Weaving Intellectual Property Policy In Small Island Developing States:

Weaving Intellectual Property Policy in Small Island Developing States Miranda Forsyth, Susan Farran, 2015
Pacific Island countries are examples of small island developing states which face internal and external pressures to develop their economies through trade and investment in a global market Integral to this is compliance with legal regimes often not of their own making Among these are laws relating to intellectual property which are imposed both by bilateral and multilateral Free Trade Agreements and by discourses of development Against the local regional and international context this book takes into account the importance of culture to indigenous societies the social relevance of intellectual property and traditional knowledge and national and regional strategies for encouraging innovation and creativity Informed by a number of case studies the book explores alternative models and approaches for creating an intellectual property framework that is geared towards meeting the particular needs of Pacific Island people in a rapidly changing world The book focuses on fourteen Pacific Island countries but the issues raised and solutions proposed have resonance for all Small Island Developing States and also many least developed countries Subject Intellectual Property Law **The Elgar Companion to Intellectual Property and the Sustainable Development Goals** Matthew Rimmer, Caroline B. Ncube, Bitu Amani, 2024-02-12 Complex geopolitical debate surrounds the role of intellectual property IP in advancing and achieving the UN s Sustainable Development Goals SDGs Summarising and advancing this discourse this prescient Companion is a thorough examination of how IP law interacts influences and impacts each of the seventeen SDGs **Integration and International Dispute Resolution in Small States** Petra Butler, Eva Lein, Rhonson Salim, 2018-06-11 This book provides an insight into commercial relations between large economies and Small States the benefits of regional integration the role of Small States as financial centres as well as B2B and State to State dispute resolution involving Small States Several contributions allow the reader to familiarise themselves with the general subject matter others scrutinise the particular issues Small States face when confronted with an international dispute and discuss new and innovative solutions These solutions range from inventive ideas to help economic growth to appropriate mechanisms of dispute resolution including inter State dispute resolution and specific areas of arbitration such as tax arbitration Researchers policy advisors and practitioners will find a wealth of insights information and practical ideas in this book Intellectual Property, Cultural Property and Intangible Cultural Heritage Christoph Antons, William Logan, 2017-12-06 Intellectual Property Cultural Property and Intangible Cultural Heritage examines various notions of property in relation to intangible cultural heritage and discusses how these ideas are employed in rights discourses by governments and indigenous and local communities around the world There is a strong historical dimension to the book s exploration of the interconnection between intellectual and cultural property intangible cultural heritage and indigenous rights discourses UNESCO conventions discussions in the World Intellectual Property Organization WIPO the Convention on Biological Diversity and the recent emphasis on intangible

cultural heritage have provided various discourses and models The volume explores these developments as well as recent cases of conflicts and cross border disputes about heritage using case studies from Asia Europe and Australia to scrutinize the key issues Intellectual Property Cultural Property and Intangible Cultural Heritage will be essential reading for scholars and students engaged in the study of heritage law history anthropology and cultural studies

Small States in a Legal World Petra Butler, Caroline Morris, 2017-04-29 This book is a unique collection of high quality articles analysing legal issues with particular regard to small states The small states of the world differ considerably in their geography history political structures legal systems and wealth Nevertheless because of their size small states face a set of common challenges including vulnerability to external economic impacts such as changing trade regimes and limited ability to diversify economic activity limited public and private sector capacity including the legal and judicial infrastructure a need for regional co operation a vulnerability to environmental changes as well as a limited ability to engage with supranational bodies and the forces of globalisation This is the first volume of an exciting and unique new series The World of Small States In this work legal experts from small jurisdictions and those with a particular interest in legal issues facing small states explore inter alia ethics in small jurisdictions legal education and the profession in small states the challenges facing small states with mixed legal systems the constitutional arrangements in small states small states as tax havens and intellectual property and competition law issues

