The Tithing Hoax Exposing The Lies Misinterpretations And False Teachings About Tithing:

The Tithing Hoax R. Renee, Cynthia Harper, 2008-12-22 Does the Bible command Christians to tithe Is tithing necessary to prosper Will God curse you if you do not tithe Will God bless you if you tithe Is it possible that many preachers are misleading the body of Christ into practicing an obsolete religious ritual that places most Christians in financial and spiritual bondage Authors and teachers R Renee and Cynthia Harper answer these and other questions The Tithing Hoax exposes the lies and reveals the truth about this controversial practice The church has it wrong about tithing Back cover **The Tithing Hoax** R. Renee; Harper Harper (Cynthia), 2008 **Biblical Eschatology:** Dr. Justin G. Prock, 2021-06-20 In recent history men from a variety of backgrounds have come to the same conclusion that the Bible is about Israel only For example In 1861 John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come O Come Emmanuel Ever since 1861 Christians have sung that hymn at Christmas time especially at Advent Do you know what the words really mean that you are singing In 1878 Edward Hine wrote an article titled Seven Eighths of the Bible Misunderstood wherein he explains that seven eighths of the Bible is about national salvation i e the national salvation of True Israel whereas only one eighth of the Bible is about personal salvation Did you know that In the 1960 s Pastor Sheldon Emry wrote an article title An Open Letter to Any Minister Who Teaches the Jews Are Israel wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible In 1998 Arnold E Kennedy wrote a book titled The Exclusiveness of Israel wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel So here we are in the Twenty First Century and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A D by Yahshuah and His disciples i e the Gospel of the Kingdom So where did the so called churches and pastors go wrong By the way is there really a hierarchy in the Bible In order to find out what the truth really is we have to look at the original languages in which the Bible was written and then translated For example the Old Testament was written in Hebrew and Aramaic then translated into Greek The New Testament was written in Hebrew and Greek Both Testaments were put together and translated into Latin then German and finally into English from which the entire world received their own translation of the Bible So what was the original meaning of the words used in the original languages i e the etymology of the words Once that is determined then we can go onto the next phase and discuss types in the Bible From there what is the Law of First Mention How should Bible prophecy be Interpreted Who are the keys to Bible prophecy Where are we in the Bible prophecy timeline During these discussions we will find out who Yahweh chose of all the families of the earth to make His own The churches teach universalism The question then becomes Who was Yahweh s Law given to What are the Laws of Yahweh And then the even bigger question becomes Who was Yahshuah sent to All of these questions and more will be answered as you read this book *FLEECING THE FLOCK* Anthony Wade, 2018-07-01 **Tithing Hoax** Daniel Tanimawo, 2018-05-12 Tithing hoax is a revolutionary book that will help you to have a deep understanding about tithing This

book is not just an ordinary book it s a revelation from God In this book you will know the meaning of tithing different types of tithes why Jesus didn t destroy the Mosaic Law about tithing and many more You will also find out whether tithing was all about money or not In this book you will find answers to any difficult question about tithing **The Tithing Conspiracy** Terrence Jameson,2016-01-23 Are you or someone you know struggling to pay tithe Stop feeling pressured guilt shame and condemnation about an outdated Jewish practice and learn to be a cheerful giver Here is the biblical proof that will release you from the bondage of tithing in one book New Believer or Mature Christian 100% backed by scripture The Tithing Conspiracy in clear detail totally disproves the deceptive teachings and doctrines used to support tithing This book is for Christians who are being hurt spiritually emotionally and financially by false tithe doctrines and the prosperity gospel The Tithing Conspiracy is more than a bible study about Old Testament and New Testament tithing practices It is a conscious clearing ministry that will remove the curse of not paying tithe and unveil God s true plan for Christian giving You will walk away feeling relieved confident and with a new spiritual awakening about a misunderstood practice Get your questions answered and learn Where did tithing start and how did it begin Does the Bible command Christians to tithe What is God s plan for how to financially support a church And much more You will also learn How and why preachers misinterpret scripture to sustain a tithing system not intended for Christians How the early Christian church and its leaders supported themselves without collecting tithes Unlike most books on this subject The Tithing Conspiracy is written in an engaging personal and thought provoking tone that makes a difficult subject easy to understand **Tithingism** Thomas Moore,2021-05-25 This book has been in the making for 50 years ever since Thomas Moore found a germ within the tithing doctrine that departed from the Living God Thomas set out in 1973 to expose where this germ corrupts the basic doctrines of the New Testament but in so doing he found that he needed to acquire a full understanding of all the primary Christian doctrines This required reading the entire Bible from cover to cover many times in different translations as well as compiling an extensive theology library Years were spent reading entire commentaries word studies and systematic theology by various scholars along with sermons and lessons from the greatest preachers of all time In 2015 the author finished following the tithing germ through every school of theology and discovered the specific truths of Scripture being violated In 2015 he began writing the book to refute each false teaching that supports the false doctrine of tithing and expose all of its fallacies heresies and blasphemies which was published in November of 2019 as Living Waters from Difficult Passages The book is very thorough It not only exposes the heresies and blasphemies but also contains the popular verses of Scripture that pastor s abuse in order to support the tithing practice This made the book almost 500 pages long Many people are not interested in a book that large so the author developed this book as a companion book which is a quick and easy read just covering the basic blasphemies of the religious tithing teaching If reading TITHINGISM peaks your interest for more insights and Biblical evidence into the false teachings of the tithing tradition then Living Waters from Difficult Passages will satisfy completely

