The Tutankhamun Prophecies Maurice Cotterell,2000-03-02 From the bestselling author of The Mayan Prophecies this book re examines the life times and tomb of Tutankhamun Maurice Cotterell attempts to explain some of the mysteries that have puzzled scholars for centuries

The Mystery of the Copper Scroll of Qumran Robert Feather,2003-06-23 Introduces a radical new perspective on the historical foundations of monotheism based on the enigma of the Copper Scroll of the Essenes Confirms the link between ancient Judaism and the pharaoh Akhenaten Decodes the system of measurements encrypted on the Copper Scroll that has confounded scholars for over 50 years leading to the identification of fabulous lost treasures Points to a radical new understanding of the origins of monotheism The famous Dead Sea Scrolls comprise the oldest collection of Biblical documents ever discovered Of the Dead Sea Scrolls none has baffled experts more than the 2 000 year old Copper Scroll discovered in 1952 by a team of Bedouin led by Henri de Contenson of the Ecole Biblique in East Jerusalem Appearing to be a list of buried treasure engraved on copper pieces the Copper Scroll is considered to be the work of a secretive Jewish sect of devout Essenes who lived by the Dead Sea around the time of Jesus No one has been able to explain its meaning or discover any of the 64 locations where the Biblical treasures it lists were buried Robert Feather combining his background as a metallurgist with his journalistic expertise has unraveled the enigma of the Copper Scroll in a fascinating study that takes the reader on a journey from ancient Mesopotamia through Canaan into Egypt and back to the shores of the Dead Sea His exploration links the scroll to the ancient Egyptian king Akhenaten confirming a long suspected influence of this pharaoh's religious beliefs on those of the Hebrews The author's findings not only reveal the locations of most of the treasures listed on the Copper Scroll but they also point to a radical new understanding of the origins of monotheism the basis of the three great religions of Judaism Islam and Christianity

The Genesis Race Will Hart,2003-10-24 Shows that Earth was visited by an extraterrestrial race who bioengineered modern man in its image and taught man how to construct the pyramids Examines the flaws in Darwin's theory of evolution and presents startling new evidence of intelligent intervention Reveals the messages coded in the pyramids left by the ancients concerning impending Earth changes at the end of the Mayan calendar For millennia the development of humanity showed a consistent homogenous pattern Then suddenly around 3000 B C E great civilizations sprang up around the globe All the creation myths of these civilizations tell of gods who came down to Earth and fashioned man in their own image teaching them the arts of agriculture and civilized life In addition the dominant architectural design in Egypt Sumeria Peru Mexico and China was the pyramid though science has never been able to explain why or where these peoples obtained the advanced technological knowledge to construct such edifices The abruptness and similarities of these evolutionary leaps calls into question the Darwinian theory of evolution given that there are no traces of any intermediate evolutionary forms Now using the most current research on DNA Will Hart shows that these gods were actually visitors from other worlds who genetically

engineered modern humanity from the beings that then inhabited the planet He also suggests that the Bible and other creation stories have been interpreted falsely as myth when they should have been read as history The structures left by our ancestors were designed in accordance with precise astronomical and geodetic alignments to make them visible from outer space and to survive for thousands of years with the intent of communicating information relating to physical and temporal events Humanity s current stage of development has finally reached the point where the secret messages of these structures can be decoded to reveal the fate of humanity in the coming Earth changes Power Places and the Master Builders of Antiquity Frank Joseph,2018-06-12 A collection of investigations into strange and mysterious phenomena from around the world Explores ancient and modern sacred sites places of power natural wonders altered states UFO encounters and the afterlife Investigates sites and phenomena in Egypt China Ireland and throughout North America including Oak Island Florida s Coral Castle Wisconsin s UFO hot spot and giant built constructions in Illinois Examines the forgotten or suppressed work of extraordinary personalities including Jules Verne Sir Francis Bacon and the real life Indiana Jones Count Byron de Prorok Sharing his personal investigations into a wide range of ancient mysteries and paranormal enigmas in America and abroad Frank Joseph takes us on a journey into the high strangeness of our world Beginning with the work of the master builders of antiquity the author examines Old World connections with New World sacred centers such as the similarities between Ohio s Mound City and the pyramids and tombs of the Giza Plateau as well as ancient American cities of the Sun China s Great Pyramid and the possibility of a Templar treasure on Oak Island He explores modern sacred sites such as Iowa s Grotto of Gems Tennessee s Greek Temple of the goddess Athena and Florida s Coral Castle He investigates pre Columbian sites and underwater pyramids in the Midwest Wisconsin s UFO hot spot lost Aztec Cities of Gold in Kansas and giant built constructions in Illinois He details how the intriguing acoustics of Newgrange in Ireland are echoed in its spiral carvings Exploring spiritual uses of altered states he looks at the practices of Minoan snake handlers Mayan shamans and prophets through the ages Providing his own investigations into classic paranormal phenomena and ancient mysteries the author also examines evidence of the Bermuda Triangle Atlantis and the Ark of the Covenant He explores the forgotten or suppressed work of some of history s most extraordinary personalities including Jules Verne Sir Francis Bacon Mother Shipton and the real life inspiration for Indiana Jones Count Byron de Prorok He investigates wonders of our natural world including communication with elemental beings the numinous secrets of water and the living soul of matter Frank Joseph investigates these phenomena not to explain them away but to expose their power to affect and elevate human consciousness

