

THE TWILIGHT OF EQUALITY?

NEOLIBERALISM, CULTURAL POLITICS,
AND THE ATTACK ON DEMOCRACY

LISA DUGGAN

The Twilight Of Equality

Carlos A. Ball

The Twilight Of Equality:

The Twilight of Equality? Lisa Duggan, 2012-04-03 By now we've all heard about the shocking redistribution of wealth that's occurred during the last thirty years and particularly during the last decade. But economic changes like this don't occur in a vacuum; they're always linked to politics. *The Twilight of Equality* searches out these links through an analysis of the politics of the 1990s, the decade when neoliberalism, free market economics, became gospel. After a brilliant historical examination of how racial and gender inequities were woven into the very theoretical underpinnings of the neoliberal model of the state, Duggan shows how these inequities play out today. In a series of political case studies, Duggan reveals how neoliberal goals have been pursued, demonstrating that progressive arguments that separate identity politics and economic policy, cultural politics and affairs of state, can only fail. Ultimately, *The Twilight of Equality* not only reveals how the highly successful rhetorical maneuvers of neoliberalism have functioned, but more importantly, it shows a way to revitalize and unify progressive politics in the U.S. today.

Queer Externalities W. C. Harris, 2009-09-10 Provocative take on the negative effects of increasing queer visibility and assimilation on the lives of queer people and politics in the U.S. [In and Out of View](#) Catha Paquette, Karen Kleinfelder, Christopher Miles, 2021-09-09 *In and Out of View* models an expansion in how censorship is discursively framed. Contributors from diverse backgrounds, including artists, art historians, museum specialists, and students, address controversial instances of art production and reception from the mid-20th century to the present in the Americas, Africa, Asia, Europe, and the Middle East. Their essays, interviews, and statements invite consideration of the shifting contexts, values, and needs through which artwork moves in and out of view. At issue are governmental restrictions and discursive effects, including erasure and distortion, resulting from institutional policies, canonical processes, and interpretive methods. Crucial considerations concerning death, violence, authoritarianism, neo-colonialism, global capitalism, labor, immigration, race, religion, sexuality, activism, social justice, disability, campus speech, and cultural destruction are highlighted. The anthology, a thought-provoking resource for students and scholars in art history, museum, and cultural studies, and creative practices, represents a timely and significant contribution to the literature on censorship.

Sexuality and Transsexuality Under the European Convention on Human Rights Damian A. Gonzalez Salzgberg, 2019-02-07 This book undertakes a critical analysis of international human rights law through the lens of queer theory. It pursues two main aims: first, to make use of queer theory to illustrate that the field of human rights law is underpinned by several assumptions that determine a conception of the subject that is gendered and sexual in specific ways. This gives rise to multiple legal and social consequences, some of which challenge the very idea of universality of human rights. Second, the book proposes that human rights law can actually benefit from a better understanding of queer critiques, since queer insights can help it to overcome heteronormative beliefs currently held. In order to achieve these main aims, the book focuses on the case law of the European Court of Human Rights, the leading legal authority in the field of international human rights law. The use of queer theory as

the theoretical approach for these tasks serves to deconstruct several aspects of the Court's jurisprudence dealing with gender sexuality and kinship to later suggest potential paths to reconstruct such features in a queer er and more universal manner

The New Gay for Pay Julia Himberg, 2018-01-13 Television conveys powerful messages about sexual identities and popular shows such as Will how those practitioners operate within media conglomerates and perhaps most important how they contribute to commonsense ideas about sexuality

Beyond the Politics of the Closet Jonathan Bell, 2020-03-20 A collection of essays that demonstrate how LGBT people played critical roles in local state and national politics In the 1970s queer Americans demanded access not only to health and social services but also to mainstream Democratic and Republican Party politics The AIDS crisis of the 1980s made the battles for access to welfare health care and social services for HIV positive Americans many of them gay men a critically important story in the changing relationship between sexual minorities and the government The 1980s and 1990s marked a period in which religious right attacks on the civil rights of minorities including LGBT people offered opportunities for activists to create campaigns that could mobilize a base in mainstream politics and contribute to the gradual legitimization of sexual minorities in American society *Beyond the Politics of the Closet* features essays by historians whose work on LGBT history delves into the decades between the mid 1970s and the millennium a period in which the relationship between activist networks the state capitalism and political parties became infinitely more complicated Examining the crucial relationship between sexuality race and class the volume highlights the impact gay rights politics and activism have had on the wider American political landscape since the rights revolutions of the 1960s The three sections of *Beyond the Politics of the Closet* conceptualize LGBT politics both chronologically and thematically The first section highlights the ways in which the immediate post rights revolution period created new demands on the part of sexual minorities for social services especially in health care and housing The second examines the impact of the AIDS crisis on different aspects of national and local LGBT politics The last section considers how analyzing LGBT politics can reorient our understanding of the closet and illuminate the challenges for those seeking to integrate questions of sexual rights into broader political narratives whether of the left or the right Contributors Ian M Baldwin Katie Batza Jonathan Bell Julio Cap Jr Rachel Guberman Clayton Howard Kevin Mumford Dan Royles Timothy Stewart Winter