Tithing Promoters & Prosperity Teachers Big Lies Benny D. Prince, 2014-07 This insightful book exposes the lies coercion and fear tactics used by Christian churches to get people to tithe To say that the curse of the tithing law even exists today is a lie This teaching conflicts with the truth stated in Galatians 3 13 The teaching that tithing is required today to obtain blessings with the emphasis on material blessings has caused many to become less spiritual minded and more materialistic But this teaching is also a lie and conflicts with Galatians 3 14 Tithing promoters spew out untruths against non tithers to demonize them and silence any opposition to their false teachings Today s false prosperity gospel has transformed the gospel of grace into the gospel of greed Most disgraceful of all the many lies that Christian leaders utilize to dupe the poorest and most vulnerable in society out of the little money they do have causes many of the poorest to sink even deeper into debt Time and time again tithing promoters fail to line up with the word of God One lie is that tithing demands ten percent of income when in fact the amount should be considerably less What can we do to change this heresy Encourage honesty within your own church and urge people to turn away from lies and walk in the truth *Tithing* Edwin Christiaan, 2015-05-13 Author and preacher Edwin Christiaan explains in easy to understand language why the Church needs to STOP imposing the false doctrine of TITHING on its parishioners the obligation to pay 10 percent of their gross income to the church as a rule from God Discover why this rule in the Church is actually an Old Testament command that has been misinterpreted and misused by Modern day pastors and preachers to impose an obligation on people that was only meant for the Israelites who lived under the Law of Moses Have you ever been manipulated bullied or controlled in the area of tithing Are you really robbing God and coming under a curse And do you truly understand the Scriptures apart from what you are being told It s time to expose perhaps the biggest lie in the church today *WHAT YOUR PASTOR WON'T TELL YOU ABOUT TITHING* WILLIETTE BOBBROH. MORRIS, 2025 **A Threat to the Gospel** Jeffrey A Lyons, 2025-04-10 I recently had a friend tell me that I m wasting my time discussing the topic of tithing because tithing is about as important as choir robes The reality is if A Threat to the Gospel were only about tithing whether or not Christian s should give 10% of their income to their local congregation it would hardly have been worth writing But A Threat to the Gospel is not just about tithing it s about much more than that A Threat to the Gospel is about preserving the truth of the gospel understanding God s expectations for believers what our relationship to the Mosaic Law should be the truth about biblical generosity our responsibility to support those who serve us in ministry biblical fellowship correctly defining sin proper hermeneutics and more And yes A Threat to the Gospel is about tithing but not just tithing it s about exposing the harmful effects of false teachings on tithing A Threat to the Gospel takes you on a journey through Abraham s tithe Jacob s vow to tithe tithing under the Mosaic Law New Testament teachings on generosity the adoption of tithing by the church our freedom from the Mosaic Law and our responsibility to the law of Christ A Threat to the Gospel also provides sound rebuttal to common arguments used to support tithing in the church A Threat to the Gospel once and for all provides conclusive evidence that God never

