Dear Valued Sponsor,

Thank you for your sponsorship of our house league soccer program this season! Your funding has been instrumental in helping local youth experience the benefits of organized sport.

Please find enclosed the photograph of the team you sponsored this year as a thank you for your support. We would like to invite your business to sponsor house league soccer for the 2016 season. More details will follow later in the year.

Selected Letters of John Updike John Updike, 2025-10-21 The arc of literary giant John Updike's life emerges in these luminous daily letters to family friends editors and lovers a remarkable outpouring over six decades from his earliest consciousness as a writer to his final days As James Schiff writes in the introduction to this volume of the writer who would eventually express himself in written form as copiously and as elegantly as any American writer before him Updike needed to write the way the rest of us need to breathe or eat With his stunning rhetorical gifts enabling him to thrive in both short fiction and the novel criticism as well as poetry Updike was also a consummate letter writer When barely a teenager he began submitting poems and cartoons to national magazines and soliciting famous cartoonists with flattering requests for a drawing His letter writing only increased when he left the family farm in

Pennsylvania for Harvard where he composed more than 150 witty substantive letters to his parents The summer after he graduated The New Yorker began accepting his work and his exchanges with editors publishers and writers would stretch into a correspondence that Schiff notes figures not as an adjunct to but rather an integral part of his astonishing literary output The intimacy and lucidity of these letters brings to the fore all manner of subjects and situations notably the ardent feelings for his first love and wife Mary and later the heartbreaking but honestly accounted breakup of their marriage the uncensored passion for other women including his Ipswich neighbor Martha who became his second wife the concern for his children s path to adulthood and the conversations with many literary peers from Joyce Carol Oates to Philip Roth as well as his Knopf and New Yorker editors critics translators and others in the lit business Filled with comic observations opinions and personal news told in the fluid first person voice of the writer himself these missives taken together create a page turning life in letters like no other *Illustrated Men's Book of Letters* Adrian Truss,David Huband,Bruce

Hunter,2018-12-03 What happens when you take three award winning improvisational comedians *Illustrated Men* and with the use of improvisational methods have them create a wild assortment of hilarious tales involving out of work hotel managers political impersonators and blind musicians flying dragons and dancing bears dashed Olympic dreams and mass alien abductions all wrapped together in the form of funny letters and their corresponding materials Read along through these streams of storytelling as David Huband Adrian Truss and Bruce Hunter weave an alternative reality that keeps you laughing and on your toes As you read you realize you are in the moment like the characters themselves and especially the writers who have no idea where the situations are going to go But because of the Men s ability to move like water in the final malaise *Illustrated Men* bring all the stories together for a glorious and hysterical finale Note Trump is only mentioned once You re welcome **The Early Years of Chicago Soccer, 1887-1939** Gabe Logan,2019-05-30 For over a century Chicago
