community Lillian Armfield Leigh Straw,2018-03-27 An engaging account of an extraordinary trailblazing woman Australia's first female detective LILLIAN ARMFIELD is also the vivid and gripping story of the origins of Sydney's organised crime underbelly Special Constable Lillian Armfield was policing Sydney's mean streets during some of the most dramatic years of crime in the city By the late 1920s eastern Sydney was the heartland of organised crime and the notorious turf battles known as the Razor Wars where bloodied bodies were strewn across streets after late night clashes between rival gangs At first disapproved of by her male colleagues and often working solo and undercover Lillian investigated it all from runaway girls opium dens and back street sly grog shops to drug trafficking rape and murder She dealt with the infamous crime figures of the day Tilly Devine Kate Leigh Botany May Smith and their associates who eventually accorded Lillian a grudging respect Lillian Armfield's life and achievements were extraordinary She paved the way for the women of today's police force and her amazing story is also a compelling chapter in Australian true crime history The Death Rituals of Rural Greece Loring M. Danforth,Alexander Tsiaras,2020-09-01 This compelling text and dramatic photographic essay convey the emotional power of the death rituals of a small Greek village the funeral the singing of laments the distribution of food the daily visits to the graves and especially the rite of exhumation These rituals help Greek villagers face the universal paradox of mourning how can the living sustain relationships with the dead and at the same time bring them to an end in order to continue to live meaningfully as members of a community That is the villagers dilemma and our own Thirty one moving photographs reproduced in duotone to do justice to their great beauty combine with vivid descriptions of the bereaved women of Potamia and with the words of the funeral laments to allow the reader an unusual emotional identification with the people of rural Greece as they struggle to integrate the experience of death into their daily lives Loring M Danforth's sensitive use of symbolic and structural analysis complements his discussion of the social context in which these rituals occur He explores important themes in rural Greek life such as the position of women patterns of reciprocity and obligation and the nature of social relations within the family **Radical Son** David Horowitz,1998-04-21 This riveting national bestseller is an intimate uncompromising account of personal and political transformation documenting David Horowitz's journey from 1960s radical to 1990s conservative One of the best political memoirs I have ever read P J O'Rourke of photos **The Code of the City of Savannah** ,1888 **Death Investigation in America** Jeffrey M Jentzen,2010-02-15 Why is the American system of death investigation so inconsistent and inadequate In this unique political and cultural history Jeffrey Jentzen draws on archives interviews and his own career as a medical examiner to look at the way that a long standing professional and political rivalry controls public medical knowledge and public health Laws of the State of Indiana Indiana,1903 Laws of the State of Indiana, Passed and Published, at the ... Session of the General Assembly Indiana,1903 **First City Zouaves and City Grays** Charles P. Meck,1914 **Knowing People** Michael J. Lovaglia,2006-12-13 Social psychology studies one of civilization's most central concerns human relationships By

understanding people's beliefs, attitudes, and desires, individuals can fashion relationships that benefit all involved rather than one person or group at the expense of another. Written with a friendly style and engaging, accessible language, the second edition of the popular textbook *Knowing People* selects some of the best research in social psychology and shows how it can improve people's lives. This revised and updated edition includes clear descriptions of the latest research and adds a new chapter on leadership and emotion. Not only does *Knowing People* appeal to individual readers interested in improving their relationships, but it is also valuable as a supplemental text in a wide variety of social science, business, and professional courses in all areas where successful interaction with other people is important. **Making Peace with Death and Dying**

Judith Johnson, 2022-03-08 *Making Peace with Death and Dying* dissolves death anxiety and equips readers to encounter death peacefully and well prepared. Readers learn to appreciate death as a natural part of life, be of greater service to the dying and grieving, live with greater purpose and passion, be more peaceful in the presence of death, and to approach death on one's own terms with wisdom and competency. *Making See* C. M. A. van Ekris, 2018-06-20 What is theologically and homiletically happening in prophetic sermons? This empirical theological study offers an analysis of the prophetic dimension in contemporary practices of preaching, including sermons from Bonhoeffer, King, and Tutu, and from Dutch local contexts. After a phenomenological opening, five theological concepts are extracted from the studied sermons, exposing destructive, interrupting dominant discourses, recognising the Word overcoming destructive and edifying the congregation. In this study, prophetic speech is reconstructed as an illuminative interplay between epiphanic and inductive aspects. **Good Life, Good Death** Derek Humphry, 2017-02-21 For nearly four decades, Derek Humphry has blazed a trail for the right to die movement. He founded the Hemlock Society, pioneered Oregon's Death with Dignity Act, and wrote the bestselling books *Final Exit* (more than one million copies sold) and a *New York Times* bestseller for eighteen weeks, and *Jean's Way* (UK bestseller). But before his wife's terminal illness ravaged his life, Humphry was a successful journalist. In *Good Life, Good Death*, readers will learn how the twists and turns of fate led him to his life's purpose. In his poignant memoir, Derek tells of his broken family, his wartime experiences as a boy in England, and rising to the highest rungs of journalism on two continents. In 1975, he lived with crippling fear and sadness when his beloved wife, Jean, was diagnosed with cancer. As the disease gradually spread, they both decided that rather than let a terminal illness run its course through extreme physical and emotional pain, Jean would end her own life on her own terms, at an agreed-upon time and manner, arranging her own last days. Readers will witness the personal pain and emotional distress they endured, as well as the legal repercussions Derek faced following her death. As Humphry writes, "It would be far more preferable to legalize medically assisted suicide for terminally ill adults, for it is a tremendous strain and risk put on families." To know why he has maintained this struggle for choice in dying against powerful religious and political forces, it is necessary to understand the whole man. In *Good Life, Good Death*, readers will appreciate the fight he has gone through so that others might consider the option of dying with dignity. *The Christian Advocate*, 1901
