The Underground Church Reclaiming The Subversive Way Of Jesus:

The Underground Church Robin Meyers, 2012-11-15 A new way to follow Jesus that draws on old ways of following him
Prominent progressive writer speaker and minister Robin Meyers proposes that the best way for the faithful to recapture the spirit of the early Christian church is to recognize that Jesus following was and must be again subversive in the best sense of the word because the gospel taken seriously turns the world upside down No matter how the church may organize itself or worship the defining characteristic of the church of the future will be its Jesus inspired countercultural witness *The Underground Church* Robin Meyers, 2020-10-06 The Underground Church proposes that the faithful recapture the spirit of the early church with its emphasis on what Christians do rather than what they believe Prominent progressive writer speaker and minister Robin Meyers proposes that the best way to recapture the spirit of the early Christian church is to recognize that Jesus following was and must be again subversive in the best sense of the word because the gospel taken seriously turns the world upside down No matter how the church may organize itself or worship the defining characteristic of the church of the future will be its Jesus inspired countercultural witness Meyers debunks commonly held beliefs about the early church and offers a vision for the future rooted in the past He proposes that the church of the future must leave doctrinal tribalism behind and seek a unity of mission instead Archbishop Emeritus Desmond Tutu says of this volume Robin Meyers has spoken truth to power and the church he loves will never be the same **What Jesus Said . . . and Didn't Say** Glenn C.

Carlson, 2018-11-27 What Jesus said Follow me and go on a mission And didn't say Follow me and go to heaven The main thesis of the book is derived from Matthew Mark and Luke In these Synoptic Gospels Jesus never mentions heaven except when speaking of God the Father Being a this world incarnation of God he emphasizes life on earth and not the new environment after death Our Lord explains that the mission will always involve both words and actions The words should make two things clear 1 the one who calls is the man Jesus who is the true revelation of God and 2 one's relationship with God is a reflection of Jesus's perfect relationship with the Father The actions should be in the selfless lifestyle of Jesus himself *Big Jesus* Jimmy R. Watson, 2015-01-12 This may be the most honest book ever written about Jesus As a veteran pastor in the United Church of Christ Dr Watson shares his thoughts on the timeless topic of Christology the doctrine of Christ with new and creative insights informative and accessible theology personal anecdotes and lively wit Nothing is off limits in this no holds barred contribution to the Jesus genre Big Jesus is not another theological spin on the identity and nature of Jesus of Nazareth nor is it a sentimental fairytale for those who prefer their Christology to be served up on Sunday mornings with fluffy sheep little children and footprints in the sand This book is for Christian adults with a sense of humor

Jesus Is the Question Martin B. Copenhaver, 2014-09-02 Contrary to some common assumptions Jesus is not the ultimate Answer Man but more like the Great Questioner In the Gospels Jesus asks many more questions than he answers To be precise Jesus asks 307 questions He is asked 183 of which he only answers 3 Asking questions was central to Jesus life

and teachings In fact for every question he answers directly he asks literally a hundred Jesus is the Question considers the questions Jesus asks what they tell us about Jesus and more important what our responses might say about what it means to follow Him Through Jesus questions he modeled the struggle the wondering the thinking it through that helps us draw closer to God and better understand not just the answer but ourselves our process and ultimately why questions are among Jesus most profound gifts for a life of faith A game changer of a book Remnant Christianity in a Post-Christian World W. Paul Jones, 2021-11-03 The contemporary Christian church is in critical decline both in membership and finances All attempts at reversal are failing primarily because of the consuming socioeconomic secular dynamic in which society is immersed in its self destructive course Consequently Christian imagery is losing its conceivability and credibility and past motivations that once encouraged belief have lost their appeal Without these as points of contact the demise of the institutional church will be relentless despite all efforts to halt it Yet as at other crisis points in history the divine promise has been to raise a faithful remnant with sufficient promise to outlast whatever the societal demise After carefully analyzing the ingredients of our societal crisis the author develops the contours of a Remnant Church to be set in place now within the present institutional churches This necessitates distilling a vital spirituality and discerning the heart of a preservable tradition sufficient to claim both personal and communal commitment Thereby prepared for the long haul the Remnant Church can emerge as a prophetic alternative **Craft Brewed Jesus** Michael Camp, 2016-04-08 What if the modern American church has its Christian history wrong According to ex evangelical Michael Camp most American believers fail Christian History 101 Drawing on his own historical research and missionary experience he discovers that most popular Christian views of the Bible church sin salvation judgment the kingdom of God the end times and the afterlife pretty much all religious sacred cows don't align with the beliefs of the original Jesus movement Some of them not even close Camp's Craft Brewed Jesus paves a fascinating journey of a group of disillusioned evangelicals and Catholics When they decide to meet regularly over craft beers to study the historic foundations of their faith their findings both rock their world and resolve ancient mysteries They examine well documented narratives of the early Jesus saga Eastern streams of a lost Christianity and the roots of our modern religious assumptions all while striving to steer clear of either a conservative or liberal bias What they uncover is a vital refreshing spiritual paradigm no longer at odds with reality Grab your brew of choice and trace this transformational journey based on a true story that will encourage you in your walk of life and faith **Following Jesus** David Lowry, 2020-05-12 We live in a time when many view the church as a relic of ancient traditions and cosmologies often reactionary mean spirited nationalist and racist They see those who call themselves Christians reacting in fear to the changes around them rather than like Jesus boldly declaring and living out God's compassion and justice Some who view themselves as nonbelievers point out often with great clarity the distance between so called Christian witness and the teaching of Jesus This book takes us back to the first followers of Jesus and their attraction to Jesus and his teaching It reexamines what they

