The Theology Of Dallas Willard Discovering Protoevangelical Faith:

The Theology of Dallas Willard Gary Black Jr.,2013-08-06 Evangelical Christianity in the United States is currently in a dramatic state of change Yet amidst this sometimes tumultuous religious environment a rather unique blend of both ancient and contemporary Christian theology has found its way into the hearts and minds of emerging generations of Christians The Theology of Dallas Willard both describes and conveys the essence of this increasingly popular and perhaps mediating view of the gospel of Jesus Christ Blending both a prophetic critique with pastoral encouragement Willard s unique understanding of the reality present within a life lived as a disciple of Jesus in the kingdom of God is attracting both new and traditional Christians to reconsider their faith

Until Christ Is Formed in You Steven L. Porter,2018-05-01 Because Transformation Is Possible At a popular level Dallas Willard wrote with remarkable clarity about spiritual formation But his writings also addressed academic concerns such as shifts in modern moral philosophy the nature of education and the psychology of the human self Until Christ Is Formed in You brings together ten authors who knew Willard well to introduce his wide ranging vision and consider again the overall significance of this one of a kind teacher This collection explores topics including the Beatitudes the relationship of body and soul the kingdom of God discipleship to Jesus the nature of formation and Ignatian spirituality The book begins with a comprehensive overview of Willard s understanding of formation and it concludes with practical applications of this understanding to the disciplines of psychology and counseling

[The Kingdom Among Us](#) Michael Stewart Robb,2022 The Kingdom Among Us presents a comprehensive account of Dallas Willard s theology By examining Willard s writings and hundreds of hours of audio recordings Michael Stewart Robb both recovers and expands Willard s theological vision of the kingdom among us

that goes beyond simple information gathering Ripper aims to demonstrate that encountering God through Scripture is according to Willard the primary vehicle for a life of authentic Christian spiritual formation Protestant spiritual formation via Dallas Willard for those seeking a deeper spiritual engagement Library Journal Review May 2025 **Spirituality for the Sent** Nathan A. Finn, Keith S. Whitfield, 2017-03-28 While spiritual formation focuses on the inner life of the Christian the missional church discussion focuses on one's life in the world Nathan A Finn and Keith S Whitfield bring together leading evangelical voices to cast a new vision for a missional spirituality that fosters spiritual maturity while also fueling Christian evangelism cultural engagement and the pursuit of justice **Ecclesial Leadership as Friendship** Chloe Lynch, 2019-03-01 When it comes to talking about the activity of directing the church the language of leadership and leaders is increasingly popular Yet what is leadership and how might theological narratives better resource the discourse and practice of leadership in ecclesial contexts In identifying and critiquing managerialism as a dominant narrative of leadership in the Western church this book calls for an alternative approach founded on the concept of friendship Engaging with the wider field of leadership studies the book establishes an understanding of leadership activity and brings it into conversation with an incarnational ecclesiology The result is a prophetic reimagining of ecclesial leadership in terms of a relational kenotic praxis This praxis of mutuality and love is framed here in the rich language of Christian friendship The book also wrestles deeply with the embodiment of such a praxis making explicit the power behaviours typical of friendship leadership and offering constructive guidance for practitioners in the task of implementation within a complex and fractured world This book offers a new vision of the centrality of friendship to leadership of a healthy church community As such it will be of great use to scholars of practical theology ecclesiology and leadership as well as practitioners in church ministry *Re-Envisioning Transformation* David C. Scott, 2018-09-14 In today's church use of the term transformation has become commonplace Various perspectives are offered on what a Christian view of transformation is and on how it may be achieved These often conflicting views suggest an ecclesial landscape characterized by pluralism division fragmentation confusion relativism individualism pragmatism and subjectivism Despite the current interest in transformational theology the absence of a common coherent and integrated vision and the lack of transformation is often accepted and affirmed Re Envisioning Transformation looks at the possibility of moving toward a vision of transformational theology that is cohesive unified broad effectual and distinctly Christian In this book the contributions of two radically different theologians of the Christian life are examined This provides the basis from which to develop a comprehensive and integrated framework of transformational theology pointing God's people toward the need to express and live out a distinctly Christian vision Thomas F. Torrance and Evangelical Theology (Studies in Historical and Systematic Theology) Myk Habets, R. Lucas Stamps, 2023-05-17 Thomas Forsyth Torrance 1913 2007 was one of the most important theologians of the twentieth century yet his work remains relatively neglected by evangelicals Thomas F Torrance and Evangelical Theology A Critical Analysis brings Torrance into

closer conversation with evangelical theology on a range of key theological topics A diverse collection of contributors engage Torrance's pioneering and provocative thought deriving insights from theological loci such as Scripture Christology and atonement as well as from broader topics like domestic violence and science These stimulating essays reveal how Torrance can help evangelical theologians articulate richer and deeper theology *Shaping the Journey* Daniel Ethan Harris, 2025-08-21

