We Are Here Memories Of The Lithuanian Holocaust:

We Are Here Ellen Cassedy, 2012-03-01 Ellen Cassedy's longing to recover the Yiddish she'd lost with her mother's death eventually led her to Lithuania once the Jerusalem of the North. As she prepared for her journey her uncle sixty years after he'd left Lithuania in a boxcar made a shocking disclosure about his wartime experience and an elderly man from her ancestral town made an unsettling request. Gradually what had begun as a personal journey broadened into a larger exploration of how the people of this country Jews and non Jews alike are confronting their past in order to move forward into the future. How does a nation how do successor generations moral beings overcome a bloody past? How do we judge the bystanders collaborators perpetrators rescuers and ourselves? These are the questions Cassedy confronts in *We Are Here* one woman's exploration of Lithuania's Jewish history combined with a personal exploration of her own family's place in it. Digging through archives with the help of a local whose motives are puzzling to her interviewing natives including an old man who wants to speak to a Jew before he dies discovering the complications encountered by a country that endured both Nazi and Soviet occupation Cassedy finds that it's not just the facts of history that matter but what we choose to do with them.

A Survivor Named Trauma Myra Sklarew, 2020-02-01 *A Survivor Named Trauma* examines the nature of trauma and memory as they relate to the Holocaust in Lithuania. How do we behave under threat? How do we remember extreme danger? How do subsequent generations deal with their histories whether as descendants of perpetrators or victims of those who rescued others or were witnesses to genocide? Or those who were separated from their families in early childhood and do not know their origins? Myra Sklarew's study draws on interviews with survivors witnesses rescuers and collaborators as well as descendants and family members gathered over a twenty five year period in Lithuania. Returning to the land of her ancestors Sklarew found a country still deeply affected by the Nazi Holocaust and decades of Soviet domination. Interdisciplinary in nature this book will appeal to readers interested in neuroscience and neuropsychology Holocaust studies Jewish history and personal memoir.

A Polish Doctor in the Nazi Camps Barbara Rylko-Bauer, 2014-02-24 Jadwiga Lenartowicz Rylko known as Jadzia Yah jah was a young Polish Catholic physician in L dz at the start of World War II. Suspected of resistance activities she was arrested in January 1944. For the next fifteen months she endured three Nazi concentration camps and a forty two day death march spending part of this time working as a prisoner doctor to Jewish slave laborers. *A Polish Doctor in the Nazi Camps* follows Jadzia from her childhood and medical training through her wartime experiences to her struggles to create a new life in the postwar world. Jadzia's daughter anthropologist Barbara Rylko Bauer constructs an intimate ethnography that weaves a personal family narrative against a twentieth century historical backdrop. As Rylko Bauer travels back in time with her mother we learn of the particular hardships that female concentration camp prisoners faced. The struggle continued after the war as Jadzia attempted to rebuild her life first as a refugee doctor in Germany and later as an immigrant to the United States. Like many postwar immigrants Jadzia had high hopes of making new connections and continuing her career. Unable to

surmount personal economic and social obstacles to medical licensure however she had to settle for work as a nurse's aide As a contribution to accounts of wartime experiences Jadzia's story stands out for its sensitivity to the complexities of the Polish memory of war Built upon both historical research and conversations between mother and daughter the story combines Jadzia's voice and Rylko Bauer's own journey of rediscovering her family's past The result is a powerful narrative about struggle survival displacement and memory augmenting our understanding of a horrific period in human history and the struggle of Polish immigrants in its aftermath

Reflections on Slavery and the Constitution George Anastaplo, 2012-04-19 In this insightful book about constitutional law and slavery George Anastaplo illuminates both how the history of race relations in the United States should be approached and how seemingly hopeless social and political challenges can be usefully considered through the lens of the U S Constitution He examines the outbreak of the American Civil War its prosecution and its aftermath tracing the concept of slavery and law from its earliest beginnings and slavery's fraught legal history within the United States Anastaplo offers discussions that bring into focus discussions of slavery in Ancient Greece and within the Bible showing their influence on the Constitution and the subsequent political struggles that led to the Civil War

Notes from the Valley of Slaughter Aharon Pick, 2023-03-07 *Notes from the Valley of Slaughter* is an eyewitness journal and diary of the Holocaust written in the ghetto of Iauliai Lithuania by Dr Aharon Pick 1872-1944 A physician scholar and community leader Pick was a keen observer of the hardships of ghetto life and his journal represents a detailed account of the tragic events he witnessed as well as a sensitive

almost poetic personal testament Pick's journal covers the tumultuous late 1930s the 1940-41 Soviet occupation of Lithuania and the catastrophic German invasion and occupation during which more than 90 percent of Lithuania's Jews were murdered. Pick was among a handful of Jewish physicians spared execution and allowed to work for the occupiers. Although Pick succumbed to illness in spring 1944 shortly before the ghetto was liquidated his son Tedik buried the manuscript before fleeing the ghetto retrieved it after liberation and carried it with him to Israel. Notes from the Valley of Slaughter is one of only a handful of diaries to survive the annihilation of Lithuanian Jewry. Translated for the first time into English and extensively annotated it conveys Pick's voice to a wider international audience for the first time.
