisfying experience The Award Winning Resource Recommended by Experts Loved by Parents Parents love this book because it puts them in control by explaining a wide range of options information and questions to ask so parents can find what works best for their health situation personal goals and priorities Experts love this book because it s based on the latest medical research and recommendations from leading health organizations It s practical rooted in the real life experiences of new families The five authors bring a combined total of 150 years of experience working with expectant and new families as educators nurses counselors doulas physical therapists and lactation consultants They have attended hundreds of births heard thousands of birth stories and assisted innumerable new parents in adapting to their new lives Not only that the authors have a combined total of 12 children and 12 grandchildren All of this experience allows them to write with compassion understanding and wisdom based on what really works in the real world of parenting The companion website offers even more details on select subjects including lists of all the best resources on each topic and worksheets to guide parents decision making process The website also includes a bonus chapter on pre conception which provides ways to improve your health and fertility before pregnancy begins **Death and Bereavement Around the World** John D Morgan, Stephen Palmer, Pittu Laungani, Dale A Lund, 2017-03-02 This final volume of *Death and Bereavement Around the World* reflects on some major themes death and after life religion and spirituality rites and rituals secularist approaches cultural variations suicide and other issues The first few chapters describe progress in end of life care including some new tools to evaluate hospice care chapter 1 what children know when they know it and how parents can respond to questions with some guidelines for support by schools chapter 2 the importance of ritual chapter 3 and gender differences in death customs around the world chapter 4 The transcript of a 1997 interview of John Jack Morgan by Pittu Laungani is presented as chapter 5 The following chapters discuss death systems and suicide chapter 6 HIV AIDS including the role of cultural and economic factors in the spread of the disease chapter 7 and grief and bereavement in the developing world taking the AIDS pandemic as a specific challenge chapter 8 Chapter 9 covers issues related to dying and death in Romania In chapter 10 the focus is on the various functions and uses of names in a cross cultural context Roadside memorials as a pivotal healing strategy are the topic of chapter 11 Chapters 12 and 13 focus on spiritual experience with loss The final chapter presents some conclusions and in the Epilogue Mary Ann Morgan honors the life career dying death and achievements of John Jack

The Art of Marriage Maintenance Sylvia R. Karasu,T. Byram Karasu,2005-06-09 Given the fact that 50% of marriages end in divorce you would think marriage wouldn t be so popular but getting married is one of the most popular of all life events In fact many new couples are willing to face considerable debt for the wedding ceremony alone It seems that many people spend more time on planning the wedding than on thinking about marriage and what it entails The Art of Marriage Maintenance is about marital life after the wedding It is about psychological and biological difficulties between men and women that make marriage so challenging It is about why passion is in danger of fading within marriage how hormones exacerbate behavior and how the brain confounds us It is about how pregnancy and having young children and adolescents often catapult a marriage to its breaking point and how the stresses of mid life contribute to marital discord It is in effect how to ensure a happy enduring marriage It is the art of marriage maintenance *The Practice of Groundedness* Brad Stulberg,2021-09-07 Join thousands of readers and learn about a powerful antidote to today s epidemic of burnout and a path to achieving success with deeper satisfaction from the bestselling author of Peak Performance A thoughtful actionable book for pursuing more excellence with less angst Adam Grant author of Think Again Playing into the always on never enough hustle culture ultimately takes a serious toll While the high of occasional wins can keep you going for a while angst restlessness frayed relationships exhaustion and even substance abuse can be the unwanted side effects of an obsession with outward performance In *The Practice of Groundedness* bestselling author Brad Stulberg offers a path for which peak performance and well being and fulfillment can emerge and prevail for a lifetime At the heart of this model is groundedness a practice that values presence over rote productivity accepts that progress is nonlinear and prioritizes long term values and fulfillment over short term gain To be grounded is to possess a firm and unwavering foundation an internal strength and self confidence that sustains you through ups and downs and from which deep and enduring success can be found Groundedness does not eliminate ambition and striving rather it situates these qualities and channels them in more meaningful ways Interweaving case studies modern science and time honored lessons from ancient wisdom traditions such as Buddhism Stoicism and Taoism Stulberg teaches readers how to cultivate the habits and practices of a more grounded life Readers will learn Why patience is the key to getting where you want to go faster in work and life and how to develop it pushing back against the culture s misguided obsession with speed and hacks How to utilize the lens of the wise observer in order to

overcome delusion and resistance to clearly see and accept where you are which is the key to more effectively getting where you want to go Why embracing vulnerability is the key to genuine strength and confidence The critical importance of deep community or cultivating a sense of belonging and connection to people places and causes Provocative and practical The Practice of Groundedness is the necessary corrective to the frenetic pace and endemic burnout resulting from contemporary definitions of success It offers a new and better way

Atlantic Piracy in the Early Nineteenth Century Sarah Craze,2022 Skilfully uses this notorious episode to illuminate the nature and extent of piracy in the period The pirate attack on the British brig Morning Star en route from Ceylon to London near Ascension Island in 1828 was one of the most shocking episodes of piracy in the nineteenth century Although the captain and many members of the crew were murdered by the pirates led by the notorious Benito de Soto some survived escaped and sailed the ship back to Britain This book based on extensive original research in Britain Spain and Brazil retells the story of the Morning Star provides much new detail and corrects errors present in the many contemporary accounts of the attack It sets the attack in the wider context of piracy in the period and discusses many issues which the episode highlights how pirates careers began and developed how they were pursued and tried often with difficulty what became of their treasure how stories of the attack and of the survivors were sensationalised how the women passengers on the ship endured their ordeal at the hands of the pirates and then back in Britain had to endure potential loss of their reputations

Valuing Children Nancy Folbre,2010-03-15 While parents spend significant time as well as money on children most estimates of the cost of children ignore the value of this time Folbre provides a startlingly high but entirely credible estimate of the value of parental time per child by asking what it would cost to purchase a comparable substitute for it

The Tending Instinct Shelley E. Taylor,2002-05-08 Sample Text *Psychology* Daniel L. Schacter,Daniel T. Gilbert,Daniel M.
