The Theology Of John Wesley Holy Love And The Shape Of Grace

J. B. Stump, Chad Meister

The Theology Of John Wesley Holy Love And The Shape Of Grace:

The Theology of John Wesley Kenneth J. Collins, 2007 A rich articulation of John Wesley's theology that is appreciative of the old and mindful of the new faithful to the past and attentive to the present This work carefully displays John Wesley's eighteenth century theology in its own distinct historical and social location but then transitions to the twenty first century through the introduction of contemporary issues So conceived the book is both historical and constructive demonstrating that the theology of Wesley represents a vibrant tradition Cognizant of Wesley's own preferred vocabulary Collins introduces Wesley's theological method beginning with a discussion of the doctrine of God In this insightful exposition the leitmotif of holy love arises out of Wesley's reflection on the nature of the divine being as well as other major doctrines Douglas Meeks

The Ashgate Research Companion to World Methodism William Gibson, Peter Forsaith, Martin Wellings, 2016-03-23 As a religious and social phenomenon Methodism engages with a number of disciplines including history sociology gender studies and theology Methodist energy and vitality have intrigued and continue to fascinate scholars This Companion brings together a team of respected international scholars writing on key themes in World Methodism to produce an authoritative and state of the art review of current scholarship mapping the territory for future research Leading scholars examine a range of themes including the origins and genesis of Methodism the role and significance of John Wesley Methodism's emergence within the international and transatlantic evangelical revival of the Eighteenth Century the evolution and growth of Methodism as a separate denomination in Britain its expansion and influence in the early years of the United States of America Methodists' roles in a range of philanthropic and social movements including the abolition of slavery education and temperance the character of Methodism as both conservative and radical its growth in other cultures and societies the role of women as leaders in Methodism both acknowledged and resisted the worldwide spread of Methodism and its enculturation in America Asia and Africa the development of distinctive Methodist theologies in the last three centuries its role as a

progenitor of the Holiness and Pentecostal movements and the engagement of Methodists with other denominations and faiths across the world This major companion presents an invaluable resource for scholars worldwide particularly those in the UK North America Asia and Latin America **The Uncontrolling Love of God** Thomas Jay Oord, 2015-11-09 Rarely does a new theological position emerge to account well for life in the world including not only goodness and beauty but also tragedy and randomness Drawing from Scripture science philosophy and various theological traditions Thomas Jay Oord offers a novel theology of providence essential kenosis that emphasizes God's inherently noncoercive love in relation to creation

Holiness and Pentecostal Movements David Bundy, Geordan Hammond, David Han, 2022-02-22 Since the 1830s Holiness and Pentecostal movements have had a significant influence on many Christian churches and they have been a central force in producing what is known today as World Christianity This book demonstrates the advantages of analyzing them in relation to one another The Salvation Army the Church of the Nazarene the Wesleyan Church and the Free Methodist

Church identify strongly with the Holiness Movement The Assemblies of God and the Pentecostal Assemblies of the World identify just as strongly with the Pentecostal Movement Complicating matters denominations such as the Church of God Cleveland the International Holiness Pentecostal Church and the Church of God in Christ have harmonized Holiness and Pentecostalism This book the first in the new series Studies in the Holiness and Pentecostal Movements examines these complex relationships in a multidisciplinary fashion Building on previous scholarship the contributors provide new ways of understanding the relationships influences and circulation of ideas among these movements in the United States the United Kingdom India and Southeast and East Asia In addition to the editors the contributors are Kimberly Ervin Alexander Insik Choi Robert A Danielson Chris E W Green Henry H Knight III Frank D Macchia Luther Oconer Cheryl J Sanders and Daniel Woods

Called into Communion Susan B. Carole, 2013-03-20 This book illuminates the experiential and theocentric dimensions of holiness theology It acknowledges two strands of thought in current holiness theology Wesley's Christian perfection and entire sanctification as propagated in the early days of the American Holiness Movement It honors the contribution of both these strands by identifying the deep harmony in the holiness message of John Wesley and Phineas Bresee Using insights from Wesley and Bresee the author develops a paradigm for holiness theology from the standpoint of its transcendent goal Called into Communion explicates entire sanctification as revelatory and salvific a necessary threshold experience for complete openness to God This approach illuminates the rootedness of holiness theology in the triune fellowship of holy love The communion perspective affirms holiness theology as the underlying theological principle for a missional ecclesiology since participation in God characterizes the church as a doxological fellowship of holy love and determines the church's redemptive action Seminarians and pastors will find in this book a new perspective on the holiness message It extends the horizon of reflection to the grace that seeks out and enables human partners for a transformative fellowship of genuine reciprocity with God

