The Unforgiven Utahs Executed Men:

The Unforgiven L. Kay Gillespie, 1997 Since the days of frontier justice and blood atonement Utah has struggled with issues of capital punishment Years after the Mountain Meadows massacre John D Lee was shot to death seated on his coffin in a theatrical media conscious staging while some fifty other perpetrators went unpunished Despite pleas for clemency from the daughter of an LDS church president and others labor reformer Joe Hill was executed due as much to corporate indignation as to the merits of the case against him One of Utah s death row inmates was the first to challenge the constitutionality of his sentence as cruel and unusual another Gary Gilmore broke the ten year nationwide moratorium on state supervised executions Recently William Andrews became the second Utahn to be executed without having committed murder As Paul Swenson wrote in the Salt Lake Tribune This is the kind of stuff that makes you realize why we need Halloween because we can t deal with real blood real death the ghosts of our actual past *Prisoner for Polygamy* Stan Larson, 2012-03-13 Rudger Clawson 1857 1943 was the first Mormon convicted of being in violation of the Edmund Tucker Act which outlawed polygamy Born into a polygamous family Clawson married Florence Dinwoodey in August 1882 Lydia Spencer in March 1883 and eventually entered into a post Manifesto union with Pearl Udall in 1904 Clawson a prominent member of the Church of Jesus Christ of Latter day Saints served in the LDS Church as missionary stake president apostle president of the Quorum of the Twelve Apostles and counselor in the First Presidency This book delves into Clawson s time as a cohab in the Utah Territorial Penitentiary as well as a unique look at this time in Utah s history These prison memoirs and letters reflect the pride felt by Mormon polygamists imprisoned for conscience sake and include Mormon doctrinal discussions details of their prison life personal accounts of prison escape attempts and the sense of frustration felt by the men as a result of being separated from their families In addition these memoirs show Clawson s talent for storytelling and include select love letters written by Clawson to his plural wife Lydia *Most Deserving of Death?* Kenneth Williams, 2016-04-15 The role of capital punishment in America has been criticised by those for and against the death penalty by the judiciary academics the media and by prison personnel This book demonstrates that it is the inconsistent and often incoherent jurisprudence of the United States Supreme Court which accounts for a system so lacking in public confidence Using case studies Kenneth Williams examines issues such as jury selection ineffective assistance of counsel the role of race and claims of innocence which affect the Court s decisions and how these decisions are played out in the lower courts often an inmate s last recourse before execution Discussing international treaties and their lack of impact on capital punishment in America this book has international appeal and makes an important contribution to legal scholarship It also provides a unique understanding of the dynamics of an alarmingly problematic system and will be valuable to those interested in human rights and criminal justice *Legal Executions in the Western Territories, 1847-1911* R. Michael Wilson, 2010-04-19 This reference work contains details of all the crimes resulting in executions in the fifteen western American territories For each

territory entries are arranged chronologically and entered under the name of the condemned Each entry provides the date location background and actions of the crime details of the trial and execution of sentence and references to the crime and execution in contemporary newspapers

“This Is My Doctrine”: The Development of Mormon Theology Charles R. Harrell, 2011-08-05 The principal doctrines defining Mormonism today often bear little resemblance to those it started out with in the early 1830s This book shows that these doctrines did not originate in a vacuum but were rather prompted and informed by the religious culture from which Mormonism arose Early Mormons like their early Christian and even earlier Israelite predecessors brought with them their own varied culturally conditioned theological presuppositions a process of convergence and only later acquired a more distinctive theological outlook a process of differentiation In this first of its kind comprehensive treatment of the development of Mormon theology Charles Harrell traces the history of Latter day Saint doctrines from the times of the Old Testament to the present He describes how Mormonism has carried on the tradition of the biblical authors early Christians and later Protestants in reinterpreting scripture to accommodate new theological ideas while attempting to uphold the integrity and authority of the scriptures In the process he probes three questions How did Mormon doctrines develop What are the scriptural underpinnings of these doctrines And what do critical scholars make of these same scriptures In this enlightening study Harrell systematically peels back the doctrinal accretions of time to provide a fresh new look at Mormon theology This Is My Doctrine will provide those already versed in Mormonism s theological tradition with a new and richer perspective of Mormon theology Those unacquainted with Mormonism will gain an appreciation for how Mormon theology fits into the larger Jewish and Christian theological traditions
