The Complete Guide to Point-and-Figure Charting Heinrich Weber, Kermit Zieg, 2003-09-30

The aim of this book is to explain point and figure charting to European investors and traders and to show why it is the most reliable technical tool for timing entry and exit points in stocks, indices, and other securities. The book is written for all levels of trader, from the novice to the experienced. It starts by explaining the basics of point and figure and by showing its advantages over other types of chart. Readers are then given step by step instructions on how to start a point and figure chart from simple price data and how to add to it day by day using simple rules based on end of day highs and lows. The emphasis is on simplicity and clarity. The section on chart interpretation introduces the basic buy and sell signals and goes on to explain the more complex signals in each case, illustrating the pattern and the precise entry and exit points with colour charts from FTSE stocks and indices. It also shows how trend lines are incorporated into a chart. The latest point and figure trading techniques are covered in depth. The authors show how to use horizontal and vertical counts to estimate the size of price moves, use stop orders to protect positions, use pyramiding to maximise profitable trends, and use swing trading in combination with p/f. They also show how to adapt your trading style to the amount of capital you have available and to your risk tolerance. In the later sections of the book, the authors concentrate on optimisation of p/f trading and the avoidance of the most common trap over fitting and on analysis of the profitability of p/f trading. They demonstrate conclusively that point and figure, correctly applied, produces consistent and

reliable profits across a variety of markets In summary Heinrich Weber Kermit Zieg s book is the definitive guide to the theory and application of point and figure charting It is especially welcome for UK and European traders since it uses recent charts of FTSE and European securities as examples and includes hitherto unpublished research on p f s applicability to European securities Trading the US Markets Paolo Pezzutti,2008 In this comprehensive guide to U S markets designed for European traders and investors Pezzutti offers information on market diversification where to find the the greatest range of stock sectors and much more *The Complete Guide to Futures Trading* Lind-Waldock,2006-06-12 PRAISE FOR The Complete Guide to FUTURES TRADING It does a good job of conveying in a style that is clear to the layman how the futures world works and what is required to succeed as a trader Financial Engineering News This landmark book makes futures trading accessible to mainstream individual investors As chief executive officer of the largest financial exchange in the world for trading futures and options I can wholeheartedly recommend this volume for the reader who wants to learn the fundamentals of investing in futures From the Foreword by Craig S Donohue Chief Executive Officer Chicago Mercantile Exchange The Complete Guide to Futures Trading is the ultimate getting started guide The book leads you through an informative yet concise course with an A to Z explanation of how to trade futures successfully eSignal has partnered with Lind Waldock for more than a decade to provide futures traders with reliable accurate and actionable data This is a much needed and well written resource for the new futures trader Chuck Thompson President eSignal My hat is off to the authors of this extremely well written and timely book about futures trading If the experts are right that the next bull market will be in commodities this guide will find a large audience among investors interested in diversifying beyond stocks and bonds This guide does a terrific job of explaining the practical aspects of futures trading and will be of great use to anyone interested in using these instruments to participate in market trends John Damgard President Futures Industry Association Expert Systems in Finance Noura Metawa,Mohamed Elhoseny,Aboul Ella Hassanien,M.