intended for the church to tithe *The Tithe Lie* Queen Adams, 2018-05-16 The way tithing is practiced today in most Christian churches is not found anywhere in the Bible It s a fact The teaching that God requires Christians to give ten percent of their income based on Malachi 3 10 is categorically false The Tithe Lie provides scriptural information demonstrating that there is nor ever was a command or a law from God either in the Old or New Testament that required Christians to give ten percent of their income This book is not written to condemn financial support for ministry To the contrary Christians should give joyfully and regularly to the degree that they can But they should not be forced threatened coerced or manipulated into giving Thus this book is written to free Christians from false teachings surrounding the issue of tithing and reinstate the joy of giving After all God loves a cheerful giver II Cor 9 7 **Tithing: Nailed to the Cross** A. Bruce Wells, 2011-05-17 TITHING NAILED TO THE CROSS is a book that cuts through all the opinions traditions superstitions imagined benefits and false doctrines to clearly and doctrinally explain the absence of tithing in the New Testament Bruce plainly teaches why tithing is not required after the Resurrection the beginning of the New Testament how tithing can interfere with sonship faith and even salvation and how tithing can expose you to the curse of the Law causing health financial marital and many other problems Wouldnt it be wonderful to actually have your prayers easily answered because of Jesus finished work and the Name He gave us to use Wouldnt you like to know that God is going to say yes to His promises without you having to wonder if all your church ducks are in a row And wouldnt it be nice to have a royal ring put on your finger a kingly robe placed on your back and a big hug of approval without having to sleep in the bunk house as a servant until its decided that you can be trusted We may call it an act of faith obedience doing the Word good stewardship or what ever we want but at the end of the day it is nothing more than an obsolete Old Testament ordinance that will only frustrate the grace of God as Paul taught in Galatians As circumcision became nothing under the New Covenant likewise tithing is no longer obligatory So will you choose to develop a shaky faith based on the works of an Old Testament law that never should have been carried over to the New Testament Or will you choose to develop a resolute faith that is based on Jesus immutable work at the cross which included the removal of Malachis ordinances tithing Will you go with the crowd or the truth *The Truth about the Tithe* Samuel Williams, 2016-09-16 Remember when we meet God it will be on His terms not ours I remember sitting on my couch thinking about what I was being shown The truth was so rending that tears were flowing down my face I heard a voice clearly say Who are you going to believe men or God s Word I was so indoctrinated after receiving so many messages on tithing from men I was ready to reject the truth in the Word of God and hold on to what I was comfortable with God took me through a process of showing me how the lies were affecting His children People were actually turning away from God because of what they were seeing in the churches God s name was being blasphemed because of the actions of ministers concerning the money Yet the worst result was that so many ministers were buying into the deception and being enticed by the riches that it was causing the gospel to be neglected America is dying spiritually

while many church leaders are occupied chasing after wealth That is when everything broke and I understood I had to write the truth about the tithes but it was still a two year struggle just to get started During the two year fight to start this book God started exposing me to what was happening to Christianity The churches has become a for profit organizations Pastors are now motivational speakers patterned after used cars salesmen Instead of serving the poor they are rubbing shoulders with politicians and entertainers Men of God are bragging about being millionaires and even billionaires Choirs have become rock bands who would play for an hour or two and in some cases are the focal point of the services Christians are cheering worship leaders as if they are pop stars Church organizations are no longer following a five fold ministry blueprint but have become pushers of schemes to get people to give This book contains a lot more than just information about the tithe but the tithe is the focal point that everything else revolves around I am also going to show how unscrupulous ministers have used God s tithing as a method of extracting wealth from God s people for themselves and others I am not saying that every church and pastor is using the tithe to rob God s people There are some excellent churches and pastors that are following teachings that just do not line up with scripture because it s the way they were taught This is an accumulation of God s words concerning tithing which will deliver the people of God from those who would make merchandise of them In today s wealth driven society the people of God have become prey to those who will do and say anything to become wealthy I will be exposing schemes used by individuals to manipulate God s people for gain This information will be a shield to protect the parishioners from those individuals This book is going to be a weapon against deception and a tool to release many from bondage This will be validation for those who are feeding Christ s flock rather than feeding themselves by devouring the flock You will be able to recognize characteristics of a true man of God I am not here to expound on the historical ramifications and the different levels of the evolution of tithing I am not here to give you a secret formula for the blessings My motivation for writing this book is to expose the misconceptions and manipulations being fed to the people of God My methodology is saturation of the truth Please take this journey with me I assure you that if you receive God s truth and implement it you will be freed from the bondage of lies and those that prey on you due to lack of knowledge Isa 56 11 12 11 Yea they are greedy dogs which can never have enough and they are shepherds that cannot understand they all look to their own way every one for his gain from his quarter 12 Come ye say they I will fetch wine and we will fill ourselves with strong drink and to morrow shall be as this day and much more abundant KJV

