The Moral Complexities of Eating Meat Ben Bramble, Bob Fischer, Robert William Fischer, 2016 Every year billions of animals are raised and killed by human beings for human consumption What should we think of this practice In what ways if any is it morally problematic This volume collects twelve new essays by leading moral philosophers examining some of the most important aspects of this topic

Critical Perspectives on Veganism Jodey Castricano, Rasmus R. Simonsen, 2016-09-13 This book examines the ethics politics and aesthetics of veganism in contemporary culture and thought Traditionally a lifestyle located on the margins of western culture veganism has now been propelled into the mainstream and as agribusiness grows animal issues are inextricably linked to environmental impact as well as to existing ethical concerns This collection connects veganism to a range of topics including gender sexuality race the law and popular culture It explores how something as basic as one's food choices continue to impact on the cultural political and philosophical discourse of the modern day and asks whether the normalization of veganism strengthens or detracts from the radical impetus of its politics With a Foreword by Melanie Joy and Jens Tuidor this book analyzes the mounting prevalence of veganism as it appears in different cultural shifts and asks how veganism might be rethought and re practised in the twenty first century

Persimmon Takes On Humanity Christopher Locke, 2015-02-10 What would you do if you saw someone committing unimaginable acts of cruelty Turn the other way or defend those in need no matter the cost That's the dilemma thrust upon Persimmon a clever and compassionate raccoon and her loyal forest friends Instantly the courageous critters spring into action risking their own lives to rescue any animal they see suffering at the hands of humans What the team doesn't know is just how rampant this violence really is and soon their exciting rescue missions turn shockingly dangerous and deadly Will they succeed in saving the animals of the world from humans brutality or will they fall victim to the powerful system of abuse they're trying so desperately to end *Persimmon Takes On Humanity* is the thrilling first book in the animal rights themed YA series *The Enlightenment Adventures*

For anyone who loved the intensity of *The Hunger Games* the social commentary of *The Jungle* and the heart of *Charlotte's Web* this will be your new favorite book **The Humane Hoax** Hope Bohanec, 2023 This groundbreaking volume uncovers and critiques how animal agriculture's new alternative marketing and labeling known as the humane hoax is represented in the media and the negative impact it has on human and non human communities alike As consumers become increasingly aware of the animal agriculture industry's cruelty and environmental devastation clever industry marketers are adapting with alternative humane and sustainable labeling and marketing campaigns The term humane hoax is gaining traction in animal advocacy circles defined as new language and labels in animal product marketing that convey a false narrative of humane treatment and sustainable management of farmed animal operations Cage free certified humane and other comforting labels are no longer elusive dusty items only seen in the back corners of funky health food stores They are now as numerous as cattle on a feedlot spotted in common places like discount markets and your local coffee shop Industry humane washing and greenwashing create reassuring language and euphemistic labels that tell a story of a supposed distinction from conventional animal products But the reality on the ground in the manure pits during the mechanical milking and inside the terrifying slaughterhouses is fundamentally unchanged despite promises of something new and improved In the absence of accurate information it has never been more important to educate people on the realities behind the industry lies and people are hungry for the truth *The Humane Hoax* features a range of engaging and thought provoking essays from eighteen notable experts who are at the forefront of this marketing and societal shift chronicling every aspect with in depth analyses and intellectual rigor Among other timely topics we will explore how the humane hoax intersects with feminism and environmentalism how it is represented in the media and the affects it has on human and non human communities alike *The Humane Hoax* will leave the reader questioning everything that they have been conditioned to believe as consumers and more [Bhakti Ethics, Emotions, and Love in Gau?iya Vai??ava Metaethics](#) Cogen Bohanec, 2024-07-08 *Bhakti Ethics Emotions and Love in Gau ya Vai ava Metaethics* explores the broader implications of understanding bhakti devotional love to the divine as an ethical theory based on a realist account of emotions where emotions are sensory perceptions of the real ethical qualities of classes of actions The book spotlights one complex articulation of an Indian epistemology and ontology of ethics based on the metaphysics of Gau ya Vai ava psychology of emotions in dialogue with a variety of academic fields including the philosophy of religion and related methodologies such as virtue ethics theological voluntarism and ecofeminist and feminist care ethics The work discusses how emotions are understood metaphysically as extra mental objectively real qualities what Cogen Bohanec refers to as affective realism This follows from a cosmogenic model where the universe emanates from the loving relationship between the divine feminine R dh and her intense loving relationship with her masculine counterpart K a Since the origin of all of reality emanates from the ultimacy of an affective relationship then the fabric of reality can be described as having objectively real affective qualities and that is the basis for grounding this ethical