Does God Love Everyone? Jerry L. Walls, 2016-07-29 Does God truly love all persons Most Christians think the obvious answer to this question is Yes of course he does Indeed many Christians would agree that the very heart of the gospel is that God so loved the whole world that he gave his Son to make salvation available for every single person This book shows that one of the most popular and resurgent theological movements in the contemporary evangelical church namely Calvinism cannot coherently and consistently affirm this vital claim about the love of God While some Calvinists forthrightly deny that God loves everyone more commonly Calvinists attempt to affirm the love of God for all persons in terms that are compatible with their doctrines that Christ died only for the elect those persons God has unconditionally chosen to save This book shows that the Calvinist attempts to affirm God's love for all persons are fraught with severe philosophical and theological difficulties Calvinism then should be rejected in favor of a theology that can forthrightly and consistently affirm the love of God for all persons Nothing less is at stake than the very heart of the gospel

Reconstructing Evangelicalism Gerald Hiestand, Joel Lawrence, 2024-12-23 Over the past few years Evangelicalism has

been marked by a deconstructionist movement in which many especially younger Evangelicals have been leaving the Evangelical tradition Some have left the Christian faith altogether due to what they perceive to be deep inconsistencies inadequacies and hypocrisies But is deconstruction the right response to these problems or is there a better way Rather than tearing down the structures and institutions they inhabit Evangelicals can trusting in the promise that Christ will build his church commit themselves to the project of reconstruction With every challenge comes an opportunity to press deep below the surface assess weak foundations and build stronger healthier Evangelicalisms than those inherited Reconstructing Evangelicalism explores these very challenges and opportunities to aid the church in the rebuilding project necessary in the present age

Wesley and Whitefield? Wesley versus Whitefield? Ian J. Maddock, 2018-02-28 John Wesley and George Whitefield were in many ways larger than life figures during their own lifetimes and continue to be so today Yet our ability to appreciate their abiding influence on contemporary Evangelical theology and practice is lacking if we consider them in isolation from one another Our understanding of Wesley and the legacy of his public ministry is impoverished apart from considering Whitefield and vice versa This collection of essays explores the complex dynamics at work in the Wesley Whitefield relationship spanning a variety of theological historical and pastoral facets of their full orb'd public ministries They serve as an invitation to grow in our awareness of their undoubted affinities and significant differences all the while resisting the potential allure of either uncritically ecumenical Wesley and or uncharitably partisan Whitefield versus narratives

The Good Work of Non-Christians, Empowerment, and the New Creation Stuart C. Weir, 2016-04-25 Have you ever considered the ultimate purposes and consequences of good work performed by non Christians Have you ever theologically considered the work of non Christians at all Is it possible that God would ever give credence to let alone honor the work of non Christians in an ultimate sense Are you frustrated by theologies of work that are entirely protological in orientation How do we make sense of biblical excerpts that talk of work being judged towards a particular outcome The Good Work of Non Christians Empowerment and the New Creation attempts to answer these questions in a manner that also challenges evangelical assumptions about the ultimate outcomes of working life Drawing strength from eschatologically minded theologies by Miroslav Volf and Darrell Cosden Weir seeks to replace protology with eschatology in a theology of work about non Christians The British evangelical tradition is specifically taken up here so as to make critical assessments of certain airtight theologies regarding human action with reference to the new creation This book attempts to create a heuristic against unhelpful hermeneutical tendencies that inform evangelical theologies This is a work that is not only theological it is biblically historically and ethically rigorous

Original Sin and the Fall J. B. Stump, Chad Meister, 2020-06-30 Throughout the church's history Christians have disagreed over many particular questions surrounding humanity's fall In this Spectrum Multiview book contributors present five views on these questions Augustinian Reformed Moderate Reformed Wesleyan Eastern Orthodox and a Reconceived view offering both an articulation of their own view and

responses to the others **Perfecting Perfection** Robert Webster, 2016-07-28 Henry D Rack is one of the most profound historians of the Methodist movement in modern times He has spent a lifetime researching and writing about the rise and significance of John Wesley and his Methodist followers in the eighteenth century and has also uncovered the historical significance of the Methodist Church in the nineteenth and twentieth centuries Collected in *Perfecting Perfection* are thirteen essays honouring the life and scholarship of Dr Rack from a host of international scholars in the field The topics range from Wesley's view of grace in the eighteenth century to the dynamic intersection of the Methodist and Tractarian movements in the nineteenth century Ultimately the collection of essays offered here in honour of Dr Rack will be engaging and provocative to those considering Methodist Studies in the present and future generations *The Oxford Handbook of Early Evangelicalism* Jonathan Yeager, 2022 Contexts Churches and movements The culture of evangelicalism Personalities

Holiness Matt Ayars, Christopher T. Bounds, Caleb T. Friedeman, 2023-10-17 The command to be holy is one of Christian life's most challenging and misunderstood commands Three scholars from the Wesleyan tradition constructively argue for a neo holiness that encourages the pursuit of Christian perfection while incorporating historic understandings of grace and the work of the Holy Spirit **John Wesley's Pneumatology** Joseph W. Cunningham, 2016-05-06 Perceptible inspiration a term used by John Wesley to describe the complicated relationship between Holy Spirit religious knowledge and the nature of spiritual being is not unlike the term Methodist which was also coined by critics of Methodism during the eighteenth century in Britain John Wesley's adversaries especially the pseudonymous John Smith with whom Wesley exchanged letters for a period of three years frequently challenged the plausibility of direct spiritual sensation which Wesley defended What does Wesley mean by perceptible inspiration What does the teaching reveal about the nature and existence of God in Wesley's thinking What does it suggest about the spiritual nature of humankind In John Wesley's *Pneumatology* it is argued that perceptible inspiration more than a sidebar of Methodist thought offers a useful model for considering the various features of Wesley's views on the work of the Spirit in relation to human existence participatory religious knowledge and moral theology