The Doctrine of Tithing Tommy Rodriguez, 2018-02-26 THIS SINGLE PERSPECTIVE ONENESS THEOLOGICAL Thesis was written with the sole objective of providing Biblical truth better understanding and clarity as well as Divine revelation to the entire Christian community regarding a somewhat controversial subject matter The Doctrine of Tithing The purpose for using such wording somewhat controversial in my professional opinion lies in the fact that there are two 2 groups of individuals that are not properly applying sound Biblical truth The first group of individuals have unfortunately become victims of Christian denominations that teach and adhere to a form of

godliness teaching the false doctrine of Sowing a Financial Seed which causes these victimized Christians then to deny the sound Biblical principle of Tithing altogether The second group of individuals are choosing to remain ignorant of The Doctrine of Tithing teaching and adhering to a form of godliness by wrongly stating that Tithing is not a Biblical mandate for the Church today Now in achieving this objective I have chosen to utilize an in depth approach of Scripture i e chiefly the KJV and AMP but also the NLT and NIV In short I have provided several Scriptures Old Testament as well as New Testament alike that will aid in the gaining of complete understanding to this highly misunderstood and somewhat debatable Biblical subject matter With this said I would like to submit the following Thesis as the central assertion of this theological paper Despite what Christianity in general affirms the Apostolic Doctrinal stand of the Church today regarding Tithing is to be viewed as a sound Biblical mandate that ought to be adhered to by all individuals who call themselves a Christian whether Oneness or Orthodoxy The general Presupposition then rests solely upon the following Claim The Doctrine of Tithing is a New Testament Biblical principle that is carried over from the initial Old Testament Biblical mandate which is clearly as well as plainly observed within the Book of Genesis Chapter 4 via The Doctrine of Continuationism Now in doing my own Biblical research I have come to find much error with reference to any viewpoint that is held contrary to the sound Biblical teaching of Tithing Giving and Offerings With this said contrary to standard expository writing guidelines it is my professional opinion that this has occurred due to a lack of Biblical understanding as well as faulty Biblical research on the part of numerous 21st Century clergy causing unfortunately improper hermeneutical and exegetical Apostolic Doctrinal teaching regarding Tithing By the way this Single perspective Oneness Theological Argument will be presented from a purely Apostolic Doctrinal perspective God s perspective Now as you read through this Theological Thesis I ask that you sincerely pray seeking after The Wisdom of God asking God to unveil His truth and to provide complete understanding of this profound subject matter But most importantly to reveal the spiritual significance of Tithing as being a sound Biblical principle for the Church today as commonly referenced from The Old Testament within Malachi 3 8 12 *The Serpent That Has Crept into the Church World Today* Elder Robert J. Logwood,2016-12-30 This book tells you about the lies that are told in the church world today and about the false doctrine that has crept into the church world today This book informs you of the lies that are told about how a Christian is to give money My purpose is to tell you the biblical way to give money which is the right way *The Little Horn's Big Lie!* Lynda L. Durrett,Lynda L. Durrett and Yisrael Avilla,2010-09 Have you ever listened to a preacher bring a sermon on the pre tribulation rapture How wonderful it will be when we are all caught up with Jesus just before everything breaks loose here on earth What about the one that is preached on how and why the Sabbath was changed to Sunday and give a list of reasons none of them found in the Bible Then there is tithing They make sure to let us know we demonstrate our obedience through paying our tithing and giving back to God Yahweh and when we do not we can be cursed or not be blessed as we should We cannot forget the sermon on the Gifts of God Yahweh that are no longer for the church These and other

doctrinal views are commonly preached in the main stream Christian Churches today They are based off opinion of men and are often argued with verses from the Bible that have been taken out of context It is interesting that the evangelical churches today claim to take and read the Bible literally They claim every word to be the inerrant word of God Yahweh Many of them treat the Bible as God Yahweh yet there is not a verse that can be found that says the Sabbath was changed to a Sunday that the Saints will be raptured before the tribulation or the church is to pay tithing Nowhere will you find the Holy Spirit only gives just some of the gifts on the list to believers today You will not find a verse that specifically tells you once you are saved you are always saved Instead you will find volumes of verses that contradict each of these false doctrines being preached So what does that say about our contemporary church today the one that claims to take each word statement or verse literally the very ones preaching about false teachers teaching themselves false doctrine