The War on Sex David M. Halperin, Trevor Hoppe, 2017-03-09 The past fifty years are conventionally understood to have witnessed an uninterrupted expansion of sexual rights and liberties in the United States This state of the art collection tells a different story while progress has been made in marriage equality reproductive rights access to birth control and other areas government and civil society are waging a war on stigmatized sex by means of law surveillance and social control The contributors document the history and operation of sex offender registries and the criminalization of HIV as well as highly punitive measures against sex work that do more to harm women than to combat human trafficking They reveal that sex crimes are punished more harshly than other crimes while new legal and administrative regulations drastically restrict who is

permitted to have sex By examining how the ever intensifying war on sex affects both privileged and marginalized communities the essays collected here show why sexual liberation is indispensable to social justice and human rights Contributors Alexis Agathocleous Elizabeth Bernstein J Wallace Borchert Mary Anne Case Owen Daniel McCarter Scott De Orio David M Halperin Amber Hollibaugh Trevor Hoppe Hans Tao Ming Huang Regina Kunzel Roger N Lancaster Judith Levine Laura Mansnerus Erica R Meiners R Noll Melissa Petro Carol Queen Penelope Saunders Sean Strub Maurice Tomlinson Gregory Tomso **Out**, 2006-02 Out is a fashion style celebrity and opinion magazine for the modern gay man

The Rainbow Ain't Never Been Enough Kaila Adia Story, 2025-05-13 A queer Black feminist debunks the myth of rainbow solidarity repositioning Black and Latinx LGBTQ people at the forefront of queer pasts presents and futures Your favorite Black queer studies professor Kaila Adia Story says the rainbow ain't never been enough in this introduction to the current state of queer intersectionality or lack thereof Story argues that to be queer is to be political and the carefully glittered facade of solidarity in the pride movement veils dangerous neoliberal ideals of apolitical queer embodiment The rainbow as a symbol of communal solidarity is a hollow offering when cis white LGBTQ people are allowed to opt out of divesting from white supremacy misogyny and transphobia The Rainbow Ain't Never Been Enough fills a necessary gap in our understanding of how racism transphobia and antiblackness operate in liberal spaces Black feminist and queer theorist Kaila Adia Story blends analysis pop culture and her lived experiences to explore the silencing practices of mainstream queer culture She touches on cornerstone issues of the movement like the whitewashing of queer history and commodification of pride celebrations the appropriation of the Black and Latinx ball scene and culture the racialized and gendered violence inflicted upon Black trans women the exclusion of the lives and work of activists like Marsha P Johnson Sylvia Rivera Storm DeLarverie and CeCe McDonald from queer history the lack of remembrance and respect for the lives of the Black and Latinx queer and trans people who have always been on the frontlines of queer liberation Expanding beyond the classroom Story utilizes her expertise as a scholar of queer theory to offer readers a comprehensive understanding of how racism operates in these spaces and what we can do to create a more equitable future **Abolitionist Intimacies** Eithne Luibhéid, 2025-04-18 In

Abolitionist Intimacies Eithne Luibhéid examines writings by and about queer and trans identified migrants and allies who contest pervasive US immigration practices and work toward a future without detention deportation and border controls Luibhéid shows how these migrants and activists confront such controls by mobilizing intimacies forging close connections in order to survive in the present From forms of kinship beyond the heterosexual nuclear family to networks of solidarity intimacies allow queer and trans migrants and allies to challenge the infrastructures that support the deportation state proposed pathways to citizenship for undocumented migrants marriage as a means for legalization traffic interactions as a pipeline to deportation and queer and trans migrant detention In the process activists and theorists have advanced new visions and configurations of possible intimacies that not only challenge deportation but also rework what immigration

control and citizenship could mean By focusing on these abolitionist efforts as well as the publicly available records on queer and trans deportees Luibh id highlights the new understandings that emerge when the experiences of queer and trans people are centered

