[Living with Strangers](#) Chiara Briganti, Kathy Mezei, 2020-06-03. *Living with Strangers* examines the history and cultural representation of bed sitting rooms and boarding houses in England from the early twentieth century to the present. Providing a historical overview, the authors explore how these alternative domestic spaces came to provide shelter for a diverse demographic of working women and men, retired army officers, gay people, students, bohemians, writers, artists, performers, migrants, and asylum seekers, as well as shady figures and criminals. Drawing on historical records, case studies, and examples from literature, art, and film, the book examines how the prevalence and significance of bedsits and boarding houses in novels, plays, detective stories, Ealing comedies, and contemporary fiction and film produced its own genre of narrative. The nine chapters are written by an international range of established and emerging scholars in the fields of literary studies, art and film history, political theory, queer studies, and cultural studies. A lively, highly original study, *Living with Strangers* makes a significant contribution to the cross-disciplinary field of home studies and provides insight into a crucial aspect of British cultural history. It is essential reading for students and researchers in anthropology, history, literary studies, sociology, gender and sexuality studies, film studies, and cultural studies.

The Armchair Detective, 1997. **The Vanishing of Carolyn Wells** Rebecca Rego Barry, 2024-02-13. *The Vanishing of Carolyn Wells* is the first biography of one of the lost ladies of detective fiction who wrote more than eighty mysteries and hundreds of other works between the 1890s and the 1940s. Carolyn Wells (1862-1942) excelled at writing country house and locked room mysteries for a decade before Agatha Christie entered the scene. In the 1920s, when she was churning out three or more books annually, she was dubbed "about the biggest thing in mystery novels in the US." On top of that, Wells wielded her pen in just about every literary genre, producing several immensely popular children's books and young adult novels, beloved anthologies, and countless stories, prose, and poetry for magazines such as *Thrilling Detective*, *Life*, *The Saturday Evening Post*, *Harper's*, and *The New Yorker*. All told, Wells wrote over 180 books. Some were adapted into silent films, and some became bestsellers. Yet a hundred years later, she has been all but erased from literary history. Why? How? This investigation takes us on a journey to Rahway, New Jersey, where Wells was born and is buried, to New York City's Upper West Side, where she spent her final twenty-five years at the Library of Congress, where Carolyn's world-class collection of rare books now resides, and to many other public and private collections where exciting discoveries unfolded. Part biography and part sleuthing narrative, *The Vanishing of Carolyn Wells* recovers the life and work of a brilliant writer who was considered one of the funniest, most talented women of her time. *The Mystery Readers' Advisory* John Charles, Joanna Morrison, Candace Clark, 2002. Three librarians from Scottsdale, Arizona, provide library staff with an introduction to the mystery genre and offer tips and techniques for providing advice to mystery readers in the library. They include some of their own bibliographies but refer

readers elsewhere for fuller ones They also include a brief history of the genre to pass on to readers new to it **On Writing Horror** Mort Castle, 2006-11-18 The masters of horror have united to teach you the secrets of success in the scariest genre of all In *On Writing Horror* Second Edition Stephen King Joyce Carol Oates Harlan Ellison David Morrell Jack Ketchum and many others tell you everything you need to know to successfully write and publish horror novels and short stories Edited by the Horror Writers Association HWA a worldwide organization of writers and publishing professionals dedicated to promoting dark literature *On Writing Horror* includes exclusive information and guidance from 58 of the biggest names in horror writing to give you the inspiration you need to start scaring and exciting readers and editors You ll discover comprehensive instruction such as The art of crafting visceral violence from Jack Ketchum Why horror classics like *Dracula* *The Exorcist* and *Hell House* are as scary as ever from Robert Weinberg Tips for avoiding one of the biggest death knells in horror writing predictable clichés from Ramsey Campbell How to use character and setting to stretch the limits of credibility from Mort Castle With *On Writing Horror* you can unlock the mystery surrounding classic horror traditions revel in the art and craft of writing horror and find out exactly where the genre is going next Learn from the best and you could be the next best selling author keeping readers up all night long *A Cursed Collection of Haunted Dolls* Fiona Dodwell, 2025-09-08 Silent Stares and Malevolent Whispers from *Possessed Dolls* Robert Annabelle Peggy The very names of these dolls can strike fear into your heart Fiona Dodwell who has been gripped by the idea of spirit possessed dolls for years dives into real world and fictional examples of toys gone bad playthings meant to comfort children but instead make life a living hell Fiona presents a comprehensive collection of true life cases of haunted dolls including lesser known ones such as Mandy and Okiku She also explores the killer dolls that have inspired endless horror movies and books To chill your spine even further Fiona shares interviews with Child s Play writer and director Don Mancini actress Jennifer Tilly Patti Negri of *Ghost Adventures* Jayne Harris of *Help My House Is Haunted* and many many more Creepy addictive and meticulously researched this book takes paranormal enthusiasts on a thrilling journey into the dark and fascinating world of haunted dolls Includes a foreword by Fred Batt demonologist on the TV show *Most Haunted* *African American Mystery Writers* Frankie Y.