The Great Tithing Debate A. Bruce Wells, 2007-03-16 Finally there s a book that uses sound rightly divided doctrine and wisdom to answer all your tithing questions No longer will you have to rely on opinions clich s wishful thinking passed down deceptions legalism or plain ole foolishness just to know what is required of you and where you stand with God The Bible is very clear for those who want to know All of your questions are thoroughly answered in THE GREAT TITHING DEBATE The huge list of tithing questions compiled over years of waiting for tithing to finally work hinges on an exhaustive knowledge or lack thereof concerning exactly what Jesus fully accomplished at the cross When the reality of redemption is properly understood most questions disappear and the once shaky believer finds that not only is he now standing on solid rock but has actually become part of that rock When redemption is fully understood one realizes that the act of tithing to open heaven or provide anything that Jesus freely gave at the cross is actually an insult to the suffering He endured at the cross Yes tithing worked in the Old Covenant as a part of the total Law but has absolutely no place in the New Covenant that provides everything Romans 8 32 through the blood of Christ Peter counted such teaching as tempting the Holy Spirit in Acts 15 Paul obviously had the same opinion in most of his writings for those who will read them without wearing their tithing glasses We may call it an act of faith obedience doing the Word good stewardship or what ever we want but at the end of the day it is nothing more than an obsolete Old Testament ordinance that will only frustrate the grace of God as Paul taught in Galatians As circumcision became nothing under the NT likewise tithing is no longer obligatory Wouldn t it be wonderful to actually have your prayers easily answered because of Jesus finished work and the Name He gave us to use Would you like to know that God is going to say yes to His promises without you having to wonder if all your church ducks are in a row And finally wouldn t it be nice to have a royal ring put on your finger a kingly robe put on your back and a big hug of approval without having to sleep in the bunk house as a servant until it s decided that you can be trusted So this is a book about salvation something that the church seems to know little about Beyond forgiveness of sins today s church seems to be unaware and uninterested in understanding redemption This vacuum has left us open to a myriad of opinions questionable doctrines and even deception This book

endeavors to fill some of that vacuum You should get a copy and explore the possibilities of the complete redemption that God intended for us to enjoy Examine the free preview below and taste and see that the Lord is good even much better than we've been taught Hopefully pride a rampant byproduct of legalism and performance won't keep you from hearing Maybe you're still teachable and open to God's leading even if you're already pretty sure you have a good understanding of the duties required of a genuine Christian DO YOU KNOW THAT Malachi was

The Truth About Tithing Cynthia McClaskey, 2012-05-14 The Truth About Tithing is designed to give the reader a thorough understanding of tithing in a quick and easy to read book Using scripture and church history McClaskey reveals the true nature of the church system and its abuse of this Old Testament Law that only applied to the tribes of Israel Great care has been taken to scripturally answer the following questions 1 What is the tithe 2 Who was supposed to tithe 3 Who do the tithes really belong to 4 Were Gentiles supposed to tithe 5 Is the tithe money 6 Did God command everyone to tithe 7 Why are churches teaching that it is mandatory to tithe Some of the points that McClaskey raises in this book are eye opening the conclusions that she draws astounding Once one sees the truth behind the lies of the religious system one can't help but question other doctrines of the church This is a must read for all denominations

Seven False Practices of Many of Today's Churches Robert A. Leavy, 2021-07 This book is a unique exposé of the false practices of many of today's churches set out by clear comparison of those practices with what the Bible says Most Christians have adopted these practices in our lives without any reservation and more often than not by sheer tradition e.g. Christmas and Easter In fact most of us adhere to these traditions without any concern for their authenticity including those of us who attend church services on those occasions But what if you belong to a church that preaches you contribute 10% a tithe of your income from year to year Well in addition to revealing the true origins of those religious holy day celebrations this book will prove beyond a shadow of a doubt that there is no authority whatsoever in the New Testament for churches to be paid 10% of your annual income in fact no income at all for themselves but only for distribution to those who are or have become poor for any reason Thus this book releases all readers from all false traditions and where applicable from paying your church 10% a tithe of your income from year to year