Pregnant on Arrival Eithne Luibhéid, 2013-08-01 State alert as pregnant asylum seekers aim for Ireland Country Being Held Hostage by Con Men Spongers and Those Taking Advantage of the Maternity Residency Policy From 1997 to 2004 headlines such as these dominated Ireland s mainstream media as pregnant immigrants were recast as illegals entering the country to gain legal residency through childbirth As immigration soared Irish media and politicians began to equate this phenomenon with illegal immigration that threatened to destroy the country s social cultural and economic fabric Pregnant on Arrival explores how pregnant immigrants were made into paradigmatic figures of illegal immigration as well as the measures this characterization set into motion and the consequences for immigrants and citizens While focusing on Ireland Eithne Luibh id s analysis illuminates global struggles over the citizenship status of children born to immigrant parents in countries as diverse as the United States Hong Kong and elsewhere Scholarship on the social construction of the illegal immigrant calls on histories of colonialism global capitalism racism and exclusionary nation building but has been largely silent on the role of nationalist sexual regimes in determining legal status Eithne Luibh id turns to queer theory to understand how pregnancy sexuality and immigrants relationships to prevailing sexual norms affect their chances of being designated as legal or illegal Pregnant on Arrival offers unvarnished insight into how categories of immigrant legal status emerge and change how sexual regimes figure prominently in these processes and how efforts to prevent illegal immigration ultimately redefine nationalist sexual norms and associated racial gender economic and geopolitical hierarchies

Moral Panics, Sex Panics Gilbert Herdt, 2009-06 This work focuses on case studies ranging from sex education to AIDS to race to illustrate how sexuality is at the heart of many political controversies

Sex and Sexuality within the Family Context R. Sooryamoorthy, Sampson Lee Blair, 2025-11-12 From the marital aspirations of sexual minority transgender young adults to the evolving intimacies of Indian women each chapter provides a unique perspective on how personal and societal factors shape sexual identities and relationships

Handbook of Cultural Politics and Education, 2010-01-01 In academia the effects of the cultural turn have been felt deeply In everyday life tenets from cultural politics have influenced how people behave or regard their options for action such as the reconfiguration of social movements protests and praxis in general Many authors writing in this field are known for their scholarship and social activism both of which are arguably guided by principles of cultural politics about the nature of representation and the deployment of power in political discourses The Handbook of Cultural Politics and Education is less an attempt to standardize contemporary educational scholarship and more a collection that engages the problems and promises of recent themes in social and cultural thought which require our attention and demand a response In other words it opens doors to questions rather than convenient answers to difficult educational dilemmas The Handbook is part of the appraisal of an opening created by interdisciplinary writings on such

themes as representation civil society cultural struggle subjectivity and media within the context of education Indeed cultural politics troubles traditional frameworks in search of critical explanations concerning education s place within society The contributions in the collection support this endeavor

Republic on the Wire John McMurria, 2017-02 The history of cable television in America is far older than networks like MTV ESPN and HBO which are so familiar to us today Tracing the origins of cable TV back to the late 1940s media scholar John McMurria also locates the roots of many current debates about premium television cultural elitism minority programming content restriction and corporate ownership Republic on the Wire takes us back to the pivotal years in which media regulators and members of the viewing public presciently weighed the potential benefits and risks of a two tiered television system split between free broadcasts and pay cable service Digging into rare archives McMurria reconstructs the arguments of policymakers whose often sincere advocacy for the public benefits of cable television were fueled by cultural elitism and the priority to maintain order during a period of urban Black rebellions He also tells the story of the people of color rural residents women s groups veterans seniors and low income viewers who challenged this reasoning and demanded an equal say over the future of television By excavating this early cable history and placing equality at the center of our understanding of media democracy Republic on the Wire is a real eye opener as it develops a new methodology for studying media policy in the past and present

The Rowman & Littlefield Handbook of Transgender Studies J. E. Sumerau, 2023-01-30 The Rowman Littlefield Handbook of Transgender Studies is a comprehensive yet concise overview of important issues themes and research on transgender people and populations Coupling both their scholarly expertise with their lived experiences the contributors tackle a full gamut of topics including medical care education coming out bathroom and military politics and possibilities and the creation of families The volume opens with an introduction from the editor who outlines her own journey and experience searching for information on transgender studies in the early 2010 s Since then the field has risen in prominence and is one of the fastest growing areas of research in gender studies Scholars and students alike will find this to be an accessible and essential primer on the societal forces that impact and shape the lives of transgender people

