The Tracks We Leave Ethics In Healthcare Management:

The Tracks We Leave: Ethics and Management Dilemmas in Healthcare, Fourth Edition Frankie Perry, RN, 2024-06-11

The Tracks We Leave provides practical guidance for navigating the multifaceted ethical dilemmas that healthcare managers encounter. The book begins by discussing a healthcare manager's ethical responsibilities and presenting the business case for ethics management. The ensuing cases and discussions reflect the typical challenges faced by healthcare executives such as medical errors, physician impairment, coworker conflict, gender discrimination, staff shortages, and clinician burnout. The book emphasizes the clear correlation between ethics and management along with the need for managers to consider ethical implications when making management decisions. This revised edition features five new chapters that examine ethics surrounding topics such as Technology in support of remote patient care and remote work, The responsibility of senior healthcare management to create an ethical culture, The COVID 19 pandemic and preparation for the next crisis, The conclusion of the book provides closure to the cases by identifying the consequences of the management actions taken in each instance. It also contains an ethics self assessment that identifies areas for improvement. *The Tracks We Leave* Frankie Perry, 2014 Instructor Resources PowerPoint slides, discussion questions, and mini cases for breakout group analysis. Through a series of timely and relevant cases based on real life experiences, this book explores the kinds of management dilemmas and moral challenges that confront healthcare managers on a day to day basis. Good management requires making morally sound decisions and understanding the ethical implications for your organization, community, patients, and your career. In this updated edition, readers will explore the interrelatedness of ethics and management and common barriers to ethical decisions. In-depth analyses of cases and strategic discussions bring to life these complex issues: Diversity, management, Information technology, Disaster planning, Medical errors, Physician impairment, Conflict of interest, Sexual harassment, and gender discrimination, Workforce reduction, Mergers, Conflicting moral demands. This practical guide gives direction and guidance to help healthcare managers at all levels of the organization build an ethical culture, advocate a business case for ethics, address structural issues, and adopt an ethical decision making model for the organization.

The Tracks We Leave Frankie Perry, 2020. Now more than ever, ethical management in healthcare requires more than just a commitment to doing the right thing. It requires the ability to analyze highly complex situations in a volatile environment, to address the myriad needs and concerns of patients and other stakeholders, to thoughtfully evaluate diverse courses of action, and ultimately to choose the right path when the moral rules are not always clear. *The Tracks We Leave: Ethics and Management Dilemmas in Healthcare*, now in its third edition, provides guidance for current and future healthcare managers as they confront the ethical challenges of their day to day work. Structured around a series of real life cases, the book explores the ethical implications of such topics as Medical errors, Conflicts of interest, Sexual harassment, and gender discrimination, Physician impairment, Emergency preparedness, Workforce reductions, End of life decisions. Through a host of

relevant timely scenarios and thought provoking essays the book examines ethics as a leadership imperative describes organizational policies and infrastructure components that support an ethical culture and presents a framework for ethical analysis that is both comprehensive and pragmatic **The Tracks We Leave** Frankie Perry,2020 Through a series of essays and cases based on real life experiences this book explores the interrelatedness of ethics and management and helps healthcare professionals at all levels of an organization overcome barriers to ethical decisions *Introduction to Health Care Management* Sharon B.
