Welcoming But Not Affirming An Evangelical Response To Homosexuality

Paul Basden, Jim Johnson

Welcoming But Not Affirming An Evangelical Response To Homosexuality:

Welcoming But Not Affirming Stanley James Grenz, 1998-01-01 A respected evangelical speaks out on the church's most controversial issue proposing that it is possible for Christian communities to welcome homosexuals without affirming same sex unions

Welcoming but not affirming : an evangelical response to homosexuality Stanley Grenz, 1998 *The Scandal of Evangelicals and Homosexuality* Mark Vasey-Saunders, 2016-03-09 English evangelicals give the appearance of being a community at war with each other and with the world around them The issue of homosexuality is one of the key battlegrounds How has this issue become so significant to evangelicals Why is it provoking such violent responses How is it changing evangelicals and what might this mean for the future This book examines the history of evangelical responses to the issue of homosexuality setting them in a wider historical and cultural context and drawing on the work of Rene Girard to argue that the issue of homosexuality has come to symbolise deeply held convictions within evangelicalism The conflict over the issue that is now becoming apparent within evangelicalism reveals deep divisions within the evangelical community that will have great significance for the future *The Scandal of Evangelicals and Homosexuality* offers an alternative perspective seeking not to present an answer to the ethical question but rather to examine the way the debate has become scandalised and consider the cost It offers a window into contemporary English evangelicalism and provides an important contribution to international and ecumenical debate

Love Letter to a Conflicted Church Richard P. Olson, 2010-01-01 The book is organized into three divisions and as the title implies there is a brief letter in the form of a New Testament epistle to the contemporary church a portion of which begins each chapter The first division reexamines the gifts and redemptive possibilities of anger and conflict The barriers to healthy anger conflict are considered and addressed In the second attention is given to conflicts surrounding the Bible There is a chapter on conflict and reconciliation in the Bible followed by suggestions on how people who read the Bible differently from each other can resolve some of those differences Consideration is also given to discovering biblical priorities for the contemporary church The third division offers vistas of change and reconciliation Parables of hope and promise are provided Insights from the studies of persons and communities as well as ethics and theology are summarized There is reflection on those unresolved conflicts that continue in spite of our best efforts Then moral imagination is engaged to visualize the opportunities for a church that moves beyond its present stalemates

They Like Jesus But Not the Church Dan Kimball, 2008-03-09 Kimball provides an overview of the six most common objections emerging generations have with church and Christianity along with the biblical answers to these objections and examples of how churches are facing this challenge

Brownson,2013-02-03 In Bible Gender Sexuality James Brownson argues that Christians should reconsider whether or not the biblical strictures against same sex relations as defined in the ancient world should apply to contemporary committed same sex relationships Presenting two sides in the debate traditionalist and revisionist Brownson carefully analyzes each of the seven main texts that appear to address intimate same sex relations In the process he explores key concepts that inform our understanding of the biblical texts including patriarchy complementarity purity and impurity honor and shame Central to his argument is the need to uncover the moral logic behind the biblical text Written in order to serve and inform the ongoing debate in many denominations over the questions of homosexuality Brownson s in depth study will prove a useful resource for Christians who want to form a considered opinion on this important issue **The Present Truth**

and the LGBTQ+ Movement Nelson Mercado, 2024-10-15 The Present Truth refers to God's end time messages intended to prepare the world to meet Jesus. These messages are found in Revelation 14:6-12 and are also known as the Three Angels Messages. However, as part of his deceptions, Satan is seeking to distract and confuse the church by the LGBTQ ideology. Today there are many voices in Christianity and in the Seventh day Adventist Church clamoring for the affirmation of the LGBTQ ideology and lifestyle. Pastor Mercado believes that following the road of affirmation will lead to a loss of credibility and will dilute the end time messages of preparation. Yet acknowledging that LGBTQ people are already in our churches, he provides guidelines on how to treat them redemptively while not compromising biblical values.