How do the theological impulses of evangelical pietism and contemplative monasticism converge in the modern spiritual formation movement *Shaping the Journey* brings John Wesley and Thomas Merton into critical dialogue examining their distinct yet complementary contributions to Christian spirituality With Wesleyan evangelicalism as a thesis and Mertonian monasticism as antithesis this study argues that the spiritual formation movement represents a meaningful synthesis of these traditions Central to this synthesis is the work of M Robert Mulholland Jr whose integrative vision of spiritual formation clearly reflects the influences of Wesley and Merton and the evangelical and monastic traditions they represent Engaging history theology and spirituality this work offers a vital resource for understanding the roots and trajectory of Christian spiritual formation **Character and Virtue in Theological Education** Marvin

Oxenham, 2019-07-31 Dr Marvin Oxenham expertly uses the genre of the epistolary novel to help the reader understand the nature of character and virtue education and their relationship to theological education This book will help educators respond to the increasing demands for formational and transformational education and enact concrete virtue related practices Dr Oxenham draws on a vast array of disciplines from educational philosophy and political science to theology and andragogy in this winsome story that explores how global theological education can better contribute to the formation of virtuous students Written from the perspective of a seasoned educator from the Minority World who engages with correspondence from his friend and peer in the Majority World this is the honest story of two friends who struggle with their challenges and dreams Academics will find this book compelling reading that like good works of fiction they won't put down and like good reference works they will return to again and again This book offers a chance to rediscover an ancient tradition and explore a new frontier in theological education Leading the Presence-Driven Church John Piippo, 2017-12-19 This is a

book about the primacy and centrality of God and his unsurpassable presence and what this means for the Church The presence of God is the core the sine qua non of mere Christianity God's presence is what is needed to win the day over the present powers of darkness This book shows what it means for a church to be presence driven and what leadership looks like in the presence driven church The Subversive Evangelical Peter J. Schuurman, 2019-06-30 Evangelicals have been

scandalized by their association with Donald Trump their megachurches summarily dismissed as religious Walmarts In *The Subversive Evangelical* Peter Schuurman shows how a growing group of reflexive evangelicals use irony to critique their own tradition and distinguish themselves from the stereotype of right wing evangelicalism Entering the Meeting House an Ontario based Anabaptist megachurch as a participant observer Schuurman discovers that the marketing is clever and the venue a

rented movie theatre is attractive to the more than five thousand weekly attendees But the heart of the church is its charismatic leader Bruxy Cavey whose anti religious teaching and ironic tattoos offer a fresh image for evangelicals This charisma Schuurman argues is not just the power of one individual it is a dramatic production in which Cavey his staff and attendees cooperate cultivating an identity as an irreligious megachurch and providing followers with a more culturally acceptable way to practise their faith in a secular age Going behind the scenes to small group meetings church dance parties and the homes of attendees to investigate what motivates these reflexive evangelicals Schuurman reveals a playful and provocative counterculture that distances itself from prevailing stereotypes while still embracing a conservative Christian faith

Biblical Spirituality Christopher W. Morgan, 2019-06-24 What is spirituality For some it means nothing more than vague self improvement pulled from the latest best selling self help book For others it refers to some generic religious practice Shedding life giving light on what often remains ill defined and unclear this book sets forth a vision of biblical spirituality a renewed sense of the momentousness of being alive in God s world as God s people are led by God s Spirit through God s Word unto godly Christlike character With careful exegetical work and theological reflection the contributors pastors and scholars such as Christopher W Morgan Paul R House Nathan A Finn and Gregg R Allison address spirituality from the perspective of the Bible exploring topics such as the Trinity divine sovereignty and human responsibility the already and not yet and the church This book also addresses practical questions about spirituality related to the workplace disciplines of the body and more