A Plain Account of Christian Faithfulness Rob A. Fringer, Dean G. Smith, 2020-05-04 The title of this work *A Plain Account of Christian Faithfulness* is a play on John Wesley's famous book *A Plain Account of Christian Perfection* It reflects the focus character and actions of David B McEwan for whom this book has been dedicated The essays have been written by scholars from around the globe each focusing on an aspect of faithfulness from a Wesleyan perspective and covering the broad disciplines of Bible theology history and pastoral theology This book has something for everyone and ultimately invites the reader into deeper Christian faith and faithfulness **Remembering Our Baptism** Philip R. Meadows, 2018-01-01 Drawing on the roots of early Methodists Philip Meadows urges readers to use the act of remembering their baptism to connect themselves to their own discipleship and mission This will result in the daily shaping of their Christian lives by personal and corporate spiritual discipline which is itself decidedly baptismal in character When church communities of every size

remember their baptism they hold one another accountable for the life of disciplined discipleship and everyday witness A great resource for small group study and clergy **40 Questions About Calvinism** Shawn D. Wright, 2019-04-30 In 40 Questions About Calvinism church historian Shawn D Wright tackles many issues about the theological system known as Calvinism Taking an irenic approach Wright explains the key doctrines while also contrasting them with Arminianism The accessible format allows readers to easily look up topics they re most interested in including What is the difference between Calvinism and the Reformed tradition What is predestination Did Jesus die for the sins of the whole world Can people resist the Holy Spirit Do Calvinists practice evangelism and missions For Calvinists or those seeking to understand Calvinism better 40 Questions About Calvinism helps readers understand the key terms issues and debates of this highly influential theological viewpoint **The Nature of Love** Thomas Jay Oord, 2010-04-01 God is love Consequently shouldn t love exist at the center of Christian theology When love is at the center theology is understood differently than it has typically been understood Some theologians have placed faith at the center others God s sovereignty still others the Church but Dr Oord places the emphasis on love God s love for us revealed in Christ in the Church and in creation and our love for God and others as ourselves must be afforded its rightful place Beginning with the foundation of love is what differentiates the Christian faith from others a loving God Dr Oord defines love as To love is to act intentionally in sympathetic empathetic response to God and others to promote overall well being Is this not what has defined Christians throughout history **Old or New School Methodism?** Kevin M. Watson, 2019-03-01 On September 7 1881 Matthew Simpson Bishop in the Methodist Episcopal Church in a London sermon asserted that As to the divisions in the Methodist family there is little to mar the family likeness Nearly a quarter century earlier Benjamin Titus B T Roberts a minister in the same branch of Methodism as Simpson had published an article titled in the Northern Independent in which he argued that Methodism had split into an Old School and New School He warned that if the new school were to generally prevail then the glory will depart from Methodism As a result Roberts was charged with unchristian and immoral conduct and expelled from the Genesee Conference of the Methodist Episcopal Church MEC Old or New School Methodism examines how less than three decades later Matthew Simpson could claim that the basic beliefs and practices that Roberts had seen as threatened were in fact a source of persisting unity across all branches of Methodism Kevin M Watson argues that B T Roberts s expulsion from the MEC and the subsequent formation of the Free Methodist Church represent a crucial moment of transition in American Methodism This book challenges understandings of American Methodism that emphasize its breadth and openness to a variety of theological commitments and underemphasize the particular theological commitments that have made it distinctive and have been the cause of divisions over the past century and a half Old or New School Methodism fills a major gap in the study of American Methodism from the 1850s to 1950s through a detailed study of two of the key figures of the period and their influence on the denomination *Pursuing Social Holiness* Kevin M. Watson, 2015 Kevin M Watson offers the first in depth examination of the early Methodist band

meeting a small group of five to seven people focusing on the confession of sin in order to grow in holiness

Whispering the Techniques of Language: An Emotional Quest through **The Theology Of John Wesley Holy Love And The Shape Of Grace**

In a digitally-driven earth wherever monitors reign supreme and quick communication drowns out the subtleties of language, the profound strategies and emotional nuances concealed within words frequently move unheard. However, set within the pages of **The Theology Of John Wesley Holy Love And The Shape Of Grace** a captivating fictional treasure blinking with fresh emotions, lies an exceptional quest waiting to be undertaken. Written by a talented wordsmith, that wonderful opus attracts visitors on an introspective trip, gently unraveling the veiled truths and profound impact resonating within the very cloth of every word. Within the psychological depths of the poignant review, we shall embark upon a sincere exploration of the book's primary styles, dissect their interesting publishing type, and succumb to the effective resonance it evokes strong within the recesses of readers' hearts.
