*LOOK! This is the way it is* Aileen Amador Mezza, 2023-10-25 One moment she was invincible and the next she was immobile In this debut autobiography for Aileen Amador Mezza she speaks of the inflated invincibility and endeavors of her younger days when she thought she knew it all She went from a sheltered and catholic Colombian upbringing to take on this crazy world with too many options at her disposal This book shares her raw confessions of her time at San Diego State University and beyond while explaining how she crawled out of what could have ended her life completely She found herself in a drug induced state after experimenting with Psilocybin mushrooms She went through a physical and emotional uphill battle with her family and team of medical professionals to drag herself out of the drug induced psychosis As you read this journey you will find yourself immersed in her experiences throughout many years of life and just how much your path can change with what originally felt like a very small event in a big world It was a little bit like treating some of the athletes I help where you see somebody with great potential and what do we do We get their life in balance Dr Michael T Lardon M D is one of the premier mental performance coaches in the world with clients in more than a dozen professional and Olympic sports Author of FINDING YOUR ZONE 10 Core Lessons for Achieving Peak Performance in Sports and Life Co Authored MASTERING GOLF S MENTAL GAME Your Ultimate Guide to Better On Course Performance and Lower Scores *The Hong Kong Diaries* Chris Patten, 2022-06-21 The diaries of the last British Governor of Hong Kong published on the 25th anniversary of the handover In June 1992 Chris Patten went to Hong Kong as the last British governor to try to prepare it not as other British colonies over the decades for independence but for handing back in 1997 to the Chinese from whom most of its territory had been leased 99 years previously Over the next five years he kept this diary which describes in detail how Hong Kong was run as a British colony and what happened as the handover approached The book gives unprecedented insights into negotiating with the Chinese about how the institutions of democracy in Hong Kong were belatedly strengthened and how Patten sought to ensure that a strong degree of self government would continue after 1997 Unexpectedly his opponents included not only the Chinese themselves but some British businessmen and civil service mandarins upset by Patten s efforts for whom political freedom and the rule of law in Hong Kong seemed less important than keeping on the right side of Beijing The book concludes with an account of what has happened in Hong Kong since the handover a powerful assessment of recent events and Patten s reflections on how to deal with China then and now