From the Ashes of Angels Andrew Collins,2001-09-01 Provides convincing evidence that angels demons and fallen angels were flesh and blood members of a giant race predating humanity spoken of in the Bible as the Nephilim Indicates that the earthly paradise of Eden was a realm in the mountains of Kurdistan By the author of Gateway to Atlantis Our mythology describes how beings of great beauty and intelligence who served as messengers of gods fell from grace through

pride These angels also known as Watchers are spoken of in the Bible and other religious texts as lusting after human women who lay with them and gave birth to giant offspring called the Nephilim These religious sources also record how these beings revealed forbidden arts and sciences to humanity transgressions that led to their destruction in the Great Flood Andrew Collins reveals that these angels demons and fallen angels were flesh and blood members of a race predating our own He offers evidence that they lived in Egypt prior to the ancient Egyptians where they built the Sphinx and other megalithic monuments before leaving the region for what is now eastern Turkey following the cataclysms that accompanied the last Ice Age Here they lived in isolation before gradually establishing contact with the developing human societies of the Mesopotamian plains below Humanity regarded these angels described as tall white haired beings with viperlike faces and burning eyes as gods and their realm the paradise wherein grew the tree of knowledge Andrew Collins demonstrates how the legends behind the fall of the Watchers echo the faded memory of actual historical events and that the legacy they have left humanity is one we can afford to ignore only at our own peril Finding Your Benben Stone Dr. Daniel E.

The Terracotta Warriors Maurice Cotterell,2004-03-25 Explains esoteric secrets of the sacred solar science encoded in the massive army of terracotta warriors that guards the tomb of Chinese emperor Ch in Shi Huangdi Decodes the farewell message of the first emperor of China concealed more than 2 000 years ago in the 8 000 terracotta warriors that guard his tomb Shows the spiritual principles of this sacred solar science and its remarkable insights into heaven hell and the immortality of the soul Latest book by the bestselling author of The Tutankhamun Prophecies and The Lost Tomb of Viracocha When the first emperor of unified China Ch in Shi Huangdi felt his death approaching he decreed that he be entombed within a pyramid and that his tomb be protected by an immortal army of terracotta soldiers In 1974 archaeologists discovered the first of more than 8 000 life size terracotta warriors each weighing half a ton buried circa 220 B C E near this emperor s pyramid tomb Maurice Cotterell shows how Shi Huangdi like the pharaoh Tutankhamun the Mayan lord Pacal and Viracocha in Peru was a keeper of the sacred solar science of the ancients a science that included a sophisticated

understanding of the effect of the sun on earthly affairs fertility rates and personality The keepers of this science taught that the soul was immortal and was destined to transform into star energy or be reborn on Earth depending on an individual's spiritual progress in his or her lifetime Using his unique understanding of how and why ancient civilizations encoded this extraordinary knowledge Cotterell decodes the emperor's farewell message concealed in the terracotta warriors a message that reveals the true purpose of life and the imperishable nature of the soul *Physical Body Ascension to the New Earth*
