R. Ross, 2007-12-02 Did I not promise that all knowledge would be

restored to its original truth Christ's prophecy has been fulfilled The following words have become absolute reality I have yet many things to say unto you but ye cannot bear them now Howbeit when the Spirit of truth is come he will guide you into all truth John 16:12-13 This book of my teachings has been formed from the lessons of love and charity and dictated to you through human understanding Since ancient times I have entrusted to you my teachings through my envoys my emissaries my interpreters and you have used it to create myths and traditions But you will not fulfill your purpose unless you meditate and study this lesson with respect and love Truly I say to you that he who meditates and analyzes the teachings of my Book with a true desire to elevate his knowledge will acquire the light for his spirit and he will feel Me nearer to him Livets Bog, vol. 1, The Third Testament Martinus, 1986

The Third Testament - A Woman's Testimony with Mankind Lin Reeves-Spencer, 2017-10-02 Beware You may lose your sensibility Look in the eyes of the three women When you gather enough courage take a deep breath and board this crudely carved tug-tug Might it be the gateway to unfold mysterious life forms The river will charm you Allow untold beauty of this rain forest flora to lure your imagination into the physical warfare If you dare release all fears as they have become untruths onto your soul Now join these two journeys two strands each inseparably intertwined Hold onto the rope Spencer continues her lifelong travail in pursuit to clarify and to meld confusion of her being into an understandable life path Then emergence of a mysterious physical illness leads her into the grips of yet another journey This story includes other women that you met earlier in the boat You all provide rungs of Spencer's ladder ascending to her goal and yours A most important character in this more concrete journey is a man fascinating but in a miasma of evil and involved in shocking developments Based on truth the fabulous scuba dives including playful dolphin romantic getaways and captured daydreams all the while drug overlords of greed will excite your primal juices You are guaranteed to greet invisible spirits of the inner spaces own your wanderlust and resolve restlessness of mind travel Between the excitement and exaggerations concerning some of the extraordinary incidents belonging to this physical odyssey are you now able to own fabrication of past remembrances or are they allegoric in nature This hauntingly written and gripping history of a unique journey will remain with the reader long after the final page is turned

The Third Testament John Eklund, 2010-05-20 Widower Fred Sankt is a professor at a small Catholic college who is not at all accustomed to dreaming When he begins experiencing a series of profoundly vivid dreams that consistently awaken him at 3:00 a.m. he is not alarmed simply curious In the last of his dreams Fred meets a faceless old friend who informs him that he has been chosen by God to record the next testament of the Bible Fred decides that even though it has been nearly two thousand years since the last passage in the Bible was written if it is God's will for him to take on a project of this magnitude he has no choice but to accept But his entire world is turned upside down when his doorbell rings unexpectedly one evening After he is served a summons Fred thinks things can't get worse until he receives the news that his daughter Ellen's health is in jeopardy Despite his personal hardships Fred soon finds that writing is his only solace As Fred continues on a spiritual journey to unlock the
