We Want You To Know Kids Talk About Bullying:

We Want You to Know Deborah Ellis, 2009-02-01 Through her association with a community anti bullying campaign launched in Haldimand Norfolk and neighboring communities in Southern Ontario children s author Deborah Ellis asked students from the ages of nine to nineteen to talk about their experiences with bullying The results are thoughtful candid and often harrowing accounts of business as usual in and around today s schools The kids in this book raise questions about the way parents teachers and school administrators cope with bullies They talk about which methods have helped and which ones with the best of intentions have failed to protect them And some kids reveal how they have been able to overcome their fear and anger to become strong advocates for the rights of others This is a book for reading and sharing Each interview is followed by questions that will encourage open discussion about the nature of bullying and the ways in which individuals and schools could deal more effectively with bullies and their victims And additional comments from international students reveal how much kids the world over have in common in the way they experience and deal with bullies These kids have something to say It s time we listened

We Want You to Know Ellis Deborah, 2013-06-07 Several students some bullies and some of the bullies targets tell their stories of depression and despair as well as of courage and hope

Teaching Tough Topics Larry Swartz, 2020-01-15 Teaching Tough Topics shows teachers how to lead students to become caring citizens as they read and respond to quality children s literature It focuses on topics that can be challenging or sensitive yet are significant in order to build understanding of social justice diversity and equity Racism Homophobia Bullying Religious Intolerance Poverty and Physical and Mental Challenges are just some of the themes explored The book is rooted in the belief that by using picture books novels poetry and nonfiction teachers can enrich learning with compassion and empathy as students make connections to texts to others and to the world

Caring Hearts and Critical Minds Steven Wolk, 2023-10-10 Imagine if going to school meant more than preparing kids for a test teaching a canned curriculum and training students for their future as workers What if school were also about cultivating students to be caring community involved citizens and critical creative thinkers who love to read In *Caring Hearts Critical Minds* teacher author Steven Wolk shows teachers how to help students become better readers as well as better people I want my students to be thinkers and have rich conversations regarding critical issues in the text and be able to formulate opinions regarding these issues says Leslie Rector a sixth grade teacher who collaborated with Wolk on some of the units featured in this book Wolk demonstrates how to integrate inquiry learning exciting and contemporary literature and teaching for social responsibility across the curriculum He takes teachers step by step through the process of designing an inquiry based literature unit and then provides five full units used in real middle grade classrooms Featuring a remarkable range of recommended resources and hundreds of novels from across the literary genres *Caring Hearts Critical Minds* gives teachers a blueprint for creating dynamic units with rigorous lessons about topics kids care about s from media and the environment to personal happiness and global poverty Wolk shows teachers how to find

stimulating real world complex texts called for in the Common Core State Standards and integrate them into literature units I know from experience that a great book changes the reader says Karen Tellez an eighth grade teacher featured in the book For me books have helped me escape fall in love recover from heartbreak and have broken open my mind from the age of twelve I hope my students gain better reading comprehension confidence as readers connections to the characters and events a curiosity for the world and tolerance for others Caring Hearts Critical Minds shows teachers how to turn these hopes and goals into reality

in schools **Bully on Campus & Online** Kim Etingoff,2015-02-03 Each year millions of kids are bullied Bullying is nothing new but today it is more than hurting with fists or feet For many young people leaving school doesn t stop the bullying because the bullies are on the Internet *"EVERYONE JUST YELL "NO" AT THE "BULLIES!" THAT SHOULD HELP TO STOP THEM!* Molly Murray,2011-09-07 I think most of us have been bullied at one time in our life or another I believe there were times we may not have realize we were being bullied If we were not being hit or yelled at we were not being bullied Not true Have you ever had something gnaw away at you in the pit of your stomach and you did not know what it was I have Have you ever been left out of a conversation not only when you were young but now as adults It hurts and is so uncomfortable Have you ever been laughed at and to you for no reason at all Have you ever had people just look down at you Have you ever had people make you feel worthless without having to say anything Has anyone ever teased you until it hurt Yes these are all forms of bullying Have you ever yelled at your children and I don t mean just normal mom and dad discipline Have you said things you should not have and did not realize it was emotional abuse to your children The things that I have heard parents say are stupid and shut up That is just a couple things Think about it and then apologize to your children no matter how old or young they are Just love them If any of the above sounds familiar you are a bully That is right Re read the bad feelings above and if you have done that to anyone you know well maybe you need to tell them just how sorry you are This goes for bosses also Being a boss does not give you the right to be a bully If you think you will get a better employee that way you are so wrong
