The Tragic City Birmingham 1963 2013:

The Tragic City Paul Kersey, 2013-03-25 The story of Birmingham Alabama the tumultuous year of 1963 and the battle for civil rights helped convince a nation an entire civilization to throw open the doors to the halls of freedom and welcome everyone in Bull Connor Jim Crow water hoses and fierce German Shepherds were the perfect villains with black people merely marching and fighting for equality before the law cast as the perfect heroes Images broadcast to the entire nation from Birmingham and the promotion of Martin Luther King s Letter from a Birmingham Jail helped convince legislators in Congress to pass Civil Rights Legislation in 1964 As one lawmaker said as they signed the Civil Rights Bill of 1964 But for Birmingham we wouldn t be here But in most narratives about The Magic City history stops in 1963 Nothing post 1963 out of Birmingham is discussed in polite society Until now Paul Kersey the author of *Escape from Detroit* and *Black Mecca* Down now brings to you the definitive account of life in Birmingham Alabama after the cameras left in 1963 A now 74 percent black city with a city government completely dominated by black public employees and a shrinking tax base incapable of providing revenue to maintain the city Birmingham is a city in financial and moral ruin Crime rates consistently place Birmingham in Top 10 Most Dangerous Cities in America lists with A E s real life detective show *The First 48* finding fertile grounds for filming in the former Magic City No longer the Magic City Birmingham post 1963 is the Tragic City **Locust in the Sandbox** Cynthia Gray, 2021-11-18 On Sunday morning September 15 1963 Josie Bee Johnson is on her way to visit Sixteenth Street Baptist Church in Birmingham Alabama Before she arrives however locusts attack A bomb placed by the Klan is detonated in the church basement killing four young girls It is a life changing tragedy that will grab the attention of the entire nation In the meantime Josie s heart breaks She is overwhelmed by dark distrust and anger She questions her family her church her faith her God **Schoolhouse Activists** Tondra L. Loder-Jackson, 2015-10-26 *Schoolhouse Activists* examines the role that African American educators played in the Birmingham Alabama civil rights movement from the late nineteenth century to the present day Drawing on multiple perspectives from education history and sociology Tondra L Loder Jackson revisits longstanding debates about whether these educators were friends or foes of the civil rights movement She also uses Black feminist thought and the life course perspective to illuminate the unique and often clandestine brand of activism that these teachers cultivated The book will serve as a resource for current educators and their students grappling with contemporary struggles for educational justice Urban Migrant Inclusion and Refugee Protection - Volume 1 Harald Bauder, Mary Boatemaa Setrana, 2025-08-01 This open access book the first of two volumes offers novel insights into the resilience of migrants and refugees and challenges Eurocentric and colonial perspectives of urban solidarity sanctuary and hospitality It is theoretically framed by critical perspectives on the state and anti colonialism histories of urban solidarity practices of solidarity and estrangement and geographical perspectives of scale and space The volume also advances novel themes and new approaches towards urban solidarity sanctuary hospitality and alternative conceptualizations that open