system A Taste of Love: Eat, Love, Vegan Joanna Slodownik, 2020-08-30 It was supposed to be a MAKEOVER of her family RESTAURANT not her LIFE A clean romantic comedy with a touch of romance plus some delicious vegan recipes When Alexandra agrees to take care of the family restaurant she thinks it's only temporary until her father recovers from a massive heart attack What she doesn't know is that the restaurant is in trouble and participating in the Xtreme Restaurant Makeover television show may be the only way to save it The show is hosted by a hot but cutthroat celebrity chef Russell Stone who turns around failing restaurants in less than five days but his style and manners or lack of thereof are hard for Alexandra to swallow Dirty pots and pans fly around the kitchen food gets spit out and interiors are gutted as millions are watching and cheering the bigger the humiliation of the restaurant owner the higher the ratings She despises the very idea of it and doesn't think she could do it Or could she **Ahimsa in the Indic Traditions** Jeffery D. Long, Steven J. Rosen, 2024-09-10 Ahi sa in the Indic Traditions Explorations and Reflections edited by Jeffery D Long and Steven J Rosen examines the diversity of nonviolent ahimsa oriented doctrines originating in the Indic world both in terms of interpersonal relationships and how they apply to the rest of creation including animals This volume engages the voices of scholars from various disciplines and addresses numerous religious doctrines including those of Hinduism Buddhism Jainism and their related sacred texts The book focuses not only on past scholarship and intellectual modes of understanding nonviolence but also on living traditions and the practice of modern and post modern individuals from Vivekananda to Gandhi to Prabhupada and their millions of supporters and followers The volume shows that the implications of ahimsa are staggering with reference to interpersonal exchange vegetarianism animal rights climate change and so on Happy Meat, Humane Animal Research, and Other Myths Peter Marsh, 2025-03-25 Albert Bandura's ideas about the methods people use to avoid feeling guilty about harming others have led to valuable insights about many forms of mass violence from wartime atrocities to terrorism and genocide Happy Meat Humane Animal Research and Other Myths applies these insights to another form of mass violence the many ways people harm animals Each of the first eight chapters discusses how people use a particular method of moral disengagement to feel better about harming animals The last two chapters highlight the myths that have been developed in this regard including the Myth of Happy Meat and the Myth of Humane Animal Research These myths perpetuate the attitudes and actions of modern sexists and racists further legitimizing their actions Happy Meat Humane Animal Research and Other Myths discusses how different forms of prejudice are interconnected and why we will not be able to eradicate other forms of such violence without eradicating prejudice against animals too The Appendix consists of The Omnivore's Moral Dilemmas an essay that discusses the ethical conflicts faced by omnivores who think of themselves as environmentalists feminists humanitarians humane pescatarians or humane vegetarians and why they cannot be true to their values without adopting a plant based diet **The Sustainability Secret** Kip Andersen, Keegan Kuhn, 2016-07-12 This companion to the documentary Cowspiracy explores the devastating environmental impacts of animal agriculture and new

paths to sustainability The 2014 documentary *Cowspiracy* presented alarming truths about the effects of animal agriculture on the planet One of the leading causes of deforestation greenhouse gas production water use species extinction ocean dead zones and a host of other ills animal agriculture is a major threat to the future of all species and one of the environmental industry's best kept secrets The *Sustainability Secret* expands upon *Cowspiracy* in every way In this updated volume the film's co-creators reveal shocking new facts and interview the leaders of businesses environmental organizations and political groups about the disastrous effects of animal agriculture Extended transcripts updated statistics tips on becoming vegan and comprehensive reading lists provide an in-depth overview of this planetary crisis and demonstrate effective ways to offset the damage

Animal Oppression and Capitalism David Nibert, 2017-09-08 This important two-volume set unapologetically documents how capitalism results in the oppression of animals ranging from fish and chickens to dogs elephants and kangaroos as well as in environmental destruction vital resource depletion and climate change Most traditional narratives portray humanity's use of other animals as natural and necessary for human social development and present the idea that capitalism is generally a positive force in the world But is this worldview accurate or just a convenient easy-to-accept way to ignore what is really happening a systematic oppression of animals that simultaneously results in environmental destruction and places insurmountable obstacles in the path to a sustainable and peaceful future David Nibert's *Animal Oppression and Capitalism* is a timely two-volume set that calls into question the capitalist system at a point in human history when inequality and the imbalance in the distribution of wealth are growing domestically and internationally Expert contributors show why the oppression of animals particularly the use of other animals as food is increasingly being linked to unfavorable climate change and the depletion of fresh water and other vital resources Readers will also learn about the tragic connections between the production of animal products and global hunger and expanded regional violence and warfare and they will understand how many common human health problems including heart attacks strokes and various forms of cancer develop as a result of consuming animal products