encountered in Jesus that led them to follow him and it analyzes the dynamics of following This exploration becomes a call to let Jesus lead us into God's presence and liberating action By doing so we experience a stripping away of our false religiosity misplaced commitments and idolatries As we join with others in a community of Jesus's followers gathered by Jesus to be sent out we exercise true society altering witness

Bullied! Todd Kingrea, 2016-06-28 Bullying It's an issue that has taken on renewed emphasis in our electronically connected social media world We're more aware than ever that bullying happens in many places in the workplace on professional sports teams in schools and on social media Everyone from supermodels to students and CEOs to celebrities is taking a stand against bullying in all its forms Finding solutions to the problem has become an important part of our cultural conversation However there's one place in society where bullying continues unchecked where it is rarely confronted and often covertly rewarded The church Pastors staff and church members experience bullying with alarming regularity It does as much damage as bullying anywhere else It's a prime reason why many churches remain ineffective in decline or dying Using the letter of 1st Corinthians as a guide and the church in Corinth as an example *Bullied* takes a blunt unflinching look at six internal reasons why our churches are in trouble and offers avenues of renewal and hope With this resource you can help your church address what's holding it back and be part of a solution that brings new life and vitality

Queering Christianity Robert E. Shore-Goss, Thomas Bohache, Patrick S. Cheng, Mona West, 2013-06-25 A fascinating read for anyone seeking to understand the conflict between Christianity and LGBTQI individuals this book is as its editors proclaim a fearlessly wide vision of queer Christians finding a place within Christianity and claiming their authentic experience and voice Through essays by noted lesbian gay bisexual transgender queer or questioning and intersex LGBTQI religion scholars this important compilation summarizes the history and current status of LGBTQI theology exploring its relationship to the policies practices and theology of traditional Christianity Contributors contrast the radically inclusive thinking of LGBTQI theology with the exclusivity practiced by many Christian churches explaining the reasoning of each and clarifying contentious issues At the same time the book highlights ways in which queer theology and practice benefit Christian congregations Writing from the perspective of grassroots Christian LGBTQI movements many of the contributors draw upon their own experiences They provide graphic examples of the effects exclusion has on individuals congregations and denominations and also share examples of inclusion and its effects Equally important the work creates the basis for dialogue between traditional churches and followers of LGBTQI theology offering practical suggestions for Christian congregations that wish to put aside exclusionary policies and practices

Meeting Jesus the Christ Again Robert Chesnut, 2017-06-20 The religion of Jesus or the religion about Jesus The cross as Christ's atoning sacrifice or as a courageous prophetic martyrdom With a pastoral prophetic voice and insights derived from a lifetime in parish ministry and theological education *Meeting Jesus the Christ Again* encourages the reader to rethink these and other hotly disputed issues of Christian faith Taking a big picture perspective and seeking common ground Chesnut

points us toward a neo classical faith This engaging book calls us back to the vital center of historic Christian faith *Being Christian in the Twenty-First Century* Sam Gould,2017-07-11 Being Christian in the Twenty first Century was written to help struggling and doubting Christians develop an understanding of Christianity that avoids literalism creeds and doctrines all factors which seem to be driving people away from the church The book is well suited for individual or group study complete with a study guide and sample lesson plans It responds to the call for theological reform advocated by many contemporary clergy and religious leaders Being Christian does not restate orthodox positions or drift into fundamentalism or sentimentalism Instead it draws from a broad base of historical theological archaeological and sociological scholarship to place Scripture within its original context yet present it within a perspective suitable for the twenty first century mind Being Christian is scholarly yet readable interesting and often provocative One reviewer put it this way the book reminds me of a baseball pitcher with a long wind up and a hard fastball getting better in every inning By building upon progressive thought available today and throughout history it offers an important resource for Christians and would be Christians seeking a more fulfilling and thoughtful faith journey **Godly Heretics** Marc DiPaolo,2013-04-08 When computers freeze they are rebooted and soon working properly again Similarly legendary thinkers throughout history have argued that Christianity should start fresh by recapturing the humanitarian spirit of Jesus original message These include such disparate individuals as Thomas Jefferson Oscar Wilde Charles Dickens Walt Whitman Friedrich Nietzsche Leo Tolstoy George Bernard Shaw and the religious leaders of the Occupy Wall Street movement Surprisingly enough even classic television shows and films meant to be entertaining *Lost Battlestar Galactica* *It's a Wonderful Life* *Groundhog Day* *Decalogue* and *A Charlie Brown Christmas* are attempts to apply the basic principles of Christianity to modern times This book offers new essays by scholars of literature film history theology and philosophy examining how various thinkers and storytellers over time have conceived of a reinvented Christianity In confronting this controversial idea this book examines how unorthodox interpretations of the Bible can be some of the most valid how visions of Jesus as a revolutionary may be the most historically sound and how compassionate Christians such as Origen have wrestled with the eternal questions of the existence of evil the gift of free will and the promise of universal salvation *After Trump* Donald Heinz,2020-03-18 A black social gospel movement arose after the Civil War to mitigate the broken promises of reparations and the reestablishment of white supremacy After the Gilded Age a new social gospel arose in the early twentieth century that brought together Christian proclamation and an ethic of social justice that became liberal Protestantism's distinctive contribution to world Christianity leaving residues in the New Deal and the Great Society In the face of poverty and bondage in the 1960s Martin Luther King Jr led a second wave of the black social gospel movement and died for it as prophets do It birthed new liberation movements on many fronts Again things fell apart as the Reagan Revolution massively redistributed wealth and social benefits upward and late capitalism flourished In this environment tax cuts for the wealthy and massive inequalities grew and President Trump inherited the resentments of