Queer Korea Todd A. Henry, 2020-02-21 Since the end of the nineteenth century the Korean people have faced successive waves of foreign domination authoritarian regimes forced dispersal and divided development Throughout these turbulent times queer Koreans were ignored minimized and erased in narratives of their modern nation East Asia and the wider world This interdisciplinary volume challenges such marginalization through critical analyses of non normative sexuality and gender variance Considering both personal and collective forces contributors extend individualized notions of queer neoliberalism beyond those typically set in Western queer theory Along the way they recount a range of illuminating topics from shamanic rituals during the colonial era and B grade comedy films under Cold War dictatorship to toxic masculinity in today s South Korean military and transgender confrontations with the resident registration system More broadly Queer Korea offers readers new ways of understanding the limits and possibilities of

human liberation under exclusionary conditions of modernity in Asia and beyond Contributors Pei Jean Chen John Song Pae Cho Chung kang Kim Timothy Gitzen Todd A Henry Merose Hwang Ruin Layoung Shin Shin ae Ha John Whittier Treat

The Queering of Corporate America Carlos A. Ball, 2019-11-12 An accurate picture of the LGBTQ rights movement's achievements is incomplete without this surprising history of how corporate America joined the cause Legal scholar Carlos Ball tells the overlooked story of how LGBTQ activism aimed at corporations since the Stonewall riots helped turn them from enterprises either indifferent to or openly hostile toward sexual minorities and transgender individuals into reliable and powerful allies of the movement for queer equality As a result of street protests and boycotts during the 1970s AIDS activism directed at pharmaceutical companies in the 1980s and the push for corporate nondiscrimination policies and domestic partnership benefits in the 1990s LGBTQ activism changed big business's understanding and treatment of the queer community By the 2000s corporations were frequently and vigorously promoting LGBTQ equality both within their walls and in the public sphere Large companies such as American Airlines Apple Google Marriott and Walmart have been crucial allies in promoting marriage equality and opposing anti LGBTQ regulations such as transgender bathroom laws At a time when the LGBTQ movement is facing considerable political backlash *The Queering of Corporate America* complicates the narrative of corporate conservatism and provides insights into the future legal political and cultural implications of this unexpected relationship

Queer Data Kevin Guyan, 2022-01-13 Data has never mattered more Our lives are increasingly shaped by it and how it is defined collected and used But who counts in the collection analysis and application of data This important book is the first to look at queer data defined as data relating to gender sex sexual orientation and trans identity history The author shows us how current data practices reflect an incomplete account of LGBTQ lives and helps us understand how data biases are used to delegitimise the everyday experiences of queer people Guyan demonstrates why it is important to understand collect and analyse queer data the benefits and challenges involved in doing so and how we might better use queer data in our work Arming us with the tools for action this book shows how greater knowledge about queer identities is instrumental in informing decisions about resource allocation changes to legislation access to services representation and visibility

Normal Life Dean Spade, 2015-07-23 Revised and Expanded Edition Wait what's wrong with rights It is usually assumed that trans and gender nonconforming people should follow the civil rights and equality strategies of lesbian and gay rights organizations by agitating for legal reforms that would ostensibly guarantee nondiscrimination and equal protection under the law This approach assumes that the best way to address the poverty and criminalization that plague trans populations is to gain legal recognition and inclusion in the state's institutions But is this strategy effective In *Normal Life* Dean Spade presents revelatory critiques of the legal equality framework for social change and points to examples of transformative grassroots trans activism that is raising demands that go beyond traditional civil rights reforms Spade explodes assumptions about what legal rights can do for marginalized populations and describes transformative resistance

processes and formations that address the root causes of harm and violence In the new afterword to this revised and expanded edition Spade notes the rapid mainstreaming of trans politics and finds that his predictions that gaining legal recognition will fail to benefit trans populations are coming to fruition Spade examines recent efforts by the Obama administration and trans equality advocates to pinkwash state violence by articulating the US military and prison systems as sites for trans inclusion reforms In the context of recent increased mainstream visibility of trans people and trans politics Spade continues to advocate for the dismantling of systems of state violence that shorten the lives of trans people Now more than ever *Normal Life* is an urgent call for justice and trans liberation and the radical transformations it will require

The Twilight Of Equality: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have enthralled audiences this year. The Twilight Of Equality : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. The Twilight Of Equality : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

The Twilight Of Equality Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to

historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Twilight Of Equality free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Twilight Of Equality free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Twilight Of Equality free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading The Twilight Of Equality. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Twilight Of Equality any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About The Twilight Of Equality Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before

making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Twilight Of Equality is one of the best book in our library for free trial. We provide copy of The Twilight Of Equality in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Twilight Of Equality. Where to download The Twilight Of Equality online for free? Are you looking for The Twilight Of Equality PDF? This is definitely going to save you time and cash in something you should think about.
