Enterprising Initiatives in the Experience Economy Britta Timm Knudsen,Dorthe Refslund Christensen,Per Blenker,2014-09-19 Over the last decade the close relationship between culture and economy or the experience economy has risen on the agenda Although there is an established research field for analysing the economic impact of entrepreneurship there is currently a limited amount of research that analyses the cultural impact and opportunity of entrepreneurship Linking experience economy with enterprising behavior moves the term away from businesses competitiveness and consumer behavior towards a more value focused business in general This ground breaking book integrates entrepreneurship and empowerment into one central theme drawing on research from both the social sciences innovation entrepreneurship empowerment and activism and the humanities participatory culture user generated designs creative networks Enterprising Initiatives expands the definition of entrepreneurship beyond a primarily economic profit seeking phenomenon to a broader understanding of enterprising behaviour based on an individual opportunity nexus Beyond social entrepreneurship it explores a broad range of individual collective and cooperative citizen initiatives under the umbrella of enterprising action This innovative approach will be of great interest to scholars in entrepreneurship social entrepreneurship cultural entrepreneurship cultural studies and consumer culture as well as for policy makers in public and local government regional development and cultural event management

The Evangelical Repository ,1843 *American Heresy* John Fanestil,2023 American Heresy uncovers the complex legacy of America s founding principles demonstrating how the very same values have produced both good fruit and the bitter harvest of white Christian nationalism Fanestil adeptly traces an early American story that reaches into our present with alarming immediacy Using cogent examples from the earliest days of colonial settlement through the Revolutionary War era Fanestil helps us understand how many of the principles we view as paradigmatic expressions of American identity have had contested histories from the start Virtue has brought both self sacrifice and extremism progress both cultural pride and white racism The very same principles that underpin the United States proudest moments also forged the white Christian nationalism that fruited so dangerously in the Capitol insurrection of January 6 2021 The implications of Fanestil s complex history are highly pertinent and alarming Far from a fringe movement embraced by a violent few white Christian nationalism is a spiritual inheritance shared by all white American Christians Grappling with this history is vital if the United States is ever to move beyond its tragic legacy as a white settler society
