The Triangle Of Microfinance The Triangle Of Microfinance:

The Triangle of Microfinance Manfred Zeller, Richard L. Meyer, 2002-01-01 Since the 1980s when the microfinance revolution began much has been accomplished but the field became more refined in the 1990s as a result of shifts in paradigms strategies and development practices This volume addresses the three policy objectives that now occupy those who wish to use credit as a development tool financial sustainability of microfinance institutions outreach to the poor and welfare impact Inevitable tradeoffs exist among these objectives and the book advances an analytical framework that assists students of and experts in microfinance to identify the tradeoffs and synergies at the institutional level and in the policy environment The book features a wealth of empirical data and innovative analytical studies and critically discusses the role of public support for microfinance institutions MFIs in light of the social costs and benefits generated by such financial systems The book is organized into five parts The first discusses the demand for and access to financial services by the poor emphasizing that demand oriented pro poor financial services are crucial in reaching the poor The second is concerned with two of the criteria used to evaluate MFIs outreach and financial sustainability The third features innovative econometric studies seeking to evaluate the impact of MFIs at the household level The fourth looks at the role of both public and private sector institutions in developing sustainable financial systems And the fifth summarizes implications for policy and research Given the lack of sound empirical literature on microfinance this volume is sure to advance knowledge and research methodology in the field

Globalization and Governance in India Jivanta Schottli, Himanshu Jha, 2023-06-27 This volume examines the tangled relationship between globalization and governance through the lens of India's domestic politics structures institutions and policies The contributors to this volume draw attention to the interconnectedness of global and domestic processes In doing so this volume also captures the evolving dynamics of state society market relations A unique blend of papers the collection brings out the complex interplay and interconnections between global trends domestic politics and governance challenges in explaining both the persistence of policy reforms as well as institutional change In this light the volume examines the role of socio political processes and key actors at the domestic level how they have negotiated global norms pressures and opportunities resulting in durable policies and institutions The COVID 19 pandemic has yet again brought the focus back to the significance and interconnectedness of globalization and governance This volume will contribute to a deeper understanding of these twin processes through thematic discussions on embedded liberalism of the Indian state transnationalisation of India's economic elites exploring the role of global local linkages in the transparency laws strategic internationalization and the politics of reform the global success of micro credit and its domestic manifestation and the resilience and durability of the Indian way of governing globalization This book was originally published as a special issue of the India Review

A Realistic Theory of Social Entrepreneurship Arvind Ashta, 2019-11-07 Using evidence from the microfinance sector which is considered a leading sector of social entrepreneurship this book attempts to push the

boundaries of research in this field While recent studies consider that commercial enterprises not for profits and social enterprises are formed by entrepreneurs with different personal identities they do not explain why these personalities may change before they convert their social enterprises and change further at the stage of transitioning into commercial enterprises Presenting a theory of development and evolution for social enterprises which examines the dynamics associated with change impact and growth and an in depth critical view of motivation funding and profit this book examines how that impacts the social mission and enterprise structure in the wake of hybrid and for profit models and corporate philanthropy The author highlights the cracks in social entrepreneurship and asks how they are being filled institutionally

Sustainable Communities, Sustainable Development Paul James, Yaso Nadarajah, Karen Haive, Victoria C. Stead, 2012-07-31 Papua New Guinea is going through a crisis A concentration on conventional approaches to development including an unsustainable reliance on mining forestry and foreign aid has contributed to the country's slow decline since independence in 1975 Sustainable Communities Sustainable Development attempts to address problems and gaps in the literature on development and develop a new qualitative conception of community sustainability informed by substantial and innovative research in Papua New Guinea In this context sustainability is conceived in terms that include not just practices tied to economic development It also informs questions of wellbeing and social integration community building social support and infrastructure renewal In short the concern with sustainability here entails undertaking an analysis of how communities are sustained through time how they cohere and change rather than being constrained within discourses and models of development From another angle this project presents an account of community sustainability detached from instrumental concerns with economic development Contributors address questions such as What are the stories and histories through which people respond to their nation's development What is the everyday social environment of groups living in highly diverse areas migrant settlements urban villages remote communities They seek to contribute to a creative and dynamic grass roots response to the demands of everyday life and local global pressures While the overdeveloped world faces an intersecting crisis created by global climate change and financial instability Papua New Guinea with all its difficulties still has the basis for responding to this manifold predicament Its secret lies in what has been seen as its weakness underdeveloped economies and communities where people still maintain sustainable relations to each other and the natural world

Islam and Development Matthew Clarke, David Tittensor, 2016-05-06 The study of Islam since the advent of 9/11 has made a significant resurgence However much of the work produced since then has tended to focus on the movements that not only provide aid to their fellow Muslims but also have political and at times violent agendas This tendency has led to a dearth of research on the wider Muslim aid and development scene Focusing on the role and impact of Islam and Islamic Faith Based Organisations FBOs an arena that has come to be regarded by some as the invisible aid economy Islam and Development considers Islamic theology and its application to development and how Islamic teaching is actualized in case