the Christian Right and the opportunism of economic conservatives Would a recurring social gospel have made a difference After Trump American Christianity faces another crisis of decision Will the strange God of the Bible be re called will the churches re live as social movements that bring good news to all the people will American Christianity re contest the public square and proclaim a new social gospel for our times This book is an invitation and a manifesto Leader Reader David W. Bombaro,Adam Francisco,2016-10-31 In the first century the resurrection fact faced both Jewish and Greek audiences with a challenge the challenge of a new reality Christ the risen Lord Since facts are by definition something that happened and this happening was witnessed proclaimed and recorded the fact stands for all generations In answering critics a defense of the resurrection consists not only of a response by way of negation e g Christianity is not this but also through positive affirmations this is Christianity In this book the reader will find both However it is our hope that the final word retained would be the one that stands for something rather than against something Together our words stand for something positive not negative namely the good news that the one true God has now taken charge of the world in and through Jesus and His death and resurrection **Spiritual Defiance** Robin Meyers,2015-04-28 During his thirty year career as a parish minister and professor Robin Meyers has focused on renewing the church as an instrument of social change and personal transformation In this provocative and passionate book he explores the decline of the church as a community of believers and calls readers back to the church s roots as a community of resistance Shifting the conversation about church renewal away from theological purity and marketing strategies that embrace cultural norms and toward embodied noncompliance with the dominant culture Meyers urges a return to the revolutionary spirit that marked Jesus s ministry Framing his discussion around three poems by twentieth century Polish poet Anna Kamienska Meyers casts the nature of faith as a force that stands against anything and everything that engenders death and indignity He calls for active sometimes even subversive defiance of the ego s temptations of what he terms the heresy of orthodoxy itself and of an uncritical acceptance of militarism and capitalism Each chapter is a poignant and urgent

invitation to recover the Jesus Movement as a Beloved Community of Resistance The Homiletical Beat Dr. Eugene L. Lowry, 2012-09-01 Promoting the idea of sermon as narrative Eugene Lowry's first book The Homiletical Plot became one of the most influential preaching books of the latter part of the 20th century While the sermon as narrative has become conventional preaching wisdom it is largely misunderstood Sermons are by definition narratives and as such they have plots At the same time the sermon is not a story While similar in many ways narratives and stories are distinct Therefore to think of narrative preaching as merely one of many homiletical styles is to misunderstand and reduce the nature of the sermon The sermon is more than just an option for the preacher rather it is by definition a narrative because it happens in time not in space This changes everything because the sermon ceases to be something a preacher constructs like a thesis or even a painting Instead it is more like a piece of music something a preacher plays within intuitively to a constant beat time after time week after week In light of this revelation what are new strategic aims for sermon preparation and delivery

Salvation Story David R. Froemming, 2016-10-20 Salvation Story responds to Douglas John Hall's claim that the world is waiting for gospel Humanity needs a clearer understanding that the gospel has come to redeem The work of Rene Girard an anthropologist demonstrates that our human culture is founded on the concealing of its own violence in religious myths and symbols Girard had hoped to enter into dialogue with Richard Dawkins whose expertise is evolution but this encounter never happened Dawkins observed how evolution is blind not unlike the blindness created by human myth and religion Bringing together the work of Girard and Dawkins provides a lens for reading scripture Salvation Story is written to challenge religious fundamentalists and atheists alike as well as the rest of us all those who realize that our current approaches to the Bible are woefully inadequate This book digs into these ancient texts to discover what we have been hiding from regarding our own evolutionary inheritance in order to discover the God who comes to save us from our own self destruction Velvet Elvis Rob Bell, 2006-06-29 In order to find an authentic understanding of the Christian faith Bell frees readers to consider God beyond the picture someone else painted