Hybridity in Peacebuilding and Development Lia Kent, Miranda Forsyth, Sinclair Dinnen, Joanne Wallis, Srinjoy Bose, 2020-06-29 The concept of hybridity highlights complex processes of interaction and transformation between different institutional and social forms and normative systems It has been used in numerous ways to generate important analytical and methodological insights into peacebuilding and development Its most recent application in the social sciences has also attracted powerful critiques that have highlighted its limitations and challenged its continuing usage This book examines whether the value of hybridity as a concept can continue to be harnessed and how its shortcomings might be mitigated or overcome It does so in an interdisciplinary way as hybridity has been used as a benchmark across multiple disciplines and areas of practical engagement over the past decade including peacebuilding state building justice reform security development studies anthropology and economics This book encourages a dialogue about the uses and critiques of hybridity from a variety of perspectives and vantage points including deeply ethnographic works high level theory and applied policy work The authors conclude that there is continued value in the concept of hybridity but argue that this value can only be realised if the concept is engaged with in a reflexive and critical way This book was originally published as a special issue of the online journal Third World Thematics

Tides of Innovation in Oceania Elisabetta Gneccchi-Ruscone, Anna Paini, 2017-04-07 Tides of Innovation in Oceania is directly inspired by Epeli Hau ofa s vision of the Pacific as a Sea of Islands the image of tides recalls the cyclical movement of waves with its unpredictable consequences The authors propose tides of innovation as a fluid concept unbound and open to many directions This perspective is explored

through ethnographic case studies centred on deeply elaborated analyses of locally inflected agencies involved in different transforming contexts Three interwoven themes value materiality and place provide a common thread Hybridity on the Ground in Peacebuilding and Development Joanne Wallis,Lia Kent,Miranda Forsyth,Sinclair Dinnen,Srinjoy Bose,2018-03-01 Hybridity on the Ground in Peacebuilding and Development engages with the possibilities and pitfalls of the increasingly popular notion of hybridity The hybridity concept has been embraced by scholars and practitioners in response to the social and institutional complexities of peacebuilding and development practice In particular the concept appears well suited to making sense of the mutually constitutive outcomes of processes of interaction between diverse norms institutions actors and discourses in the context of contemporary peacebuilding and development engagements At the same time it has been criticised from a variety of perspectives for overlooking critical questions of history power and scale The authors in this interdisciplinary collection draw on their in depth knowledge of peacebuilding and development contexts in different parts of Asia the Pacific and Africa to examine the messy and dynamic realities of hybridity on the ground By critically exploring the power dynamics and the diverse actors ideas practices and sites that shape hybrid peacebuilding and development across time and space this book offers fresh insights to hybridity debates that will be of interest to both scholars and practitioners Hybridity has become an influential idea in peacebuilding and this volume will undoubtedly become the most influential collection on the idea Nuance and sophistication characterises this engagement with hybridity Professor John Braithwaite

International Organizations and Small States Jack Corbett,Xu Yi-chong,Patrick Weller,2023-03-14 This path breaking book shows the efforts that small states have made to participate more fully in International Organizations IOs

Understanding Oceania Stewart Firth,Vijay Naidu,2019-05-23 This book is inspired by the University of the South Pacific the leading institution of higher education in the Pacific Islands region Founded in 1968 USP has expanded the intellectual horizons of generations of students from its 12 member countries Cook Islands Fiji Kiribati Marshall Islands Nauru Niue Samoa Solomon Islands Tokelau Tonga Tuvalu and Vanuatu and been responsible for the formation of a regional elite of educated Pacific Islanders who can be found in key positions in government and commerce across the region At the same time this book celebrates the collaboration of USP with The Australian National University in research doctoral training teaching and joint activities Twelve of our 19 contributors gained their doctorates at ANU most of them before or after being students and or teaching staff at USP and the remaining five embody the cross fertilisation in teaching research and consultancy of the two institutions The contributions to this collection with a few exceptions are republications of key articles on the Pacific Islands by scholars with extensive experience and knowledge of the region
