Morris,2023-07-10 As members of The Church of Jesus Christ of Latter day Saints we sometimes don t realize how unique much of our doctrine is on the Atonement of Jesus Christ The Lord revealed through the young Prophet Joseph Smith important truths that had been lost regarding our Redeemer s great sacrifice Were Adam and Eve forgiven for the Fall Is it possible that there will be two separate resurrections Will we inherit our Heavenly Father s kingdom The answers to these truths are familiar to most Latter day Saints today However there was a time when these revelations were not widely available a time when Satan was desperately trying to keep these revolutionary truths buried in darkness A first of its kind

Chad Morris's book *New Light on the Atonement* focuses on the first two years of the organized Church and the events surrounding the revelations that we now take for granted. Readers now have the opportunity to gain a greater knowledge of Joseph Smith and the restored truths that came through him regarding the most important sacrifice of all time: the Atonement of Jesus Christ. **On the atonement and intercession of Jesus Christ. Second edition** William SYMINGTON

(D.D.), 1834 *The Atonement* Leighton Pullan, 1906 *By Man Least Understood: Repentance, Agency, Restoration, Atonement, and the Everlasting Covenant* Derek G. Rowley, 2023-07-17 Of all the miracles ever recorded during God's dealings with man, perhaps the greatest of all is the Atonement of Jesus Christ. Christ's selfless sacrifice made it possible for us to be forgiven, partake of Eternal Life, and return to the presence of our Heavenly Father. Although many books exist on this subject, few command the depth of insight this book holds. Beginning with the basic principle of repentance, this book details the restoration of priesthood keys, priesthood ordinances, gospel covenants, agency, and forgiveness. It explores the truth that repentance is the process by which the power of the Atonement—the thread that ties everything together in our journey to the Celestial Kingdom—is ultimately available to us and reminds us that repentance allows us to receive all the gifts, blessings, and promises of eternal life. In *By Man Least Understood*, the reader will come to fully appreciate that the Atonement is the miracle that provides the path by which we can reach our full potential and become like our Heavenly Father and His Son, Jesus Christ. **The Atonement: in its relations to the covenant, the priesthood, the intercession of our Lord** Hugh Martin, 1882

So Great a Salvation Jon C. Laansma, George H. Guthrie, Cynthia Long Westfall, 2019-06-27 This volume presents a dialogue between historians, exegetes, and theologians on the background and key themes of the atonement in Hebrews. Presenting a range of differing perspectives and contributing to the renewed conversation between biblical and theological scholarship, the argument is structured in two parts: contexts and themes within Hebrews. Focusing on atonement not only in the Old Testament but also in the Greco-Roman world and touching on themes such as sacrifice, plight, and solution, and faith, these contributions shed light on the concept of the atonement in a directly scriptural way. The whole is a definitive collection of studies on the atonement in Hebrews that will be of service well beyond the confines of Hebrews specialists: a collection as important for what it says about the atonement and the 21st-century church as for what it says about Hebrews. **On the Atonement and Intercession of Jesus Christ** William
