Faith, Family, and Filipino American Community Life Stephen M. Cherry, 2014-01-03 Stephen M Cherry draws upon a rich set of ethnographic and survey data collected over a six year period to explore the roles that Catholicism and family play in shaping Filipino American community life From the planning and construction of community centers to volunteering at health fairs or protesting against abortion this book illustrates the powerful ways these forces structure and animate not only how first generation Filipino Americans think and feel about their community but how they are compelled to engage it over issues deemed important to the sanctity of the family Revealing more than intimate accounts of Filipino American lives Cherry offers a glimpse of the often hidden but vital relationship between religion and community in the lives of new immigrants and allows speculation on the broader impact of Filipino immigration on the nation The Filipino American community is the second largest immigrant community in the United States and the Philippines is the second largest source of Catholic immigration to this country This ground breaking study outlines how first generation Filipino Americans have the potential to reshape American Catholicism and are already having an impact on American civic life through the engagement of their faith

Catholicism in Migration and Diaspora Gemma Tulud Cruz, 2022-07-28 This book focuses on the Philippines as a powerhouse in the Catholic and global migration landscape It offers a wide ranging look at the roles dynamics character and trajectories of Catholic faith and practice in the age of migration through an interdisciplinary religious and theological approach to Filipino Catholics experience of migration and diaspora both at home

and overseas In so doing the book introduces the reader to the hallmarks and characteristics of a contextual model of world Christianity and global Catholicism in the twenty first century **Stepping Out of the Brain Drain** Michele R.

Pistone, John J. Hoeffner, 2007-01-01 Catholic social teaching's traditional opposition to brain drain migration from developing to developed countries is due for a reassessment Stepping Out of the Brain Drain provides exactly this as it demonstrates that both the economic and the ethical rationales for the teaching's opposition to brain drain have been undermined in recent years and shows how the adoption of a less critical policy could provide enhanced opportunities for poor countries to accelerate their economic development **On Christian Nationalism** David M. Gides, Joan Braune, 2025-11-26

This book contains two parts Part one is The War of the Jews How the Jews are Fighting Each Other and the Remedy Part two is ecumenical memorial services for 9 11 Like a lazy river in summer that gives water to a thirsty land is how Rabbi Garmaize describes God's love as it is meant for the people of Israel Garmaize uses ancient lessons from the Torah and the Bible to implore today's Jewish Community to shower one another with friendship brotherhood and love His purpose in this book is to show a divided Israel it is necessary to accept one another in Peace so the same olive branch may be extended to those who would relish its destruction This is a special book for Memorial Services for 9 11 The Memorial Services is for all denominations divided into 3 sections Jewish Catholic and Protestant It describes the tragedy hope and prayers Many Faces, One Church Peter C. Phan, Diana Hayes, 2004-11-20

Many Faces One Church Cultural Diversity and the American Catholic Experience both captures and facilitates a seismic shift in the who what where when why and how of Catholic theology today Along with a diverse group of theologians who represent the many faces of the church editors Peter C Phan and Diana Hayes recast the story of the church in America by including immigrant groups either forgotten or ignored and in light of these new and not so new voices retooling the theological framework of Catholicism itself That the American Catholic Church is an immigrant church is not news What is news however is how diverse the immigrant church really is and how much work there is to be done to include their voices in theological discourse and training Beyond

the German and Irish immigrants what of other European immigrant groups such as the Italians Poles Lithuanians Czechs Slovaks and Eastern rite Catholics Where are the stories of the older presence of native Mexican Native American and African American Catholics in this country And more recently of Asian American Catholics especially the Chinese the Japanese and the Filipinos of the nineteenth and early twentieth century And more recently still Catholic immigrants have come from El Salvador Guatemala Vietnam Cambodia Korea India and the Pacific Islands What impact are these immigrants having on American society and religious groups Many Faces One Church is a profound attempt to address these key questions and their implications for the Catholic way of being church worshipping and practicing theology The result of three years of conferences sponsored by Elms College exploring the new faces of the American Catholic Church this thoughtful collection highlights opportunities and challenges lying ahead as the American Church tries to respond to the continuing presence of new immigrants in its midst Many Faces One Church is a beginning of a long but exciting journey in which the strangers welcomed today into the bosom of the American Catholic Church will be themselves the hosts to welcome with equal warmth and generosity the new strangers into their midst so that hosts and guests are truly one
